HOUSE AMENDMENT NO. 4

Amend House Committee Substitute for Senate Bill No. 225, Page 1, Section A, Line 4, by inserting after all of said section and line the following:

“226.520. On and after March 30, 1972, no outdoor advertising shall be erected or maintained within six hundred sixty feet of the nearest edge of the right-of-way and visible from the main traveled way of any highway which is part of the federal-aid primary highways as of June 1, 1991, and all highways designated as part of the National Highway System by the National Highway System Designation Act of 1995 and those highways subsequently designated as part of the National Highway System in this state except the following:

(1) Directional and other official signs, including, but not limited to, signs pertaining to natural wonders, scenic, cultural (including agricultural activities or attractions), scientific, educational, religious sites, and historical attractions, which are required or authorized by law, and which comply with regulations which shall be promulgated by the department relative to their lighting, size, number, spacing and such other requirements as may be appropriate to implement sections 226.500 to 226.600, but such regulations shall not be inconsistent with, nor more restrictive than, such national standards as may be promulgated from time to time by the Secretary of the Department of Transportation of the United States, under subsection (c) of Section 131 of Title 23 of the United States Code, **and two-year colleges shall qualify for substantially the same signs as traditional four-year colleges, theological schools, and seminaries;**

(2) Signs, displays, and devices advertising activities conducted on the property upon which they are located, or services and products therein provided;

(3) Outdoor advertising located in areas which are zoned industrial, commercial or the like as provided in sections 226.500 to 226.600 or under other authority of law;

(4) Outdoor advertising located in unzoned commercial or industrial areas as defined and determined pursuant to sections 226.500 to 226.600;

(5) Outdoor advertising for tourist-oriented businesses, and scoreboards used in sporting events or other electronic signs with changeable messages which are not prohibited by federal regulations or local zoning ordinances. Outdoor advertising which is authorized by this subdivision (5) shall only be allowed to the extent that such outdoor advertising is not prohibited by Title 23, United States Code, Section 131, as now

or thereafter amended, and lawful regulations promulgated thereunder. The general assembly finds and declares it to be the policy of the state of Missouri that the tourism industry is of major and critical importance to the economic well-being of the state and that directional signs, displays and devices providing directional information about goods and services in the interest of the traveling public are essential to the economic welfare of the tourism industry. The general assembly further finds and declares that the removal of directional signs advertising tourist-oriented businesses is harmful to the tourism industry in Missouri and that the removal of directional signs within or near areas of the state where there is high concentration of tourist-oriented businesses would have a particularly harmful effect upon the economies within such areas. The state highways and transportation commission is authorized and directed to determine those specific areas of the state of Missouri in which there is high concentration of tourist-oriented businesses, and within such areas, no directional signs, displays and devices which are lawfully erected, which are maintained in good repair, which provide directional information about goods and services in the interest of the traveling public, and which would otherwise be required to be removed because they are not allowed to be maintained under the provisions of sections 226.500 through 226.600 shall be required to be removed until such time as such removal has been finally ordered by the United States Secretary of Transportation;

(6) The provisions of this section shall not be construed to require removal of signs advertising churches or items of religious significance, items of native arts and crafts, woodworking in native products, or native items of artistic, historical, geologic significance, or hospitals or airports.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 6

Amend House Committee Substitute for Senate Bill No. 225, Page 1, Section A, Line 4, by inserting the following after all of said section and line:

“229.150. 1. All driveways or crossings over ditches connecting highways with the private property shall be made under the supervision of the **road** overseer or commissioners of the road districts.

2. [Any] **No** person or persons [who] shall willfully or knowingly obstruct or damage any public road by obstructing the side or cross drainage or ditches thereof, or by turning water upon such road or right-of-way, or by throwing or depositing brush, trees, stumps, logs, or any refuse or debris whatsoever, in said road, or on the sides or in the ditches thereof, or by fencing across or upon the right-of-way of the same, or by planting any hedge or erecting any advertising sign within the lines established for such road, or by changing the location thereof, or shall obstruct **or damage** said road, highway, or drains in any other manner whatsoever[, shall be deemed guilty of a misdemeanor, and, upon conviction, shall be fined not less than five dollars nor more than two hundred dollars, or by imprisonment in the county jail for not exceeding six months, or by both such fine and imprisonment].

3. **Road damage or obstruction shall not constitute violations under this section when farming or ranching lands have been improved using soil and water conservation practices implemented in conformance with the Missouri soil and water conservation program or natural resources conservation service technical standards.**

4. The road overseer of any district, or county highway engineer, who finds any road **damaged or** obstructed as above specified, [shall] **may** notify the [person] **landowner** violating the provisions of this section, [verbally or] in writing, **using any mail service with delivery tracking**, to remove such obstruction, **to repair such damage in a manner approved by the road overseer or county highway**

engineer making the request, or to pay the reasonable cost of such removal or repair. [Within ten days after being notified, he shall pay the sum of five dollars for each and every day after the tenth day if such obstruction is maintained or permitted to remain; such fine to be recovered by suit brought by the road overseer, in the name of the road district, in any court of competent jurisdiction] **If the landowner fails to remove any obstruction, make any repairs, or remit any payment of costs as requested within thirty days of the tracked delivery date, the road overseer or county highway engineer may petition the associate circuit court of the county in which the land is located to authorize the overseer or engineer or an agent or employee thereof, to enter the landowner's land to remove the obstruction or to repair the damage, in order to restore the roadway or drainage ditch to a condition substantially the same as the adjacent roadways and drainage ditches. Such entry on the landowner's lands shall be limited to the extent necessary to repair the roadway or drainage ditch, and shall constitute no cause of action for trespass. Such authorization and entry shall not be granted until the opportunity for a hearing has been completed and the petition has been granted. The petition shall include an estimate of the costs.**

5. If the court enters a judgment granting the petition and authorizing the actions requested therein, the judgment shall include an award for the reasonable cost of removal or repair, court costs, and reasonable attorney's fees, and shall become a lien on such lands, and shall be collected as state and county taxes are collected by law. If the court denies the petition, the county shall be responsible for the landowner's court costs and reasonable attorney's fees."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

No fines shall be imposed for any such school bus having said signs that is otherwise parked legally."; and"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 7

Amend House Committee Substitute for Senate Bill No. 225, Page 1, Section A, Line 4, by inserting immediately after all of said section and line the following:

"226.540. Notwithstanding any other provisions of sections 226.500 to 226.600, outdoor advertising shall be permitted within six hundred and sixty feet of the nearest edge of the right-of-way of highways located on the interstate, federal-aid primary system as it existed on June 1, 1991, or the national highway system as amended in areas zoned industrial, commercial or the like and in unzoned commercial and industrial areas as defined in this section, subject to the following regulations which are consistent with

customary use in this state:

(1) Lighting:

(a) No revolving or rotating beam or beacon of light that simulates any emergency light or device shall be permitted as part of any sign. No flashing, intermittent, or moving light or lights will be permitted except scoreboards and other illuminated signs designating public service information, such as time, date, or temperature, or similar information, will be allowed; tri-vision, projection, and other changeable message signs shall be allowed subject to Missouri highways and transportation commission regulations;

(b) External lighting, such as floodlights, thin line and gooseneck reflectors are permitted, provided the light source is directed upon the face of the sign and is effectively shielded so as to prevent beams or rays of light from being directed into any portion of the main traveled way of the federal-aid primary highways as of June 1, 1991, and all highways designated as part of the National Highway System by the National Highway System Designation Act of 1995 and those highways subsequently designated as part of the National Highway System and the lights are not of such intensity so as to cause glare, impair the vision of the driver of a motor vehicle, or otherwise interfere with a driver's operation of a motor vehicle;

(c) No sign shall be so illuminated that it interferes with the effectiveness of, or obscures, an official traffic sign, device, or signal;

(2) Size of signs:

(a) The maximum area for any one sign shall be eight hundred square feet with a maximum height of thirty feet and a maximum length of seventy-two feet, inclusive of border and trim but excluding the base or apron, supports, and other structural members. The area shall be measured as established herein and in rules promulgated by the commission. In determining the size of a conforming or nonconforming sign structure, temporary cutouts and extensions installed for the length of a specific display contract shall not be considered a substantial increase to the size of the permanent display; provided the actual square footage of such temporary cutouts or extensions may not exceed thirty-three percent of the permanent display area. Signs erected in accordance with the provisions of sections 226.500 to 226.600 prior to August 28, 2002, which fail to meet the requirements of this provision shall be deemed legally nonconforming as defined herein;

(b) The maximum size limitations shall apply to each side of a sign structure, and signs may be placed back to back, double faced, or in V-type construction with not more than two displays to each facing, but such sign structure shall be considered as one sign;

(c) After August 28, 1999, no new sign structure shall be erected in which two or more displays are stacked one above the other. Stacked structures existing on or before August 28, 1999, in accordance with sections 226.500 to 226.600 shall be deemed legally nonconforming and may be maintained in accordance with the provisions of sections 226.500 to 226.600. Structures displaying more than one display on a horizontal basis shall be allowed, provided that total display areas do not exceed the maximum allowed square footage for a sign structure pursuant to the provisions of paragraph (a) of this subdivision;

(3) Spacing of signs:

(a) On all interstate highways, freeways, and nonfreeway federal-aid primary highways as of June 1, 1991, and all highways designated as part of the National Highway System by the National Highway System Designation Act of 1995 and those highways subsequently designated as part of the National Highway

System:

a. No sign structure shall be erected within one thousand four hundred feet of an existing sign on the same side of the highway;

b. Outside of incorporated municipalities, no structure may be located adjacent to or within five hundred feet of an interchange, intersection at grade, or safety rest area. Such five hundred feet shall be measured from the beginning or ending of the pavement widening at the exit from or entrance to the main traveled way. For purpose of this subparagraph, the term “incorporated municipalities” shall include “urban areas”, except that such “urban areas” shall not be considered “incorporated municipalities” if it is finally determined that such would have the effect of making Missouri be in noncompliance with the requirements of Title 23, United States Code, Section 131;

(b) The spacing between structure provisions of this subdivision do not apply to signs which are separated by buildings, natural surroundings, or other obstructions in such manner that only one sign facing located within such distance is visible at any one time. Directional or other official signs or those advertising the sale or lease of the property on which they are located, or those which advertise activities on the property on which they are located, including products sold, shall not be counted, nor shall measurements be made from them for the purpose of compliance with spacing provisions;

(c) No sign shall be located in such manner as to obstruct or otherwise physically interfere with the effectiveness of an official traffic sign, signal, or device or obstruct or physically interfere with a motor vehicle operator’s view of approaching, merging, or intersecting traffic;

(d) The measurements in this section shall be the minimum distances between outdoor advertising sign structures measured along the nearest edge of the pavement between points directly opposite the signs along each side of the highway and shall apply only to outdoor advertising sign structures located on the same side of the highway involved;

(4) As used in this section, the words “unzoned commercial and industrial land” shall be defined as follows: that area not zoned by state or local law or ordinance and on which there is located one or more permanent structures used for a commercial business or industrial activity or on which a commercial or industrial activity is actually conducted together with the area along the highway extending outwardly seven hundred fifty feet from and beyond the edge of such activity. All measurements shall be from the outer edges of the regularly used improvements, buildings, parking lots, landscaped, storage or processing areas of the commercial or industrial activity and along and parallel to the edge of the pavement of the highway. **On nonfreeway primary highways where there is an unzoned commercial or industrial area on one side of the road in accordance with this section, the unzoned commercial or industrial area shall also include those lands located on the opposite side of the highway to the extent of the same dimensions.** Unzoned land shall not include:

(a) Land on the opposite side of the highway from an unzoned commercial or industrial area as defined in this section and located adjacent to highways located on the interstate[, federal-aid primary system as it existed on June 1, 1991, or the national highway system as amended, unless the opposite side of the highway qualifies as a separate unzoned commercial or industrial area] **or primary freeway highways;** or

(b) Land zoned by a state or local law, regulation, or ordinance;

(5) “Commercial or industrial activities” as used in this section means those which are generally recognized as commercial or industrial by zoning authorities in this state, except that none of the following

shall be considered commercial or industrial:

(a) Outdoor advertising structures;

(b) Agricultural, forestry, ranching, grazing, farming, and related activities, including seasonal roadside fresh produce stands;

(c) Transient or temporary activities;

(d) Activities more than six hundred sixty feet from the nearest edge of the right-of-way or not visible from the main traveled way;

(e) Activities conducted in a building principally used as a residence;

(f) Railroad tracks and minor sidings;

(6) The words “unzoned commercial or industrial land” shall also include all areas not specified in this section which constitute an “unzoned commercial or industrial area” within the meaning of the present Section 131 of Title 23 of the United States Code, or as such statute may be amended. As used in this section, the words “zoned commercial or industrial area” shall refer to those areas zoned commercial or industrial by the duly constituted zoning authority of a municipality, county, or other lawfully established political subdivision of the state, or by the state and which is within seven hundred fifty feet of one or more permanent commercial or industrial activities. Commercial or industrial activities as used in this section are limited to those activities:

(a) In which the primary use of the property is commercial or industrial in nature;

(b) Which are clearly visible from the highway and recognizable as a commercial business;

(c) Which are permanent as opposed to temporary or transitory and of a nature that would customarily be restricted to commercial or industrial zoning in areas comprehensively zoned; and

(d) In determining whether the primary use of the property is commercial or industrial pursuant to paragraph (a) of this subdivision, the state highways and transportation commission shall consider the following factors:

a. The presence of a permanent and substantial building;

b. The existence of utilities and local business licenses, if any, for the commercial activity;

c. On-premise signs or other identification;

d. The presence of an owner or employee on the premises for at least twenty hours per week;

(7) In zoned commercial and industrial areas, whenever a state, county or municipal zoning authority has adopted laws or ordinances which include regulations with respect to the size, lighting and spacing of signs, which regulations are consistent with the intent of sections 226.500 to 226.600 and with customary use, then from and after the effective date of such regulations, and so long as they shall continue in effect, the provisions of this section shall not apply to the erection of signs in such areas. Notwithstanding any other provisions of this section, after August 28, 1992, with respect to any outdoor advertising which is regulated by the provisions of subdivision (1), (3) or (4) of section 226.520 or subsection 1 of section 226.527:

(a) No county or municipality shall issue a permit to allow a regulated sign to be newly erected without a permit issued by the state highways and transportation commission;

(b) A county or municipality may charge a reasonable one-time permit or inspection fee to assure compliance with local wind load and electrical requirements when the sign is first erected, but a county or municipality may not charge a permit or inspection fee for such sign after such initial fee. Changing the display face or performing routine maintenance shall not be considered as erecting a new sign;

(8) The state highways and transportation commission on behalf of the state of Missouri, may seek agreement with the Secretary of Transportation of the United States under Section 131 of Title 23, United States Code, as amended, that sections 226.500 to 226.600 are in conformance with that Section 131 and provides effective control of outdoor advertising signs as set forth therein. If such agreement cannot be reached and the penalties under subsection (b) of Section 131 are invoked, the attorney general of this state shall institute proceedings described in subsection (1) of that Section 131.

226.550. 1. No outdoor advertising which is regulated by subdivision (1), (3) or (4) of section 226.520 or subsection 1 of section 226.527 shall be erected or maintained on or after August 28, 1992, without a one-time permanent permit issued by the state highways and transportation commission. Application for permits shall be made to the state highways and transportation commission on forms furnished by the commission and shall be accompanied by a permit fee of two hundred dollars for all signs; except that, tax-exempt religious organizations as defined in subdivision (11) of section 313.005, service organizations as defined in subdivision (12) of section 313.005, veterans' organizations as defined in subdivision (14) of section 313.005, and fraternal organizations as defined in subdivision (8) of section 313.005 shall be granted a permit for signs less than seventy-six square feet without payment of the fee. **The permit fee of two hundred dollars shall be waived for landowners, provided that the landowner owns both the land upon which the outdoor advertising is placed and the business being advertised on the sign, so long as the business being advertised is located within seven hundred fifty feet of the sign location.** In the event a permit holder fails to erect a sign structure within twenty-four months of issuance, said permit shall expire and a new permit must be obtained prior to any construction.

2. No outdoor advertising which is regulated by subdivision (1), (3) or (4) of section 226.520 or subsection 1 of section 226.527 which was erected prior to August 28, 1992, shall be maintained without a one-time permanent permit for outdoor advertising issued by the state highways and transportation commission. If a one-time permanent permit was issued by the state highways and transportation commission after March 30, 1972, and before August 28, 1992, it is not necessary for a new permit to be issued. If a one-time permanent permit was not issued for a lawfully erected and lawfully existing sign by the state highways and transportation commission after March 30, 1972, and before August 28, 1992, a one-time permanent permit shall be issued by the commission for each sign which is lawfully in existence on the day prior to August 28, 1992, upon application and payment of a permit fee of two hundred dollars. All applications and fees due pursuant to this subsection shall be submitted before December 31, 1992. **The permit fee of two hundred dollars shall be waived for landowners, provided that the landowner owns both the land upon which the outdoor advertising is placed and the business being advertised on the sign, so long as the business being advertised is located within seven hundred fifty feet of the sign location.**

3. For purposes of sections 226.500 to 226.600, the terminology "structure lawfully in existence" or "lawfully existing" sign or outdoor advertising shall, nevertheless, include the following signs unless the signs violate the provisions of subdivisions (3) to (7) of subsection 1 of section 226.580:

(1) All signs erected prior to January 1, 1968;

(2) All signs erected before March 30, 1972, but on or after January 1, 1968, which would otherwise be lawful but for the failure to have a permit for such signs prior to March 30, 1972, except that any sign or structure which was not in compliance with sizing, spacing, lighting, or location requirements of sections 226.500 to 226.600 as the sections appeared in the revised statutes of Missouri 1969, wheresoever located, shall not be considered a lawfully existing sign or structure;

(3) All signs erected after March 30, 1972, which are in conformity with sections 226.500 to 226.600;

(4) All signs erected in compliance with sections 226.500 to 226.600 prior to August 28, 2002.

4. On or after August 28, 1992, the state highways and transportation commission may, in addition to the fees authorized by subsections 1 and 2 of this section, collect a biennial inspection fee every two years after a state permit has been issued. 7. Any moneys received in payment of fines and court costs pursuant to this section shall not be considered to be state funds, but shall be held in trust by the centralized bureau for benefit of those persons or entities entitled to receive such funds pursuant to this subsection. 142.803. 1. A tax is levied and imposed on all motor fuel used or consumed in this state as follows:

(1) Motor fuel, seventeen cents per gallon;

(2) Alternative fuels, not subject to the decal fees as provided in section 142.869, with a power potential equivalent of motor fuel. In the event alternative fuel, which is not commonly sold or measured by the gallon, is used in motor vehicles on the highways of this state, the director is authorized to assess and collect a tax upon such alternative fuel measured by the nearest power potential equivalent to that of one gallon of regular grade gasoline. The determination by the director of the power potential equivalent of such alternative fuel shall be prima facie correct;

(3) Aviation fuel used in propelling aircraft with reciprocating engines, nine cents per gallon as levied and imposed by section 155.080 to be collected as required under this chapter;

(4) Compressed natural gas fuel, five cents per gasoline gallon equivalent until December 31, 2019, eleven cents per gasoline gallon equivalent from January 1, 2020, until December 31, 2024, and then seventeen cents per gasoline gallon equivalent thereafter. The gasoline gallon equivalent and method of sale for compressed natural gas shall be as published by the National Institute of Standards and Technology in Handbooks 44 and 130, and supplements thereto or revisions thereof. In the absence of such standard or agreement, the gasoline gallon equivalent and method of sale for compressed natural gas shall be equal to five and sixty-six-hundredths pounds of compressed natural gas. All applicable provisions contained in this chapter governing administration, collections, and enforcement of the state motor fuel tax shall apply to the tax imposed on compressed natural gas, including but not limited to licensing, reporting, penalties, and interest;

(5) Liquefied natural gas fuel, five cents per diesel gallon equivalent until December 31, 2019, eleven cents per diesel gallon equivalent from January 1, 2020, until December 31, 2024, and then seventeen cents per diesel gallon equivalent thereafter. The diesel gallon equivalent and method of sale for liquefied natural gas shall be as published by the National Institute of Standards and Technology in Handbooks 44 and 130, and supplements thereto or revisions thereof.

In the absence of such standard or agreement, the diesel gallon equivalent and method of sale for liquefied natural gas shall be equal to six and six-hundredths pounds of liquefied natural gas. All applicable provisions contained in this chapter governing administration, collections, and enforcement of the state motor fuel tax shall apply to the tax imposed on liquefied natural gas, including but not limited to licensing, reporting, penalties, and interest;

(6) Propane gas fuel, five cents per gallon until December 31, 2019, eleven cents per gallon from January 1, 2020, until December 31, 2024, and then seventeen cents per gallon thereafter. All applicable provisions contained in this chapter governing administration, collection, and enforcement of the state motor fuel tax shall apply to the tax imposed on propane gas including, but not limited to, licensing, reporting, penalties, and interest;

(7) If a natural gas, compressed natural gas, [or] liquefied natural gas, **electric, or propane** connection

is used for fueling motor vehicles and for another use, such as heating, the tax imposed by this section shall apply to the entire amount of natural gas, compressed natural gas, [or] liquefied natural gas, **electricity, or propane** used unless an approved separate metering and accounting system is in place.

2. All taxes, surcharges and fees are imposed upon the ultimate consumer, but are to be precollected as described in this chapter, for the facility and convenience of the consumer. The levy and assessment on other persons as specified in this chapter shall be as agents of this state for the precollection of the tax.

142.869. 1. The tax imposed by this chapter shall not apply to passenger motor vehicles, buses as defined in section 301.010, or commercial motor vehicles registered in this state which are powered by alternative fuel, and for which a valid decal has been acquired as provided in this section, provided that sales made to alternative fueled vehicles powered by **propane**, compressed natural gas, or liquefied natural gas that do not meet the requirements of subsection 3 of this section shall be taxed exclusively pursuant to subdivisions (4) [and (5)] **to (7)** of subsection 1 of section 142.803, respectively. The owners or operators of such motor vehicles, **except plug-in electric hybrids**, shall, in lieu of the tax imposed by section 142.803, pay an annual alternative fuel decal fee as follows: seventy-five dollars on each passenger motor vehicle, school bus as defined in section 301.010, and commercial motor vehicle with a licensed gross vehicle weight of eighteen thousand pounds or less; one hundred dollars on each motor vehicle with a licensed gross weight in excess of eighteen thousand pounds but not more than thirty-six thousand pounds used for farm or farming transportation operations and registered with a license plate designated with the letter "F"; one hundred fifty dollars on each motor vehicle with a licensed gross vehicle weight in excess of eighteen thousand pounds but less than or equal to thirty-six thousand pounds, and each passenger-carrying motor vehicle subject to the registration fee provided in sections 301.059, 301.061 and 301.063; two hundred fifty dollars on each motor vehicle with a licensed gross weight in excess of thirty-six thousand pounds used for farm or farming transportation operations and registered with a license plate designated with the letter "F"; and one thousand dollars on each motor vehicle with a licensed gross vehicle weight in excess of thirty-six thousand pounds. **Owners or operators of plug-in electric hybrids shall pay one-half of the stated annual alternative fuel decal fee.** Notwithstanding provisions of this section to the contrary, motor vehicles licensed as historic under section 301.131 which are powered by alternative fuel shall be exempt from both the tax imposed by this chapter and the alternative fuel decal requirements of this section. **For the purposes of this section, a plug-in electric hybrid shall be any hybrid vehicle made by a manufacturer with a model year of 2018 or newer, that has not been modified from the original manufacturer specifications, with an internal combustion engine and batteries that can be recharged by connecting a plug to an electric power source.**

2. Except interstate fuel users and vehicles licensed under a reciprocity agreement as defined in section 142.617, the tax imposed by section 142.803 shall not apply to motor vehicles registered outside this state which are powered by alternative fuel other than **propane**, compressed natural gas, and liquefied natural gas, and for which a valid temporary alternative fuel decal has been acquired as provided in this section. The owners or operators of such motor vehicles shall, in lieu of the tax imposed by section 142.803, pay a temporary alternative fuel decal fee of eight dollars on each such vehicle. Such decals shall be valid for a period of fifteen days from the date of issuance and shall be attached to the lower right-hand corner of the front windshield on the motor vehicle for which it was issued. Such decal and fee shall not be transferable. All proceeds from such decal fees shall be deposited as specified in section 142.345. Alternative fuel dealers selling such decals in accordance with rules and regulations prescribed by the director shall be allowed to retain fifty cents for each decal fee timely remitted to the director.

3. Owners or operators of passenger motor vehicles, buses as defined in section 301.010, or commercial motor vehicles registered in this state which are powered by compressed natural gas or liquefied natural gas who have installed a compressed natural gas fueling station or liquefied natural gas fueling station used solely to fuel the motor vehicles they own or operate as of December 31, 2015, may continue to apply for and use the alternative fuel decal in lieu of paying the tax imposed under subdivisions (4) and (5) of subsection 1 of section 142.803. Owners or operators of compressed natural gas fueling stations or liquefied natural gas fueling stations whose vehicles bear an alternative fuel decal shall be prohibited from selling or providing compressed natural gas or liquefied natural gas to any motor vehicle they do not own or operate. Owners or operators of motor vehicles powered by compressed natural gas or liquefied natural gas bearing an alternative fuel decal after January 1, 2016, that decline to renew the alternative fuel decals for such motor vehicles shall no longer be eligible to apply for and use alternative fuel decals under this subsection. Any compressed natural gas or liquefied natural gas obtained at any fueling station not owned by the owner or operator of the motor vehicle bearing an alternative fuel decal shall be subject to the tax under subdivisions (4) and (5) of subsection 1 of section 142.803.

4. An owner or operator of a motor vehicle powered by propane may continue to apply for and use the alternative fuel decal in lieu of paying the tax imposed under subdivision (6) of subsection 1 of section 142.803. If the appropriate motor fuel tax under subdivision (6) of subsection 1 of section 142.803 is collected at the time of fueling, an operator of a propane fueling station that uses quick-connect fueling nozzles may sell propane as a motor fuel without verifying the application of a valid Missouri alternative fuel decal. If an owner or operator of a motor vehicle powered by propane that bears an alternative fuel decal refuels at an unattended propane refueling station, such owner or operator shall not be eligible for a refund of the motor fuel tax paid at such refueling.

5. The director shall annually, on or before January thirty-first of each year, collect or cause to be collected from owners or operators of the motor vehicles specified in subsection 1 of this section the annual decal fee. Applications for such decals shall be supplied by the department of revenue. In the case of a motor vehicle which is not in operation by January thirty-first of any year, a decal may be purchased for a fractional period of such year, and the amount of the decal fee shall be reduced by one-twelfth for each complete month which shall have elapsed since the beginning of such year. **This subsection shall not apply to an owner or operator of a motor vehicle powered by propane who fuels such vehicle exclusively at unattended fueling stations that collect the motor fuel tax.**

[5.] 6. Upon the payment of the fee required by subsection 1 of this section, the director shall issue a decal, which shall be valid for the current calendar year and shall be attached to the lower right-hand corner of the front windshield on the motor vehicle for which it was issued.

[6.] 7. The decal fee paid pursuant to subsection 1 of this section for each motor vehicle shall be transferable upon a change of ownership of the motor vehicle and, if the LP gas or natural gas equipment is removed from a motor vehicle upon a change of ownership and is reinstalled in another motor vehicle, upon such reinstallation. Such transfers shall be accomplished in accordance with rules and regulations promulgated by the director.

[7.] 8. It shall be unlawful for any person to operate a motor vehicle required to have an alternative fuel decal upon the highways of this state without a valid decal **unless the motor vehicle is exclusively fueled at propane, compressed natural gas, or liquefied natural gas fueling stations that collect the motor fuel tax.**

[8.] **9.** No person shall cause to be put, or put, [LP gas] **any alternative fuel** into the fuel supply receptacle **or battery** of a motor vehicle required to have an alternative fuel decal unless the motor vehicle **either** has a valid decal attached to it **or the appropriate motor fuel tax is collected at the time of such fueling.** [Sales of fuel placed in the supply receptacle of a motor vehicle displaying such decal shall be recorded upon an invoice, which invoice shall include the decal number, the motor vehicle license number and the number of gallons placed in such supply receptacle.]

[9.] **10.** Any person violating any provision of this section is guilty of an infraction and shall, upon conviction thereof, be fined five hundred dollars.

[10.] **11.** Motor vehicles displaying a valid alternative fuel decal are exempt from the licensing and reporting requirements of this chapter.”; and

Further amend said bill, Page 52, Section 1, Line 62, by inserting the following after all of said line:

“Section 2. Notwithstanding any other provision of law, any political subdivision that imposes a local excise or sales tax enacted after January 1, 2017, under article IV, section 30(a) of the Constitution of Missouri shall use no less than ninety percent of such funds collected for the construction, reconstruction, maintenance, and repair of roads and streets and for the payment and interest on indebtedness incurred on account of road and street purposes, and no more than ten percent of such funds collected for policing, signing, lighting, and cleaning roads and streets.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 4

Amend House Committee Substitute for Senate Committee Substitute for Senate Bill No. 112, Page 10, Section 67.1360, Line 135, by inserting the following after all of said section and line:

"68.075. 1. This section shall be known and may be cited as the "Advanced Industrial Manufacturing Zones Act".

2. As used in this section, the following terms shall mean:

(1) "AIM zone", an area identified through a resolution passed by the port authority board of commissioners appointed under section 68.045 that is being developed or redeveloped for any purpose so long as any infrastructure and building built or improved is in the development area. The port authority board of commissioners shall file an annual report indicating the established AIM zones with the department of revenue;

(2) "**County average wage**", the average wage in each county as determined by the Missouri department of economic development for the most recently completed full calendar year. However, if the computed county average wage is above the statewide average wage, the statewide average wage shall be deemed the county average wage for such county for the purpose of determining eligibility;

(3) "New job", the number of full-time employees located at the project facility that exceeds the project facility base employment less any decrease in the number of full-time employees at related facilities below the related facility base employment. No job that was created prior to the date of the notice of intent shall be deemed a new job. An employee that spends less than fifty percent of the employee's work time at the facility is still considered to be located at a facility if the employee receives his or her directions and control from that facility, is on the facility's payroll, one hundred percent of the employee's income from such employment is Missouri income, and the employee is paid at or above the [state] **county** average wage.

3. The ballot of submission shall be in substantially the following form:

The sales tax shall not be collected prior to thirty-six months before operation of the central dispatching of emergency services.

5. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section.

6. Any tax imposed pursuant to section 190.305 shall terminate at the end of the tax year in which the tax imposed pursuant to this section for emergency services is certified by the board to be fully operational. Any revenues collected from the tax authorized under section 190.305 shall be credited for the purposes for which they were intended.

7. At least once each calendar year, the board shall establish a tax rate, not to exceed the amount authorized, that together with any surplus revenues carried forward will produce sufficient revenues to fund the expenditures authorized by this act. Amounts collected in excess of that necessary within a given year shall be carried forward to subsequent years. The board shall make its determination of such tax rate each year no later than September first and shall fix the new rate which shall be collected as provided in this act. Such boards which existed prior to August 25, 2010, shall not be considered a body corporate and a political subdivision of the state for any purpose, unless and until an order is entered upon an unanimous vote of the commissioners of the county in which such board is established reclassifying such board as a corporate body and political subdivision of the state. The order shall approve the transfer of the assets and liabilities related to the operation of the emergency **telephone** service 911 system to the new entity created by the reclassification of the board.

HOUSE AMENDMENT NO. 8

Amend House Committee Substitute for Senate Committee Substitute for Senate Bill No. 112, Page 47, Section 347.048, Line 18, by inserting immediately after said section and line the following:

“393.1075. 1. This section shall be known as the “Missouri Energy Efficiency Investment Act”.

2. As used in this section, the following terms shall mean:

(1) “Commission”, the Missouri public service commission;

(2) “Demand response”, measures that decrease peak demand or shift demand to off-peak periods;

(3) “Demand-side program”, any program conducted by the utility to modify the net consumption of electricity on the retail customer’s side of the electric meter, including but not limited to energy efficiency measures, [load] **rate** management, demand response, and interruptible or curtailable load;

(4) “Energy efficiency”, measures that reduce the amount of electricity required to achieve a given end use;

(5) “Interruptible or curtailable rate”, a rate under which a customer receives a reduced charge in exchange for agreeing to allow the utility to withdraw the supply of electricity under certain specified conditions;

(6) “Total resource cost test”, a test that compares the sum of avoided utility costs and avoided probable environmental compliance costs to the sum of all incremental costs of end-use measures that are implemented due to the program, as defined by the commission in rules.

3. It shall be the policy of the state to value demand-side investments equal to traditional investments in supply and delivery infrastructure and allow recovery of all reasonable and prudent costs of delivering cost-effective demand-side programs. In support of this policy, the commission shall:

(1) Provide timely cost recovery for utilities;

(2) Ensure that utility financial incentives are aligned with helping customers use energy more efficiently and in a manner that sustains or enhances utility customers' incentives to use energy more efficiently; and

(3) Provide timely earnings opportunities associated with cost-effective measurable and verifiable efficiency savings.

4. The commission shall permit electric corporations to implement commission-approved demand-side programs proposed pursuant to this section with a goal of achieving all cost-effective demand-side savings. Recovery for such programs shall not be permitted unless the programs are approved by the commission, result in energy or demand savings and are beneficial to all customers in the customer class in which the programs are proposed, regardless of whether the programs are utilized by all customers. The commission shall consider the total resource cost test a preferred cost-effectiveness test. Programs targeted to low-income customers or general education campaigns do not need to meet a cost-effectiveness test, so long as the commission determines that the program or campaign is in the public interest. Nothing herein shall preclude the approval of demand-side programs that do not meet the test if the costs of the program above the level determined to be cost-effective are funded by the customers participating in the program or through tax or other governmental credits or incentives specifically designed for that purpose.

5. To comply with this section the commission may develop cost recovery mechanisms to further encourage investments in demand-side programs including, in combination and without limitation: capitalization of investments in and expenditures for demand-side programs, rate design modifications, accelerated depreciation on demand-side investments, and allowing the utility to retain a portion of the net benefits of a demand-side program for its shareholders. In setting rates the commission shall fairly apportion the costs and benefits of demand-side programs to each customer class except as provided for in subsection 6 of this section. Prior to approving a rate design modification associated with demand-side cost recovery, the commission shall conclude a docket studying the effects thereof and promulgate an appropriate rule.

6. The commission may reduce or exempt allocation of demand-side expenditures to low-income classes, as defined in an appropriate rate proceeding, as a subclass of residential service.

7. Provided that the customer has notified the electric corporation that the customer elects not to participate in demand-side measures offered by an electrical corporation, none of the costs of demand-side measures of an electric corporation offered under this section or by any other authority, and no other charges implemented in accordance with this section, shall be assigned to any account of any customer, including its affiliates and subsidiaries, meeting one or more of the following criteria:

(1) The customer has one or more accounts within the service territory of the electrical corporation that has a demand of five thousand kilowatts or more;

(2) The customer operates an interstate pipeline pumping station, regardless of size; or

(3) The customer has accounts within the service territory of the electrical corporation that have, in aggregate, a demand of two thousand five hundred kilowatts or more, and the customer has a comprehensive demand-side or energy efficiency program and can demonstrate an achievement of savings at least equal to those expected from utility-provided programs.

8. Customers that have notified the electrical corporation that they do not wish to participate in demand-

side programs under this section shall not subsequently be eligible to participate in demand-side programs except under guidelines established by the commission in rulemaking.

9. Customers who participate in demand-side programs initiated after August 1, 2009, shall be required to participate in program funding for a period of time to be established by the commission in rulemaking.

10. Customers electing not to participate in an electric corporation's demand-side programs under this section shall still be allowed to participate in interruptible or curtailable rate schedules or tariffs offered by the electric corporation.

11. The commission shall provide oversight and may adopt rules and procedures and approve corporation-specific settlements and tariff provisions, independent evaluation of demand-side programs, as necessary, to ensure that electric corporations can achieve the goals of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

12. Each electric corporation shall submit an annual report to the commission describing the demand-side programs implemented by the utility in the previous year. The report shall document program expenditures, including incentive payments, peak demand and energy savings impacts and the techniques used to estimate those impacts, avoided costs and the techniques used to estimate those costs, the estimated cost-effectiveness of the demand-side programs, and the net economic benefits of the demand-side programs.

13. Charges attributable to demand-side programs under this section shall be clearly shown as a separate line item on bills to the electrical corporation's customers.

14. [(1) Any customer of an electrical corporation who has received a state tax credit under sections 135.350 to 135.362 or under sections 253.545 to 253.561 shall not be eligible for participation in any demand-side program offered by an electrical corporation under this section if such program offers a monetary incentive to the customer, except as provided in subdivision (4) of this subsection.

(2) As a condition of participation in any demand-side program offered by an electrical corporation under this section when such program offers a monetary incentive to the customer, the commission shall develop rules that require documentation to be provided by the customer to the electrical corporation to show that the customer has not received a tax credit listed in subdivision (1) of this subsection.

(3) The penalty for a customer who provides false documentation under subdivision (2) of this subsection shall be a class A misdemeanor.

(4) The provisions of this subsection shall not apply to any low-income customer who would otherwise be eligible to participate in a demand-side program that is offered by an electrical corporation to low-income customers.

15.] The commission shall develop rules that provide for disclosure of participants in all demand-side programs offered by electrical corporations under this section when such programs provide monetary incentives to the customer. The disclosure required by this subsection may include, but not be limited to,

the following: the name of the participant, or the names of the [principles] **principals** if for a company, the property address, and the amount of the monetary incentive received.”; and

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Committee Substitute for Senate Bill No. 11, Page 5, Section 100.180, Line 9, by inserting after all of said section and line the following:

“135.963. 1. Improvements made to real property as such term is defined in section 137.010 which are made in an enhanced enterprise zone subsequent to the date such zone or expansion thereto was designated may, upon approval of an authorizing resolution or ordinance by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions. Improvements made to real property, as such term is defined in section 137.010, which are locally assessed and in a renewable energy generation zone designated as an enhanced enterprise zone, subsequent to the date such enhanced enterprise zone or expansion thereto was designated, may, upon approval of an authorizing resolution or ordinance by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions. In addition to enhanced business enterprises, a speculative industrial or warehouse building constructed by a public entity or a private entity if the land is leased by a public entity may be subject to such exemption.

2. Such authorizing resolution shall specify the percent of the exemption to be granted, the duration of the exemption to be granted, and the political subdivisions to which such exemption is to apply and any other terms, conditions, or stipulations otherwise required. A copy of the resolution shall be provided to the director within thirty calendar days following adoption of the resolution by the governing authority.

3. No exemption shall be granted until the governing authority holds a public hearing for the purpose of obtaining the opinions and suggestions of residents of political subdivisions to be affected by the exemption from property taxes. The governing authority shall send, by certified mail, a notice of such hearing to each political subdivision in the area to be affected and shall publish notice of such hearing in a newspaper of general circulation in the area to be affected by the exemption at least twenty days prior to

the hearing but not more than thirty days prior to the hearing. Such notice shall state the time, location, date, and purpose of the hearing.

4. Notwithstanding subsection 1 of this section, at least one-half of the ad valorem taxes otherwise imposed on subsequent improvements to real property located in an enhanced enterprise zone of enhanced business enterprises or speculative industrial or warehouse buildings as indicated in subsection 1 of this section shall become and remain exempt from assessment and payment of ad valorem taxes of any political subdivision of this state or municipality thereof, if said political subdivision or municipality levies ad valorem taxes, for a period of not less than ten years following the date such improvements were assessed, provided the improved properties are used for enhanced business enterprises. The exemption for speculative buildings is subject to the approval of the governing authority for a period not to exceed two years if the building is owned by a private entity and five years if the building is owned or ground leased by a public entity. This shall not preclude the building receiving an exemption for the remaining time period established by the governing authority if it was occupied by an enhanced business enterprise. The two- and five-year time periods indicated for speculative buildings shall not be an addition to the local abatement time period for such facility.

5. No exemption shall be granted for a period more than twenty-five years [following the date on which the original enhanced enterprise zone was designated by the department] , **provided, however, that during the ten years prior to the expiration of an enhanced enterprise zone no exemption shall be granted for a period of more than ten years.**

6. The provisions of subsection 1 of this section shall not apply to improvements made to real property begun prior to August 28, 2004.

7. The abatement referred to in this section shall not relieve the assessor or other responsible official from ascertaining the amount of the equalized assessed value of all taxable property annually as required by section 99.855, 99.957, or 99.1042 and shall not have the effect of reducing the payments in lieu of taxes referred to in subdivision (2) of subsection 1 of section 99.845, subdivision (2) of subsection 3 of section 99.957, or subdivision (2) of subsection 3 of section 99.1042 unless such reduction is set forth in the plan approved by the governing body of the municipality pursuant to subdivision (1) of subsection 1 of section 99.820, section 99.942, or section 99.1027.”; and

word “load”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 7

Amend House Committee Substitute for Senate Committee Substitute for Senate Bill No. 11, Page 5, Section 100.180, Line 9, by inserting immediately after said section and line the following:

“393.1075. 1. This section shall be known as the “Missouri Energy Efficiency Investment Act”.

2. As used in this section, the following terms shall mean:

(1) “Commission”, the Missouri public service commission;

(2) “Demand response”, measures that decrease peak demand or shift demand to off-peak periods;

(3) “Demand-side program”, any program conducted by the utility to modify the net consumption of electricity on the retail customer’s side of the electric meter, including but not limited to energy efficiency measures, [load] **rate** management, demand response, and interruptible or curtailable load;

(4) “Energy efficiency”, measures that reduce the amount of electricity required to achieve a given end use;

(5) “Interruptible or curtailable rate”, a rate under which a customer receives a reduced charge in exchange for agreeing to allow the utility to withdraw the supply of electricity under certain specified conditions;

(6) “Total resource cost test”, a test that compares the sum of avoided utility costs and avoided probable environmental compliance costs to the sum of all incremental costs of end-use measures that are implemented due to the program, as defined by the commission in rules.

3. It shall be the policy of the state to value demand-side investments equal to traditional investments in supply and delivery infrastructure and allow recovery of all reasonable and prudent costs of delivering cost-effective demand-side programs. In support of this policy, the commission shall:

(1) Provide timely cost recovery for utilities;

(2) Ensure that utility financial incentives are aligned with helping customers use energy more efficiently and in a manner that sustains or enhances utility customers’ incentives to use energy more efficiently; and

(3) Provide timely earnings opportunities associated with cost-effective measurable and verifiable efficiency savings.

4. The commission shall permit electric corporations to implement commission-approved demand-side programs proposed pursuant to this section with a goal of achieving all cost-effective demand-side savings. Recovery for such programs shall not be permitted unless the programs are approved by the commission, result in energy or demand savings and are beneficial to all customers in the customer class in which the programs are proposed, regardless of whether the programs are utilized by all customers. The commission shall consider the total resource cost test a preferred cost-effectiveness test. Programs targeted to low-income customers or general education campaigns do not need to meet a cost-effectiveness test, so long as the commission determines that the program or campaign is in the public interest. Nothing herein shall

preclude the approval of demand-side programs that do not meet the test if the costs of the program above the level determined to be cost-effective are funded by the customers participating in the program or through tax or other governmental credits or incentives specifically designed for that purpose.

5. To comply with this section the commission may develop cost recovery mechanisms to further encourage investments in demand-side programs including, in combination and without limitation: capitalization of investments in and expenditures for demand-side programs, rate design modifications, accelerated depreciation on demand-side investments, and allowing the utility to retain a portion of the net benefits of a demand-side program for its shareholders. In setting rates the commission shall fairly apportion the costs and benefits of demand-side programs to each customer class except as provided for in subsection 6 of this section. Prior to approving a rate design modification associated with demand-side cost recovery, the commission shall conclude a docket studying the effects thereof and promulgate an appropriate rule.

6. The commission may reduce or exempt allocation of demand-side expenditures to low-income classes, as defined in an appropriate rate proceeding, as a subclass of residential service.

7. Provided that the customer has notified the electric corporation that the customer elects not to participate in demand-side measures offered by an electrical corporation, none of the costs of demand-side measures of an electric corporation offered under this section or by any other authority, and no other charges implemented in accordance with this section, shall be assigned to any account of any customer, including its affiliates and subsidiaries, meeting one or more of the following criteria:

(1) The customer has one or more accounts within the service territory of the electrical corporation that has a demand of five thousand kilowatts or more;

(2) The customer operates an interstate pipeline pumping station, regardless of size; or

(3) The customer has accounts within the service territory of the electrical corporation that have, in aggregate, a demand of two thousand five hundred kilowatts or more, and the customer has a comprehensive demand-side or energy efficiency program and can demonstrate an achievement of savings at least equal to those expected from utility-provided programs.

8. Customers that have notified the electrical corporation that they do not wish to participate in demand-side programs under this section shall not subsequently be eligible to participate in demand-side programs except under guidelines established by the commission in rulemaking.

9. Customers who participate in demand-side programs initiated after August 1, 2009, shall be required to participate in program funding for a period of time to be established by the commission in rulemaking.

10. Customers electing not to participate in an electric corporation's demand-side programs under this section shall still be allowed to participate in interruptible or curtailable rate schedules or tariffs offered by the electric corporation.

11. The commission shall provide oversight and may adopt rules and procedures and approve corporation-specific settlements and tariff provisions, independent evaluation of demand-side programs, as necessary, to ensure that electric corporations can achieve the goals of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to

disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

12. Each electric corporation shall submit an annual report to the commission describing the demand-side programs implemented by the utility in the previous year. The report shall document program expenditures, including incentive payments, peak demand and energy savings impacts and the techniques used to estimate those impacts, avoided costs and the techniques used to estimate those costs, the estimated cost-effectiveness of the demand-side programs, and the net economic benefits of the demand-side programs.

13. Charges attributable to demand-side programs under this section shall be clearly shown as a separate line item on bills to the electrical corporation's customers.

14. The department of health and senior services, with the advice of the state advisory council and pursuant to the provisions of this section, **section 197.005**, and chapter 536, shall adopt, amend, promulgate and enforce such rules, regulations and standards with respect to all hospitals or different types of hospitals to be licensed hereunder as may be designed to further the accomplishment of the purposes of this law in promoting safe and adequate treatment of individuals in hospitals in the interest of public health, safety and welfare. No rule or portion of a rule promulgated under the authority of sections 197.010 to 197.280 shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

2. The department shall review and revise regulations governing hospital licensure and enforcement to promote hospital and regulatory efficiencies [and] . **The department shall eliminate all** duplicative regulations and inspections by or on behalf of state agencies and the Centers for Medicare and Medicaid Services (CMS). The hospital licensure regulations adopted under this [section] **chapter** shall incorporate standards which shall include, but not be limited to, the following:

(1) Each citation or finding of a regulatory deficiency shall refer to the specific written regulation, any state associated written interpretive guidance developed by the department and any publicly available, professionally recognized standards of care that are the basis of the citation or finding;

(2) Subject to appropriations, the department shall ensure that its hospital licensure regulatory standards are consistent with and do not contradict the CMS Conditions of Participation (COP) and associated interpretive guidance. However, this shall not preclude the department from enforcing standards produced by the department which exceed the federal CMS' COP and associated interpretive guidance, so long as such standards produced by the department promote a higher degree of patient safety and do not contradict the federal CMS' COP and associated interpretive guidance;

(3) The department shall establish and publish guidelines for complaint investigation, including but not limited to:

(a) The department's process for reviewing and determining which complaints warrant an on-site investigation based on a preliminary review of available information from the complainant, other appropriate sources, and when not prohibited by CMS, the hospital. For purposes of providing hospitals with information necessary to improve processes and patient care, the number and nature of complaints filed and the recommended actions by the department and, as appropriate CMS, shall be disclosed upon request to hospitals so long as the otherwise confidential identity of the complainant or the patient for whom the complaint was filed is not disclosed;

(b) A departmental investigation of a complaint shall be focused on the specific regulatory standard and departmental written interpretive guidance and publicly available professionally recognized standard of care related to the complaint. During the course of any complaint investigation, the department shall cite any serious and immediate threat discovered that may potentially jeopardize the health and safety of patients;

(c) A hospital shall be provided with a report of all complaints made against the hospital. Such report shall include the nature of the complaint, the date of the complaint, the department conclusions regarding

the complaint, the number of investigators and days of investigation resulting from each complaint;

Hospitals and hospital personnel shall assume all costs associated with facilitating the training sessions and use of curriculum materials, including but not limited to the location for training, food, and printing costs;

(5) Time lines for the department to provide responses to hospitals regarding the status and outcome of pending investigations and regulatory actions and questions about interpretations of regulations shall be identical to, to the extent practicable, the time lines established for the federal hospital certification and enforcement system in the CMS State Operations Manual, as amended. These time lines shall be the guide for the department to follow. Every reasonable attempt shall be made to meet the time lines. However, failure to meet the established time lines shall in no way prevent the department from performing any necessary inspections to ensure the health and safety of patients.

3. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

197.100. 1. Any provision of chapter 198 and chapter 338 to the contrary notwithstanding, the department of health and senior services shall have sole authority, and responsibility for inspection and licensure of hospitals in this state including, but not limited to, all parts, services, functions, support functions and activities which contribute directly or indirectly to patient care of any kind whatsoever. The department of health and senior services shall annually inspect each licensed hospital and shall make any other inspections and investigations as it deems necessary for good cause shown. The department of health and senior services shall accept reports of hospital inspections from **or on behalf of** governmental agencies, the joint commission, and the American Osteopathic Association Healthcare Facilities Accreditation Program, provided the accreditation inspection was conducted within one year of the date of license renewal. Prior to granting acceptance of any other accrediting organization reports in lieu of the required licensure survey, the accrediting organization's survey process must be deemed appropriate and found to be comparable to the department's licensure survey. It shall be the accrediting organization's responsibility to provide the department any and all information necessary to determine if the accrediting organization's survey process is comparable and fully meets the intent of the licensure regulations. The department of health and senior services shall attempt to schedule inspections and evaluations required by this section so as not to cause a hospital to be subject to more than one inspection in any twelve-month period from the department of health and senior services or any agency or accreditation organization the reports of which are accepted for licensure purposes pursuant to this section, except for good cause shown.

2. Other provisions of law to the contrary notwithstanding, the department of health and senior services shall be the only state agency to determine life safety and building codes for hospitals defined or licensed pursuant to the provisions of this chapter, including but not limited to sprinkler systems, smoke detection devices and other fire safety-related matters so long as any new standards shall apply only to new construction.”; and

Further amend said bill, Page 19, Section B, Line 6, by inserting immediately after all of said section and line the following:

(4) Nursing home services for participants, except to persons with more than five hundred thousand dollars equity in their home or except for persons in an institution for mental diseases who are under the age of sixty-five years, when residing in a hospital licensed by the department of health and senior services or a nursing home licensed by the department of health and senior services or appropriate licensing authority of other states or government-owned and -operated institutions which are determined to conform to standards equivalent to licensing requirements in Title XIX of the federal Social Security Act (42 U.S.C. Section 301, et seq.), as amended, for nursing facilities. The MO HealthNet division may recognize through its payment methodology for nursing facilities those nursing facilities which serve a high volume of MO HealthNet patients. The MO HealthNet division when determining the amount of the benefit payments to be made on behalf of persons under the age of twenty-one in a nursing facility may consider nursing facilities furnishing care to persons under the age of twenty-one as a classification separate from other nursing facilities;

(5) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection for those days, which shall not exceed twelve per any period of six consecutive months, during which the participant is on a temporary leave of absence from the hospital or nursing home, provided that no such participant shall be allowed a temporary leave of absence unless it is specifically provided for in his plan of care. As used in this subdivision, the term "temporary leave of absence" shall include all periods of time during which a participant is away from the hospital or nursing home overnight because he is visiting a friend or relative;

[(10)] **(11)** Home health care services;

[(11)] **(12)** Family planning as defined by federal rules and regulations; provided, however, that such family planning services shall not include abortions unless such abortions are certified in writing by a physician to the MO HealthNet agency that, in the physician's professional judgment, the life of the mother would be endangered if the fetus were carried to term;

[(14)] **(15)** Personal care services which are medically oriented tasks having to do with a person's physical requirements, as opposed to housekeeping requirements, which enable a person to be treated by his or her physician on an outpatient rather than on an inpatient or residential basis in a hospital, intermediate care facility, or skilled nursing facility. Personal care services shall be rendered by an individual not a member of the participant's family who is qualified to provide such services where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a licensed nurse. Persons eligible to receive personal care services shall be those persons who would otherwise require placement in a hospital, intermediate care facility, or skilled nursing facility. Such provision shall terminate upon receipt of relevant waivers from the federal Department of Health and Human Services. If the Centers for Medicare and Medicaid Services determines that such provision does not comply with the state plan, this provision shall be null and void. The MO HealthNet division shall notify the revisor of statutes as to whether the relevant waivers are approved or a determination of noncompliance is made;

[(15)] **(16)** Mental health services. The state plan for providing medical assistance under Title XIX of the Social Security Act, 42 U.S.C. Section 301, as amended, shall include the following mental health services when such services are provided by community mental health facilities operated by the department of mental health or designated by the department of mental health as a community mental health facility or as an alcohol and drug abuse facility or as a child-serving agency within the comprehensive children's mental health service system established in section 630.097. The department of mental health shall establish by administrative rule the definition and criteria for designation as a community mental health facility and for designation as an alcohol and drug abuse facility. Such mental health services shall include:

(a) Outpatient mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(b) Clinic mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

As used in this section, mental health professional and alcohol and drug abuse professional shall be defined by the department of mental health pursuant to duly promulgated rules. With respect to services established by this subdivision, the department of social services, MO HealthNet division, shall enter into an agreement with the department of mental health. Matching funds for outpatient mental health services, clinic mental health services, and rehabilitation services for mental health and alcohol and drug abuse shall be certified by the department of mental health to the MO HealthNet division. The agreement shall establish a mechanism for the joint implementation of the provisions of this subdivision. In addition, the agreement shall establish a mechanism by which rates for services may be jointly developed;

[(16)] **(17)** Such additional services as defined by the MO HealthNet division to be furnished under waivers of federal statutory requirements as provided for and authorized by the federal Social Security Act (42 U.S.C. Section 301, et seq.) subject to appropriation by the general assembly;

[(17)] **(18)** The services of an advanced practice registered nurse with a collaborative practice agreement to the extent that such services are provided in accordance with chapters 334 and 335, and regulations promulgated thereunder;

[(18)] **(19)** Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection to reserve a bed for the participant in the nursing home during the time that the participant is absent due to admission to a hospital for services which cannot be performed on an outpatient basis, subject to the provisions of this subdivision:

(a) The provisions of this subdivision shall apply only if:

a. The occupancy rate of the nursing home is at or above ninety-seven percent of MO HealthNet certified licensed beds, according to the most recent quarterly census provided to the department of health and senior services which was taken prior to when the participant is admitted to the hospital; and

b. The patient is admitted to a hospital for a medical condition with an anticipated stay of three days or less;

(b) The payment to be made under this subdivision shall be provided for a maximum of three days per hospital stay;

(c) For each day that nursing home costs are paid on behalf of a participant under this subdivision during any period of six consecutive months such participant shall, during the same period of six consecutive months, be ineligible for payment of nursing home costs of two otherwise available temporary leave of absence days provided under subdivision (5) of this subsection; and

(d) The provisions of this subdivision shall not apply unless the nursing home receives notice from the participant or the participant's responsible party that the participant intends to return to the nursing home following the hospital stay. If the nursing home receives such notification and all other provisions of this subsection have been satisfied, the nursing home shall provide notice to the participant or the participant's responsible party prior to release of the reserved bed;

[(19)] **(20)** Prescribed medically necessary durable medical equipment. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

[(20)] **(21)** Hospice care. As used in this subdivision, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

[(21)] **(22)** Prescribed medically necessary dental services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

[(22)] **(23)** Prescribed medically necessary optometric services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

[(23)] **(24)** Blood clotting products-related services. For persons diagnosed with a bleeding disorder, as defined in section 338.400, reliant on blood clotting products, as defined in section 338.400, such services include:

the emergency deliveries of the product when medically necessary;

(b) Medically necessary ancillary infusion equipment and supplies required to administer the blood clotting products; and

(c) Assessments conducted in the participant's home by a pharmacist, nurse, or local home health care agency trained in bleeding disorders when deemed necessary by the participant's treating physician;

[(24)] **(25)** The MO HealthNet division shall, by January 1, 2008, and annually thereafter, report the status of MO HealthNet provider reimbursement rates as compared to one hundred percent of the Medicare reimbursement rates and compared to the average dental reimbursement rates paid by third-party payors licensed by the state. The MO HealthNet division shall, by July 1, 2008, provide to the general assembly a four-year plan to achieve parity with Medicare reimbursement rates and for third-party payor average dental reimbursement rates. Such plan shall be subject to appropriation and the division shall include in its annual budget request to the governor the necessary funding needed to complete the four-year plan developed under this subdivision.

2. Additional benefit payments for medical assistance shall be made on behalf of those eligible needy children, pregnant women and blind persons with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(6) Comprehensive day rehabilitation services beginning early posttrauma as part of a coordinated system of care for individuals with disabling impairments. Rehabilitation services must be based on an individualized, goal-oriented, comprehensive and coordinated treatment plan developed, implemented, and monitored through an interdisciplinary assessment designed to restore an individual to optimal level of physical, cognitive, and behavioral function. The MO HealthNet division shall establish by administrative rule the definition and criteria for designation of a comprehensive day rehabilitation service facility, benefit limitations and payment mechanism. Any rule or portion of a rule, as that term is defined in section 536.010,

that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

3. The MO HealthNet division may require any participant receiving MO HealthNet benefits to pay part of the charge or cost until July 1, 2008, and an additional payment after July 1, 2008, as defined by rule duly promulgated by the MO HealthNet division, for all covered services except for those services covered under subdivisions [(14)] **(15)** and [(15)] **(16)** of subsection 1 of this section and sections 208.631 to 208.657 to the extent and in the manner authorized by Title XIX of the federal Social Security Act (42 U.S.C. Section 1396, et seq.) and regulations thereunder. When substitution of a generic drug is permitted by the prescriber according to section 338.056, and a generic drug is substituted for a name-brand drug, the MO HealthNet division may not lower or delete the requirement to make a co-payment pursuant to regulations of Title XIX of the federal Social Security Act. A provider of goods or services described under this section must collect from all participants the additional payment that may be required by the MO HealthNet division under authority granted herein, if the division exercises that authority, to remain eligible as a provider. Any payments made by participants under this section shall be in addition to and not in lieu of payments made by the state for goods or services described herein except the participant portion of the pharmacy professional dispensing fee shall be in addition to and not in lieu of payments to pharmacists. A provider may collect the co-payment at the time a service is provided or at a later date. A provider shall not refuse to provide a service if a participant is unable to pay a required payment. If it is the routine business practice of a provider to terminate future services to an individual with an unclaimed debt, the provider may include uncollected co-payments under this practice. Providers who elect not to undertake the provision of services based on a history of bad debt shall give participants advance notice and a reasonable opportunity for payment. A provider, representative, employee, independent contractor, or agent of a pharmaceutical manufacturer shall not make co-payment for a participant. This subsection shall not apply to other qualified children, pregnant women, or blind persons. If the Centers for Medicare and Medicaid Services does not approve the MO HealthNet state plan amendment submitted by the department of social services that would allow a provider to deny future services to an individual with uncollected co-payments, the denial of services shall not be allowed. The department of social services shall inform providers regarding the acceptability of denying services as the result of unpaid co-payments.

4. The MO HealthNet division shall have the right to collect medication samples from participants in order to maintain program integrity.

5. Reimbursement for obstetrical and pediatric services under subdivision (6) of subsection 1 of this section shall be timely and sufficient to enlist enough health care providers so that care and services are available under the state plan for MO HealthNet benefits at least to the extent that such care and services are available to the general population in the geographic area, as required under subparagraph (a)(30)(A) of 42 U.S.C. Section 1396a and federal regulations promulgated thereunder.

6. Beginning July 1, 1990, reimbursement for services rendered in federally funded health centers shall be in accordance with the provisions of subsection 6402(c) and Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989) and federal regulations promulgated thereunder.

7. Beginning July 1, 1990, the department of social services shall provide notification and referral of children below age five, and pregnant, breast-feeding, or postpartum women who are determined to be eligible for MO HealthNet benefits under section 208.151 to the special supplemental food programs for women, infants and children administered by the department of health and senior services. Such notification and referral shall conform to the requirements of Section 6406 of P.L. 101-239 and regulations promulgated thereunder.

8. Providers of long-term care services shall be reimbursed for their costs in accordance with the provisions of Section 1902 (a)(13)(A) of the Social Security Act, 42 U.S.C. Section 1396a, as amended, and regulations promulgated thereunder.

9. Reimbursement rates to long-term care providers with respect to a total change in ownership, at arm's length, for any facility previously licensed and certified for participation in the MO HealthNet program shall not increase payments in excess of the increase that would result from the application of Section 1902 (a)(13)(C) of the Social Security Act, 42 U.S.C. Section 1396a (a)(13)(C).

10. The MO HealthNet division may enroll qualified residential care facilities and assisted living facilities, as defined in chapter 198, as MO HealthNet personal care providers.

11. Any income earned by individuals eligible for certified extended employment at a sheltered workshop under chapter 178 shall not be considered as income for purposes of determining eligibility under this section.

12. If the Missouri Medicaid audit and compliance unit changes any interpretation or application of the requirements for reimbursement for MO HealthNet services from the interpretation or application that has been applied previously by the state in any audit of a MO HealthNet provider, the Missouri Medicaid audit and compliance unit shall notify all affected MO HealthNet providers five business days before such change shall take effect. Failure of the Missouri Medicaid audit and compliance unit to notify a provider of such change shall entitle the provider to continue to receive and retain reimbursement until such notification is provided and shall waive any liability of such provider for recoupment or other loss of any payments previously made prior to the five business days after such notice has been sent. Each provider shall provide the Missouri Medicaid audit and compliance unit a valid email address and shall agree to receive communications electronically. The notification required under this section shall be delivered in writing by the United States Postal Service or electronic mail to each provider.

13. Nothing in this section shall be construed to abrogate or limit the department's statutory requirement to promulgate rules under chapter 536.

14. Beginning July 1, 2016, and subject to appropriations, providers of behavioral, social, and psychophysiological services for the prevention, treatment, or management of physical health problems shall be reimbursed utilizing the behavior assessment and intervention reimbursement codes 96150 to 96154 or their successor codes under the Current Procedural Terminology (CPT) coding system. No contract or other agreement shall limit the supervising physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any physician assistant, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by the hospital's medical staff.

12. Physician assistants shall file with the board a copy of their supervising physician form.

13. No physician shall be designated to serve as supervising physician for more than three full-time equivalent licensed physician assistants. (3) In conjunction with deans of medical schools and primary care residency program directors in the state, the development and implementation of educational methods and programs undertaken during the collaborative practice service which shall facilitate the advancement of the assistant physician's medical knowledge and capabilities, and which may lead to credit toward a future residency program for programs that deem such documented educational achievements acceptable; and

(4) The requirements for review of services provided under collaborative practice arrangements, including delegating authority to prescribe controlled substances.

Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. The state board of registration for the healing arts shall promulgate rules applicable to assistant physicians that shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

4. The state board of registration for the healing arts shall not deny, revoke, suspend, or otherwise take disciplinary action against a collaborating physician for health care services delegated to an assistant physician provided the provisions of this section and the rules promulgated thereunder are satisfied.

5. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice arrangement, including collaborative practice arrangements delegating the authority to prescribe controlled substances, and also report to the board the name of each assistant physician with whom the physician has entered into such arrangement. The board may make such information available to the public. The board shall track the reported information and may routinely conduct random reviews of such arrangements to ensure that arrangements are carried out for compliance under this chapter.

6. A collaborating physician shall not enter into a collaborative practice arrangement with more than three full-time equivalent assistant physicians. Such limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

7. The collaborating physician shall determine and document the completion of at least a one-month period of time during which the assistant physician shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. Such limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

8. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

9. No contract or other agreement shall require a physician to act as a collaborating physician for an assistant physician against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular assistant physician. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any assistant physician, but such requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by a hospital's medical staff.

10. No contract or other agreement shall require any assistant physician to serve as a collaborating assistant physician for any collaborating physician against the assistant physician's will. An assistant physician shall have the right to refuse to collaborate, without penalty, with a particular physician.

Prescriptions for Schedule II medications prescribed by an assistant physician who has a certificate of controlled substance prescriptive authority are restricted to only those medications containing hydrocodone. Such authority shall be filed with the state board of registration for the healing arts. The collaborating physician shall maintain the right to limit a specific scheduled drug or scheduled drug category that the assistant physician is permitted to prescribe. Any limitations shall be listed in the collaborative practice arrangement. Assistant physicians shall not prescribe controlled substances for themselves or members of their families. Schedule III controlled substances and Schedule II - hydrocodone prescriptions shall be limited to a five-day supply without refill. Assistant physicians who are authorized to prescribe controlled substances under this section shall register with the federal Drug Enforcement Administration and the state bureau of narcotics and dangerous drugs, and shall include the Drug Enforcement Administration registration number on prescriptions for controlled substances.

(2) The collaborating physician shall be responsible to determine and document the completion of at least one hundred twenty hours in a four-month period by the assistant physician during which the assistant physician shall practice with the collaborating physician on-site prior to prescribing controlled substances when the collaborating physician is not on-site. Such limitation shall not apply to assistant physicians of population-based public health services as defined in 20 CSR 2150-5.100 as of April 30, 2009.

(3) An assistant physician shall receive a certificate of controlled substance prescriptive authority from the state board of registration for the healing arts upon verification of licensure under section 334.036.

334.104. 1. A physician may enter into collaborative practice arrangements with registered professional

nurses. Collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols, or standing orders for the delivery of health care services. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer or dispense drugs and provide treatment as long as the delivery of such health care services is within the scope of practice of the registered professional nurse and is consistent with that nurse's skill, training and competence.

2. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer, dispense or prescribe drugs and provide treatment if the registered professional nurse is an advanced practice registered nurse as defined in subdivision (2) of section 335.016. Collaborative practice arrangements may delegate to an advanced practice registered nurse, as defined in section 335.016, the authority to administer, dispense, or prescribe controlled substances listed in Schedules III, IV, and V of section 195.017, and Schedule II - hydrocodone; except that, the collaborative practice arrangement shall not delegate the authority to administer any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone for the purpose of inducing sedation or general anesthesia for therapeutic, diagnostic, or surgical procedures. Schedule III narcotic controlled substance and Schedule II - hydrocodone prescriptions shall be limited to a one hundred twenty-hour supply without refill. Such collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols or standing orders for the delivery of health care services.

3. The written collaborative practice arrangement shall contain at least the following provisions:

(1) Complete names, home and business addresses, zip codes, and telephone numbers of the collaborating physician and the advanced practice registered nurse;

(2) A list of all other offices or locations besides those listed in subdivision (1) of this subsection where the collaborating physician authorized the advanced practice registered nurse to prescribe;

(a) Engage in collaborative practice consistent with each professional's skill, training, education, and competence;

(b) Maintain geographic proximity **of no further than seventy-five miles**, except the collaborative practice arrangement may allow for geographic proximity to be waived for a maximum of twenty-eight days per calendar year for rural health clinics as defined by P.L. 95-210, as long as the collaborative practice arrangement includes alternative plans as required in paragraph (c) of this subdivision. This exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics where the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider-based rural health clinics where the main location of the hospital sponsor is greater than fifty miles from the clinic.

The collaborating physician is required to maintain documentation related to this requirement and to present it to the state board of registration for the healing arts when requested; and

(c) Provide coverage during absence, incapacity, infirmity, or emergency by the collaborating physician;

(8) The duration of the written practice agreement between the collaborating physician and the advanced practice registered nurse;

(9) A description of the time and manner of the collaborating physician's review of the advanced practice registered nurse's delivery of health care services. The description shall include provisions that the advanced practice registered nurse shall submit a minimum of ten percent of the charts documenting the advanced practice registered nurse's delivery of health care services to the collaborating physician for review by the collaborating physician, or any other physician designated in the collaborative practice arrangement, every fourteen days; and

(10) The collaborating physician, or any other physician designated in the collaborative practice arrangement, shall review every fourteen days a minimum of twenty percent of the charts in which the advanced practice registered nurse prescribes controlled substances. The charts reviewed under this subdivision may be counted in the number of charts required to be reviewed under subdivision (9) of this subsection.

4. The state board of registration for the healing arts pursuant to section 334.125 and the board of nursing pursuant to section 335.036 may jointly promulgate rules regulating the use of collaborative practice arrangements. Such rules shall be limited to specifying geographic areas to be covered, the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined pursuant to chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse

provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, including collaborative practice agreements delegating the authority to prescribe controlled substances, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone.

8. A collaborating physician shall not enter into a collaborative practice arrangement with more than three full-time equivalent advanced practice registered nurses. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician.

A remote state may, in accordance with due process and that state’s laws, restrict, suspend, or revoke an individual’s privilege to practice in the remote state and may take any other necessary actions to protect the health and safety of its citizens. If a remote state takes action, it shall promptly notify the home state and the commission.

5. If an individual's license in any home state is restricted, suspended, or revoked, the individual shall not be eligible to practice in a remote state under the privilege to practice until the individual's home state license is restored.

(j) Matters specifically exempted from disclosure by federal or member state statute.

(5) If a meeting or portion of a meeting is closed under this section, the commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting

provision. The commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken and the reasons therefor, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the commission or order of a court of competent jurisdiction.

As soon as practicable, the commission shall make public a copy of the vote to close the meeting revealing the vote of each member with no proxy votes allowed;

(4) Establishing the titles, duties and authority, and reasonable procedures for the election of the officers of the commission;

(5) Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the commission. Notwithstanding any civil service or other similar laws of any member state, the bylaws shall exclusively govern the personnel policies and programs of the commission;

(6) Promulgating a code of ethics to address permissible and prohibited activities of commission members and employees;

(7) Providing a mechanism for winding up the operations of the commission and the equitable disposition of any surplus funds that may exist after the termination of the compact after the payment or reserving of all of its debts and obligations;

(8) The commission shall publish its bylaws and file a copy thereof, and a copy of any amendment thereto, with the appropriate agency or officer in each of the member states, if any;

- (8) Other information that may facilitate the administration of this compact, as determined by the rules of the commission.**

3. The coordinated database administrator shall promptly notify all member states of any adverse action taken against, or significant investigative information on, any individual in a member state.

4. Member states contributing information to the coordinated database may designate information that shall not be shared with the public without the express permission of the contributing state.

5. Any information submitted to the coordinated database that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the coordinated database.

334.1530. 1. The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

2. If a majority of the legislatures of the member states rejects a rule by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any member state.

3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

4. Prior to promulgation and adoption of a final rule or rules by the commission, and at least sixty days in advance of the meeting at which the rule or rules will be considered and voted upon, the commission shall file a notice of proposed rulemaking:

- (1) On the website of the commission; and**
- (2) On the website of each member state's EMS authority or the publication in which each state would otherwise publish proposed rules.**

5. The notice of proposed rulemaking shall include:

- (1) The proposed time, date, and location of the meeting at which the rule will be considered and voted upon;**
- (2) The text of the proposed rule or amendment and the reason for the proposed rule;**
- (3) A request for comments on the proposed rule from any interested person; and**

(4) The manner in which interested parties may submit notice to the commission of their intention to attend the public hearing and any written comments.

6. Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions, and arguments that shall be made available to the public.

7. The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

- (1) At least twenty-five persons;**
- (2) A governmental subdivision or agency; or**
- (3) An association having at least twenty-five members.**

8. If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing.

(1) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript shall bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subdivision shall not preclude the commission from making a transcript or recording of the hearing if it so chooses.

(4) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

9. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

10. The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

11. If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

12. Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing; provided that, the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted immediately in order to:

- (1) Meet an imminent threat to public health, safety, or welfare;**

(2) Prevent a loss of commission or member state funds;

(3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(4) Protect public health and safety.

13. The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

334.1533. 1. The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

2. All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceedings in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the commission.

3. The commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact, or promulgated rules.

4. If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(1) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default, or any other action to be taken by the commission; and

(2) Provide remedial training and specific technical assistance regarding the default.

5. If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

6. Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

7. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

8. The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact unless agreed upon in writing between the commission and the defaulting state.

9. The defaulting state may appeal the action of the commission by petitioning the United States District Court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

10. Upon a request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

11. The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

12. The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

13. By majority vote, the commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

14. The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

334.1536. 1. The compact shall come into effect on the date on which the compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the compact.

2. Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

3. Any member state may withdraw from this compact by enacting a statute repealing the same.

(1) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's EMS authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

4. Nothing contained in this compact shall be construed to invalidate or prevent any EMS personnel licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.

5. This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

334.1539. This compact shall be liberally construed so as to effectuate the purposes thereof. If this compact shall be held contrary to the constitution of any member state thereto, the compact shall remain in full force and effect as to the remaining member states. Nothing in this compact supersedes state law or rules related to licensure of EMS agencies.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Emergency clause defeated.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and passed **SCS#2** for **SB 128**.

With House Amendment No. 1, House Amendment No. 2, House Amendment No. 1 to House Amendment No. 3, House Amendment No. 2 to House Amendment No. 3, House Amendment No. 3 as amended, House Amendment No. 1 to House Amendment No. 4 and House Amendment No. 4 as amended.

HOUSE AMENDMENT NO. 1

Amend Senate Committee Substitute No. 2 for Senate Bill No. 128, Page 1, Section A, Line 2, by inserting immediately after said section and line the following:

“29.225. When requested by a prosecuting attorney or circuit attorney or law enforcement agency, the auditor or his or her authorized representatives may audit all or part of any political subdivision or other government entity as part of an investigation of improper government activities, including official misconduct, fraud, misappropriation, mismanagement, waste of resources, or a violation of state or federal law, rule, or regulation.

105.478. Any person guilty of knowingly violating any of the provisions of sections 105.450 to 105.498 shall be punished as follows:

(1) [For the first offense, such person is guilty of a] **The offense is a class B misdemeanor, unless the person has previously been found guilty of knowingly violating any of the provisions of sections 105.450 to 105.498, in which case such person shall be guilty of a class E felony;**

(2) [For the second and subsequent offenses] **For any offense involving more than seven hundred fifty dollars in value of any combination of goods or services, such person is guilty of a class E felony.**

210.845. 1. The provisions of any decree respecting support may be modified only upon a showing

of changed circumstances so substantial and continuing as to make the terms unreasonable. In a proceeding for modifications of any child support award, the court, in determining whether or not a substantial change in circumstances has occurred, shall consider all financial resources of both parties, including the extent to which the reasonable expenses of either party are, or should be, shared by a spouse or other person with whom he cohabits, and the earning capacity of a party who is not employed. If the application of the guidelines and criteria set forth in supreme court rule 88.01 to the financial circumstances of the parties would result in a change of child support from the existing amount by twenty percent or more, then a prima facie showing has been made of a change of circumstances so substantial and continuing as to make the present terms unreasonable.

2. When the party seeking modification has met the burden of proof set forth in subsection 1 of this section, the child support shall be determined in conformity with criteria set forth in supreme court rule 88.01.

3. A responsive pleading shall be filed in response to any motion to modify a child support or custody judgment.

252.069. Any agent of the conservation commission may enforce the provisions of sections 577.070 and 577.080 and arrest violators only upon the water, the banks thereof, or upon public land.

302.441. 1. If a person is required to have an ignition interlock device installed on such person's vehicle, he or she may apply to the court for an employment exemption variance to allow him or her to drive an employer-owned vehicle not equipped with an ignition interlock device for employment purposes only. Such exemption shall not be granted to a person who is self-employed or who wholly or partially owns **or controls** an entity that owns an employer-owned vehicle.

2. A person who is granted an employment exemption variance under subsection 1 of this section shall not drive, operate, or be in physical control of an employer-owned vehicle used for transporting children under eighteen years of age or vulnerable persons, as defined in section 630.005, or an employer-owned vehicle for personal use.

400.9-501. (a) Except as otherwise provided in subsection (b), if the local law of this state governs perfection of a security interest or agricultural lien, the office in which to file a financing statement to perfect the security interest or agricultural lien is:

(1) The office designated for the filing or recording of a record of a mortgage on the related real property, if:

(A) The collateral is as-extracted collateral or timber to be cut; or

(B) The financing statement is filed as a fixture filing and the collateral is goods that are or are to become fixtures; or

(2) The office of the secretary of state in all other cases, including a case in which the collateral is goods that are or are to become fixtures and the financing statement is not filed as a fixture filing.

(b) The office in which to file a financing statement to perfect a security interest in collateral, including fixtures, of a transmitting utility is the office of the secretary of state. The financing statement also constitutes a fixture filing as to the collateral indicated in the financing statement which is or is to

become fixtures.

[(c) A person shall not knowingly or intentionally file, attempt to file, or record any document related to real property with a recorder of deeds under chapter 59 or a financing statement with the secretary of state under subdivision (2) of subsection (a) or subsection (b) of this section, with the intent that such document or statement be used to harass or defraud any other person or knowingly or intentionally file, attempt to file, or record such a document or statement that is materially false or fraudulent.

(1) A person who violates this subsection shall be guilty of a class E felony.

(2) If a person is convicted of a violation under this subsection, the court may order restitution.

(d) In the alternative to the provisions of sections 428.105 through 428.135, if a person files a false or fraudulent financing statement with the secretary of state under subdivision (2) of subsection (a) or subsection (b) of this section, a debtor named in that financing statement may file an action against the person that filed the financing statement seeking appropriate equitable relief, actual damages, or punitive damages, including, but not limited to, reasonable attorney fees.]

452.370. 1. Except as otherwise provided in subsection 6 of section 452.325, the provisions of any judgment respecting maintenance or support may be modified only upon a showing of changed circumstances so substantial and continuing as to make the terms unreasonable. **A responsive pleading shall be filed in response to any motion to modify a child support or maintenance judgment.** In a proceeding for modification of any child support or maintenance judgment, the court, in determining whether or not a substantial change in circumstances has occurred, shall consider all financial resources of both parties, including the extent to which the reasonable expenses of either party are, or should be, shared by a spouse or other person with whom he or she cohabits, and the earning capacity of a party who is not employed. If the application of the child support guidelines and criteria set forth in section 452.340 and applicable supreme court rules to the financial circumstances of the parties would result in a change of child support from the existing amount by twenty percent or more, a prima facie showing has been made of a change of circumstances so substantial and continuing as to make the present terms unreasonable, if the existing amount was based upon the presumed amount pursuant to the child support guidelines.

2. When the party seeking modification has met the burden of proof set forth in subsection 1 of this section, the child support shall be determined in conformity with criteria set forth in section 452.340 and applicable supreme court rules.

3. Unless otherwise agreed in writing or expressly provided in the judgment, the obligation to pay future statutory maintenance is terminated upon the death of either party or the remarriage of the party receiving maintenance.

4. Unless otherwise agreed in writing or expressly provided in the judgment, provisions for the support of a child are terminated by emancipation of the child. The parent entitled to receive child support shall have the duty to notify the parent obligated to pay support of the child's emancipation and failing to do so, the parent entitled to receive child support shall be liable to the parent obligated to pay support for child support paid following emancipation of a minor child, plus interest.

5. If a parent has made an assignment of support rights to the family support division on behalf of

the state as a condition of eligibility for benefits pursuant to the Temporary Assistance for Needy Families program and either party initiates a motion to modify the support obligation by reducing it, the state of Missouri shall be named as a party to the proceeding. The state shall be served with a copy of the motion by sending it by certified mail to the director of the family support division.

6. The court shall have continuing personal jurisdiction over both the obligee and the obligor of a court order for child support or maintenance for the purpose of modifying such order. Both obligee and obligor shall notify, in writing, the clerk of the court in which the support or maintenance order was entered of any change of mailing address. If personal service of the motion cannot be had in this state, the motion to modify and notice of hearing shall be served outside the state as provided by supreme court rule 54.14. The order may be modified only as to support or maintenance installments which accrued subsequent to the date of personal service. For the purpose of 42 U.S.C. Section 666(a)(9)(C), the circuit clerk shall be considered the appropriate agent to receive notice of the motion to modify for the obligee or the obligor, but only in those instances in which personal service could not be had in this state.

7. If a responsive pleading raising the issues of custody or visitation is filed in response to a motion to modify child support filed at the request of the family support division by a prosecuting attorney or circuit attorney or an attorney under contract with the division, such responsive pleading shall be severed upon request.

8. Notwithstanding any provision of this section which requires a showing of substantial and continuing change in circumstances, in a IV-D case filed pursuant to this section by the family support division as provided in section 454.400, the court shall modify a support order in accordance with the guidelines and criteria set forth in supreme court rule 88.01 and any regulations thereunder if the amount in the current order differs from the amount which would be ordered in accordance with such guidelines or regulations.

452.747. 1. Any petition for modification of child custody decrees filed under the provisions of section 452.410 or sections 452.700 to 452.930 shall be verified and, if the original proceeding originated in the state of Missouri, shall be filed in that original case, but service shall be obtained and responsive pleadings [may] **shall** be filed as in any original proceeding.

2. Before making a decree under section 452.410 or sections 452.700 to 452.930, the litigants, any parent whose parental rights have not been previously terminated, and any person who has physical custody of the child shall be served in the manner provided by the rules of civil procedure and applicable court rules and [may] **shall** within thirty days after the date of service (forty-five days if service by publication) file a verified answer. If any such persons are outside this state, notice and opportunity to be heard shall be given under section 452.740.

454.500. 1. At any time after the entry of an order pursuant to sections 454.470 and 454.475, the obligated parent, the division, or the person or agency having custody of the dependent child may file a motion for modification with the director. Such motion shall be in writing, shall set forth the reasons for modification, and shall state the address of the moving party. The motion shall be served by the moving party in the manner provided for in subsection 5 of section 454.465 upon the obligated parent or the party holding the support rights, as appropriate. In addition, if the support rights are held by the family support division on behalf of the state, a true copy of the motion shall be mailed by the moving party by

certified mail to the person having custody of the dependent child at the last known address of that person. **The obligated parent or the party holding the support rights shall file a pleading in response to the motion to modify.** A hearing on the motion shall then be provided in the same manner, and determinations shall be based on considerations set out in section 454.475, unless the party served fails to respond within thirty days, in which case the director may enter an order by default. If the child for whom the order applies is no longer in the custody of a person receiving public assistance or receiving support enforcement services from the department, or a division thereof, pursuant to section 454.425, the director may certify the matter for hearing to the circuit court in which the order was filed pursuant to section 454.490 in lieu of holding a hearing pursuant to section 454.475. If the director certifies the matter for hearing to the circuit court, service of the motion to modify shall be had in accordance with the provisions of subsection 5 of section 452.370. If the director does not certify the matter for hearing to the circuit court, service of the motion to modify shall be considered complete upon personal service, or on the date of mailing, if sent by certified mail. For the purpose of 42 U.S.C. Section 666(a)(9)(C), the director shall be considered the appropriate agent to receive the notice of the motion to modify for the obligee or the obligor, but only in those instances in which the matter is not certified to circuit court for hearing, and only when service of the motion is attempted on the obligee or obligor by certified mail.

2. A motion for modification made pursuant to this section shall not stay the director from enforcing and collecting upon the existing order pending the modification proceeding unless so ordered by the court.

3. Only payments accruing subsequent to the service of the motion for modification upon all named parties to the motion may be modified. Modification may be granted only upon a showing of a change of circumstances so substantial and continuing as to make the terms unreasonable. In a proceeding for modification of any child support award, the director, in determining whether or not a substantial change in circumstances has occurred, shall consider all financial resources of both parties, including the extent to which the reasonable expenses of either party are, or should be, shared by a spouse or other person with whom he or she cohabits, and the earning capacity of a party who is not employed. If the application of the guidelines and criteria set forth in supreme court rule 88.01 to the financial circumstances of the parties would result in a change of child support from the existing amount by twenty percent or more, then a prima facie showing has been made of a change of circumstances so substantial and continuing as to make the present terms unreasonable.

4. If the division has entered an order under section 454.470 or 454.500, and an additional child or children not the subject of the order are born to the parties, the division may, following the filing of a motion to modify, service of process, and opportunity for a hearing pursuant to this section, modify the underlying child support order to include a single child support obligation for all children of the parties in conformity with the criteria set forth in supreme court rule 88.01.

5. The circuit court may, upon such terms as may be just, relieve a parent from an administrative order entered against that parent because of mistake, inadvertence, surprise, or excusable neglect.

6. No order entered pursuant to section 454.476 shall be modifiable pursuant to this section, except that an order entered pursuant to section 454.476 shall be amended by the director to conform with any modification made by the court that entered the court order upon which the director based his or her order.

7. When the party seeking modifications has met the burden of proof set forth in subsection 3 of this section, then the child support shall be determined in conformity with the criteria set forth in supreme court rule 88.01.

8. The last four digits of the Social Security number of the parents shall be recorded on any order entered pursuant to this section. The full Social Security number of each party and each child shall be retained in the manner required by section 509.520.

456.4-414. 1. After notice to the qualified beneficiaries, the trustee of a trust consisting of trust property having a total value less than [one hundred thousand] **two hundred fifty thousand** dollars may terminate the trust if the trustee concludes that the value of the trust property is insufficient to justify the cost of administration.

2. The court may modify or terminate a trust or remove the trustee and appoint a different trustee if it determines that the value of the trust property is insufficient to justify the cost of administration.

3. Upon termination of a trust under this section, the trustee shall distribute the trust property in a manner consistent with the purposes of the trust.

4. This section does not apply to an easement for conservation or preservation.

456.4-420. 1. If a trust instrument containing a no-contest clause is or has become irrevocable, an interested person may file a petition to the court for an interlocutory determination whether a particular motion, petition, or other claim for relief by the interested person would trigger application of the no-contest clause or would otherwise trigger a forfeiture that is enforceable under applicable law and public policy.

2. The petition described in subsection 1 of this section shall be verified under oath. The petition may be filed by an interested person either as a separate judicial proceeding, or brought with other claims for relief in a single judicial proceeding, all in the manner prescribed generally for such proceedings under this chapter. If a petition is joined with other claims for relief, the court shall enter its order or judgment on the petition before proceeding any further with any other claim for relief joined therein. In ruling on such a petition, the court shall consider the text of the clause, the context to the terms of the trust instrument as a whole, and in the context of the verified factual allegations in the petition. No evidence beyond the pleadings and the trust instrument shall be taken except as required to resolve an ambiguity in the no-contest clause.

3. An order or judgment determining a petition described in subsection 1 of this section shall have the effect set forth in subsections 4 and 5 of this section, and shall be subject to appeal as with other final judgments. If the order disposes of fewer than all claims for relief in a judicial proceeding, that order is subject to interlocutory appeal in accordance with the applicable rules for taking such an appeal. If an interlocutory appeal is taken, the court may stay the pending judicial proceeding until final disposition of said appeal on such terms and conditions as the court deems reasonable and proper under the circumstances. A final ruling on the applicability of a no-contest clause shall not preclude any later filing and adjudication of other claims related to the trust.

4. An order or judgment, in whole or in part, on a petition described in subsection 1 of this section shall result in the no-contest clause being enforceable to the extent of the court's ruling, and shall govern application of the no-contest clause to the extent that the interested person then proceeds forward

with the claims described therein. In the event such an interlocutory order or judgment is vacated, reversed, or otherwise modified on appeal, no interested person shall be prejudiced by any reliance, through action, inaction, or otherwise, on the order or judgment prior to final disposition of the appeal.

5. An order or judgment shall have effect only as to the specific trust terms and factual basis recited in the petition. If claims are later filed that are materially different than those upon which the order or judgment is based, then to the extent such new claims are raised, the party in whose favor the order or judgment was entered shall have no protection from enforcement of the no-contest clause otherwise afforded by the order and judgment entered under this section.

6. For purposes of this section, a “no-contest clause” shall mean a provision in a trust instrument purporting to rescind a donative transfer to, or a fiduciary appointment of, any person, or that otherwise effects a forfeiture of some or all of an interested person’s beneficial interest in a trust estate as a result of some action taken by the beneficiary. This definition shall not be construed in any way as determining whether a no-contest clause is enforceable under applicable law and public policy in a particular factual situation. As used in this section, the term “no-contest clause” shall also mean an “in terrorem clause”.

7. A no-contest clause is not enforceable against an interested person in, but not limited to, the following circumstances:

(1) Filing a motion, petition, or other claim for relief objecting to the jurisdiction or venue of the court over a proceeding concerning a trust, or over any person joined, or attempted to be joined, in such a proceeding;

(2) Filing a motion, petition, or other claim for relief concerning an accounting, report, or notice that has or should have been made by a trustee, provided the interested person otherwise has standing to do so under applicable law, including, but not limited to, section 456.6-603;

(3) Filing a motion, petition, or other claim for relief under chapter 475 concerning the appointment of a guardian or conservator for the settlor;

(4) Filing a motion, petition, or other claim for relief under chapter 404 concerning the settlor;

(5) Disclosure to any person of information concerning a trust instrument or that is relevant to a proceeding before the court concerning the trust instrument or property of the trust estate, unless such disclosure is otherwise prohibited by law;

(6) Filing a motion, pleading, or other claim for relief seeking approval of a nonjudicial settlement agreement concerning a trust instrument, as set forth in section 456.1-111;

(7) Filing a motion, pleading, or other claim for relief concerning a breach of trust by a trustee including, but not limited to, a claim under section 456.10-1001. For purposes of this subdivision, “breach of trust” means a trustee’s violation of the terms of a trust instrument, a violation of the trustee’s general fiduciary obligations, or a trustee’s violation of a duty that equity imposes on a trustee;

(8) Filing a motion, pleading, or other claim for relief concerning removal of a trustee including, but not limited to, a claim for removal under section 456.7-706;

(9) To the extent a petition under subsection 1 of this section is limited to the procedure and purpose

described therein.

8. In any proceeding brought under this section, the court may award costs, expenses, and attorneys' fees to any party, as provided in section 456.10-1004.

472.400. Sections 472.400 to 472.490 shall be known and may be cited as the “Missouri Fiduciary Access to Digital Assets Act”.

472.405. As used in sections 472.400 to 472.490, the following terms mean:

(1) “Access”, includes view, marshal, manage, copy, distribute, or delete;

(2) “Account”, an arrangement under a terms-of-service agreement in which a custodian carries, maintains, processes, receives, or stores a digital asset of the user or provides goods or services to the user;

(3) “Agent”, an attorney-in-fact granted authority under a durable or nondurable power of attorney;

(4) “Carries”, engages in the transmission of electronic communications;

(5) “Catalogue of electronic communications”, information that identifies each person with which a user has had an electronic communication, the time and date of the communication, and the electronic address of the person;

(6) “Conservator”, a person appointed by a court to have the care and custody of the estate of a minor or a disabled person. A “limited conservator” is one whose duties or powers are limited. The term “conservator”, as used in sections 472.400 to 472.490, includes limited conservator unless otherwise specified or apparent from the context;

(8) The amount of any accrued dividend or interest under, or loan value of, any one or more unmaturred life insurance contracts owned by such person under which the insured is such person or an individual of whom such person is a dependent; provided, however, that if proceedings under Title 11 of the United States Code are commenced by or against such person, the amount exempt in such proceedings shall not exceed in value one hundred fifty thousand dollars in the aggregate less any amount of property of such person transferred by the life insurance company or fraternal benefit society to itself in good faith if such transfer is to pay a premium or to carry out a nonforfeiture insurance option and is required to be so transferred automatically under a life insurance contract with such company or society that was entered into before commencement of such proceedings. No amount of any accrued dividend or interest under, or loan value of, any such life insurance contracts shall be exempt from any claim for child support. Notwithstanding anything to the contrary, no such amount shall be exempt in such proceedings under any such insurance contract which was purchased by such person within one year prior to the commencement of such proceedings;

a. Such plan or contract was established by or under the auspices of an insider that employed such person at the time such person's rights under such plan or contract arose;

b. Such payment is on account of age or length of service; and

c. Such plan or contract does not qualify under Section 401(a), 403(a), 403(b), 408, 408A or 409 of the Internal Revenue Code of 1986, as amended, (26 U.S.C. Section 401(a), 403(a), 403(b), 408, 408A or 409);

except that, any such payment to any person shall be subject to attachment or execution pursuant to a qualified domestic relations order, as defined by Section 414(p) of the Internal Revenue Code of 1986, as amended, issued by a court in any proceeding for dissolution of marriage or legal separation or a proceeding for disposition of property following dissolution of marriage by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to dispose of marital property at the time of the original judgment of dissolution;

The exemption amount for individual retirement arrangements shall be unlimited if allowed by federal law and otherwise limited to the maximum exemption allowed under federal law, including the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, as amended.** Any plan or arrangement described in this paragraph shall not be exempt from the claim of an alternate payee under a qualified domestic relations order; however, the interest of any and all alternate payees under a qualified domestic relations order shall be exempt from any and all claims of any creditor, other than the state of Missouri through its department of social services. As used in this paragraph, the terms "alternate payee" and "qualified

domestic relations order” have the meaning given to them in Section 414(p) of the Internal Revenue Code of 1986, as amended. If proceedings under Title 11 of the United States Code are commenced by or against such person, no amount of funds shall be exempt in such proceedings under any such plan, contract, or trust which is fraudulent as defined in subsection 2 of section 428.024 and for the period such person participated within three years prior to the commencement of such proceedings. For the purposes of this section, when the fraudulently conveyed funds are recovered and after, such funds shall be deducted and then treated as though the funds had never been contributed to the plan, contract, or trust;

(11) The debtor’s right to receive, or property that is traceable to, a payment on account of the wrongful death of an individual of whom the debtor was a dependent, to the extent reasonably necessary for the support of the debtor and any dependent of the debtor;

(12) Firearms, firearm accessories, and ammunition, not to exceed one thousand five hundred dollars in value in the aggregate.

2. Nothing in this section shall be interpreted to exempt from attachment or execution for a valid judicial or administrative order for the payment of child support or maintenance any money or assets, payable to a participant or beneficiary from, or any interest of any participant or beneficiary in, a retirement plan which is qualified pursuant to Section 408A of the Internal Revenue Code of 1986, as amended.

513.440. Each head of a family may select and hold, exempt from execution, any other property, real, personal or mixed, or debts and wages, not exceeding in value the amount of one thousand [two] **six** hundred fifty dollars plus [three] **four** hundred fifty dollars for each of such person’s unmarried dependent children under the age of twenty-one years or dependent as defined by the Internal Revenue Code of 1986, as amended, determined to be disabled by the Social Security Administration, except ten percent of any debt, income, salary or wages due such head of a family.

514.040. 1. Except as provided in subsection 3 of this section, if any court shall, before or after the commencement of any suit pending before it, be satisfied that the plaintiff is a poor person, and unable to prosecute his or her suit, and pay all or any portion of the costs and expenses thereof, such court may, in its discretion, permit him or her to commence and prosecute his or her action as a poor person, and thereupon such poor person shall have all necessary process and proceedings as in other cases, without fees, tax or charge as the court determines the person cannot pay; and the court may assign to such person counsel, who, as well as all other officers of the court, shall perform their duties in such suit without fee or reward as the court may excuse; but if judgment is entered for the plaintiff, costs shall be recovered, which shall be collected for the use of the officers of the court.

2. In any civil action brought in a court of this state by any offender convicted of a crime who is confined in any state prison or correctional center, the court shall not reduce the amount required as security for costs upon filing such suit to an amount of less than ten dollars pursuant to this section. This subsection shall not apply to any action for which no sum as security for costs is required to be paid upon filing such suit.

3. Where a party is represented in a civil action by a legal aid society or a legal services or other nonprofit organization funded in whole or substantial part by moneys appropriated by the general assembly of the state of Missouri, which has as its primary purpose the furnishing of legal services to

indigent persons, by a law school clinic which has as its primary purpose educating law students through furnishing legal services to indigent persons, or by private counsel working on behalf of or under the auspices of such society, all costs and expenses, **except guardian ad litem fees as provided by this subsection**, related to the prosecution of the suit may be waived without the necessity of a motion and court approval, provided that a determination has been made by such society or organization that such party is unable to pay the costs, fees and expenses necessary to prosecute or defend the action, and that a certification that such determination has been made is filed with the clerk of the court. **In the event an action involving the appointment of a guardian ad litem goes to trial, an updated certification shall be filed prior to the trial commencing. The waiver of guardian ad litem fees for a party who has filed a certification may be reviewed by the court at the conclusion of the action upon the motion of any party requesting the court to apportion guardian ad litem fees.**

4. Any party may present additional evidence on the financial condition of the parties. Based upon that evidence, if the court finds the certifying party has the present ability to pay, the court may enter judgment ordering the certifying party to pay a portion of the guardian ad litem fees.

5. Any failure to pay guardian ad litem fees shall not preclude a certifying party from filing future suits, including motions to modify, and shall not be used as a basis to limit the certifying party's prosecution or defense of the action.

515.575. 1. Except as otherwise ordered by the court, the entry of an order appointing a general receiver shall operate as a stay, applicable to all persons, of:

(1) The commencement or continuation, including the issuance, employment, or service of process, of a judicial, administrative, or other action or proceeding against the debtor that was or could have been commenced before the entry of the order of appointment, or to recover a claim against the debtor that arose before the entry of the order of appointment;

(2) The enforcement against the debtor or any estate property of a judgment obtained before the order of appointment;

(3) Any act to obtain possession of estate property from the receiver, or to interfere with, or exercise control over, estate property;

(4) Any act to create, perfect, or enforce any lien or claim against estate property except by exercise of a right of setoff, to the extent that the lien secures a claim against the debtor that arose before the entry of the order of appointment; or

(5) Any act to collect, assess, or recover a claim against the debtor that arose before the entry of the order of appointment.

2. The stay shall automatically expire as to the acts specified in subdivisions (1), (2), and [(3)] **(5)** of subsection 1 of this section sixty days after the entry of the order of appointment unless before the expiration of the sixty-day period the debtor or receiver, for good cause shown, obtains an order of the court extending the stay, after notice and a hearing. A person whose action or proceeding is stayed by motion to the court may seek relief from the stay for good cause shown. Any judgment obtained against the debtor or estate property following the entry of the order of appointment is not a lien against estate property unless the receivership is terminated prior to a conveyance of the property against which the judgment would otherwise constitute a lien.

3. The entry of an order appointing a receiver does not operate as a stay of:

(1) The commencement or continuation of a criminal proceeding against the debtor;

(2) The commencement or continuation of an action or proceeding to establish paternity, or to establish or modify an order for alimony, maintenance, or support, or to collect alimony, maintenance, or support under any order of a court;

(3) Any act to perfect or to maintain or continue the perfection of an interest in estate property pursuant to any generally applicable Missouri law that permits perfection of an interest in property to be effective against an entity that acquires rights in such property before the date of perfection. Such right to perfect an interest in estate property includes any act to perfect an interest in purchase money collateral pursuant to sections 400.9-301 to 400.9-339, perfection of a lien that may be placed against real property under the provisions of chapter 429, or the assertion of a right to continue in possession of any estate property that is in the possession of a person entitled to retain possession of such property pending payment for work performed with respect to such property. If perfection of an interest would otherwise require seizure of the property involved or the commencement of an action, the perfection shall instead be accomplished by filing, and by serving upon the receiver, or receiver's counsel, if any, notice of the interest within the time fixed by law for seizure or commencement;

(4) The commencement or continuation of an action or proceeding by a governmental unit to enforce its police or regulatory power;

(5) The enforcement of a judgment, other than a money judgment, obtained in an action or proceeding by a governmental unit to enforce its police or regulatory power, or with respect to any licensure of the debtor;

(6) The exercise of a right of setoff, including but not limited to, any right of a commodity broker, forward contract merchant, stockbroker, financial institution, or securities clearing agency to set off a claim for a margin payment or settlement payment arising out of a commodity contract, forward contract, or securities contract against cash, securities, or other property held or due from the commodity broker, forward contract merchant, stockbroker, financial institution, or securities clearing agency to margin, guarantee, secure, or settle the commodity contract, forward contract, or securities contract, and any right of a swap participant to set off a claim for a payment due to the swap participant under or in connection with a swap agreement against any payment due from the swap participant under or in connection with the swap agreement or against cash, securities, or other property of the debtor held by or due from the swap participant to guarantee, secure, or settle the swap agreement;

(7) The establishment by a governmental unit of any tax liability and any appeal thereof; or

(8) Any action pending in a court other than that in which the receiver is appointed until transcription of the order appointing the receiver or extending the stay is made to the other court in which an action against the debtor is pending.

4. For the purposes of subdivision (8) of subsection 3 of this section, the receiver or any party in interest is authorized to cause to be transcribed any order appointing a receiver or extending the stay to any and all courts in which any action against a debtor is pending in this state. A court that receives a transcript of an order of receivership or extension of stay may on its own order sua sponte transfer the matter before the court to the court issuing an order of receivership.

515.635. To the extent that funds are available in the estate for distribution to creditors in a general receivership, the holder of an allowed noncontingent, liquidated claim is entitled to receive interest at the legal rate or other applicable rate from the date of appointment of the receiver or the date on which the claim became a noncontingent, liquidated claim. If there are [sufficient] **insufficient** funds in the estate to fully pay all interest owing to all members of the class, then interest shall be paid proportionately to each member of the class.

544.671. Notwithstanding any supreme court rule or judicial ruling to the contrary, no defendant under a sentence of death or imprisonment in the penitentiary for life, or any sentence of imprisonment for a violation of section 579.065, 565.021, [or] 565.050, **565.052 in which the victim is a law enforcement officer, firefighter, or emergency medical service provider assaulted in the performance of his or her official duties or as a direct result of such official duties, 565.054 in which the victim is a law enforcement officer, firefighter, or emergency medical service provider assaulted in the performance of his or her official duties or as a direct result of such official duties, 565.056 in which the victim is a law enforcement officer, firefighter, or emergency medical service provider assaulted in the performance of his or her official duties or as a direct result of such official duties,** section 566.030, **566.031**, 566.032, 566.040 as it existed prior to August 28, 2013, 566.060, **566.061**, 566.062, 566.070 as it existed prior to August 28, 2013, or 566.100, and no defendant who has pled guilty to or been found guilty of any felony sexual offense under chapter 566, where the victim was less than seventeen years of age at the time the crime was committed, any sexual offense under chapter 568, where the victim was less than seventeen years of age at the time the crime was committed, or any pornographic offense involving a minor as set forth in sections 573.023, 573.025, 573.035, and 573.037, and any felony violation of section 573.040, shall be entitled to bail pending appeal after June 29, 1994. Pursuant to the prerogative of the general assembly to declare the public policy of this state in matters regarding criminal liability of persons and to enact laws relating to judicial procedure, the general assembly declares that subsequent to June 29, 1994, no person shall be entitled to bail or continuation of bail pursuant to section 547.170 if that person is under a sentence of death or imprisonment in the penitentiary for life, or any sentence of imprisonment for a violation of section 579.065, 565.021, [or] 565.050, **565.052 in which the victim is a law enforcement officer, firefighter, or emergency medical service provider assaulted in the performance of his or her official duties or as a direct result of such official duties, 565.054 in which the victim is a law enforcement officer, firefighter, or emergency medical service provider assaulted in the performance of his or her official duties or as a direct result of such official duties, 565.056 in which the victim is a law enforcement officer, firefighter, or emergency medical service provider assaulted in the performance of his or her official duties or as a direct result of such official duties,** section 566.030, **566.031**, 566.032, 566.040 as it existed prior to August 28, 2013, 566.060, **566.061**, 566.062, 566.070 as it existed prior to August 28, 2013, or 566.100, [and no defendant who] or if that **person** has pled guilty to or been found guilty of any felony sexual offense under chapter 566, where the victim was less than seventeen years of age at the time the crime was committed, any sexual offense under chapter 568, where the victim was less than seventeen years of age at the time the crime was committed, or any pornographic offense involving a minor as set forth in sections 573.023, 573.025, 573.035, and 573.037, and any felony violation of section 573.040.

552.020. 1. No person who as a result of mental disease or defect lacks capacity to understand the proceedings against him **or her** or to assist in his **or her** own defense shall be tried, convicted or

sentenced for the commission of an offense so long as the incapacity endures.

2. Whenever any judge has reasonable cause to believe that the accused lacks mental fitness to proceed, [he] **the judge** shall, upon his **or her** own motion or upon motion filed by the state or by or on behalf of the accused, by order of record, appoint one or more private psychiatrists or psychologists, as defined in section 632.005, or physicians with a minimum of one year training or experience in providing treatment or services to persons with an intellectual disability or developmental disability or mental illness, who are neither employees nor contractors of the department of mental health for purposes of performing the examination in question, to examine the accused; or shall direct the director to have the accused so examined by one or more psychiatrists or psychologists, as defined in section 632.005, or physicians with a minimum of one year training or experience in providing treatment or services to persons with an intellectual disability, developmental disability, or mental illness. The order shall direct that a written report or reports of such examination be filed with the clerk of the court. No private physician, psychiatrist, or psychologist shall be appointed by the court unless he **or she** has consented to act. The examinations ordered shall be made at such time and place and under such conditions as the court deems proper; except that, if the order directs the director of the department to have the accused examined, the director, or his **or her** designee, shall determine the time, place and conditions under which the examination shall be conducted. The order may include provisions for the interview of witnesses and may require the provision of police reports to the department for use in evaluations. The department shall establish standards and provide training for those individuals performing examinations pursuant to this section and section 552.030. No individual who is employed by or contracts with the department shall be designated to perform an examination pursuant to this chapter unless the individual meets the qualifications so established by the department. Any examination performed pursuant to this subsection shall be completed and filed with the court within sixty days of the order unless the court for good cause orders otherwise. Nothing in this section or section 552.030 shall be construed to permit psychologists to engage in any activity not authorized by chapter 337. One pretrial evaluation shall be provided at no charge to the defendant by the department. All costs of subsequent evaluations shall be assessed to the party requesting the evaluation.

3. A report of the examination made under this section shall include:

(1) Detailed findings;

(2) An opinion as to whether the accused has a mental disease or defect;

(3) An opinion based upon a reasonable degree of medical or psychological certainty as to whether the accused, as a result of a mental disease or defect, lacks capacity to understand the proceedings against him **or her** or to assist in his **or her** own defense;

(4) A recommendation as to whether the accused should be held in custody in a suitable hospital facility for treatment pending determination, by the court, of mental fitness to proceed; and

(5) A recommendation as to whether the accused, if found by the court to be mentally fit to proceed, should be detained in such hospital facility pending further proceedings.

4. If the accused has pleaded lack of responsibility due to mental disease or defect or has given the written notice provided in subsection 2 of section 552.030, the court shall order the report of the examination conducted pursuant to this section to include, in addition to the information required in

subsection 3 of this section, an opinion as to whether at the time of the alleged criminal conduct the accused, as a result of mental disease or defect, did not know or appreciate the nature, quality, or wrongfulness of his **or her** conduct or as a result of mental disease or defect was incapable of conforming his **or her** conduct to the requirements of law. A plea of not guilty by reason of mental disease or defect shall not be accepted by the court in the absence of any such pretrial evaluation which supports such a defense. In addition, if the accused has pleaded not guilty by reason of mental disease or defect, and the alleged crime is not a dangerous felony as defined in section 556.061, or those crimes set forth in subsection 11 of section 552.040, or the attempts thereof, the court shall order the report of the examination to include an opinion as to whether or not the accused should be immediately conditionally released by the court pursuant to the provisions of section 552.040 or should be committed to a mental health or developmental disability facility. If such an evaluation is conducted at the direction of the director of the department of mental health, the court shall also order the report of the examination to include an opinion as to the conditions of release which are consistent with the needs of the accused and the interest of public safety, including, but not limited to, the following factors:

- (1) Location and degree of necessary supervision of housing;
- (2) Location of and responsibilities for appropriate psychiatric, rehabilitation and aftercare services, including the frequency of such services;
- (3) Medication follow-up, including necessary testing to monitor medication compliance;
- (4) At least monthly contact with the department's forensic case monitor;
- (5) Any other conditions or supervision as may be warranted by the circumstances of the case.

5. If the report contains the recommendation that the accused should be committed to or held in a suitable hospital facility pending determination of the issue of mental fitness to proceed, and if the accused is not admitted to bail or released on other conditions, the court may order that the accused be committed to or held in a suitable hospital facility pending determination of the issue of mental fitness to proceed.

6. The clerk of the court shall deliver copies of the report to the prosecuting or circuit attorney and to the accused or his **or her** counsel. The report shall not be a public record or open to the public. Within ten days after the filing of the report, both the defendant and the state shall, upon written request, be entitled to an order granting them an examination of the accused by a psychiatrist or psychologist, as defined in section 632.005, or a physician with a minimum of one year training or experience in providing treatment or services to persons with an intellectual disability or developmental disability or mental illness, of their own choosing and at their own expense. An examination performed pursuant to this subsection shall be completed and a report filed with the court within sixty days of the date it is received by the department or private psychiatrist, psychologist or physician unless the court, for good cause, orders otherwise. A copy shall be furnished the opposing party.

7. If neither the state nor the accused nor his **or her** counsel requests a second examination relative to fitness to proceed or contests the findings of the report referred to in subsections 2 and 3 of this section, the court may make a determination and finding on the basis of the report filed or may hold a hearing on its own motion. If any such opinion is contested, the court shall hold a hearing on the issue. The court shall determine the issue of mental fitness to proceed and may impanel a jury of six persons to

assist in making the determination. The report or reports may be received in evidence at any hearing on the issue but the party contesting any opinion therein shall have the right to summon and to cross-examine the examiner who rendered such opinion and to offer evidence upon the issue.

8. At a hearing on the issue pursuant to subsection 7 of this section, the accused is presumed to have the mental fitness to proceed. The burden of proving that the accused does not have the mental fitness to proceed is by a preponderance of the evidence and the burden of going forward with the evidence is on the party raising the issue. The burden of going forward shall be on the state if the court raises the issue.

9. If the court determines that the accused lacks mental fitness to proceed, the criminal proceedings shall be suspended and the court shall commit him or her to the director of the department of mental health. **After the person has been committed, legal counsel for the department of mental health shall have standing to file motions and participate in hearings on the issue of involuntary medications.**

10. Any person committed pursuant to subsection 9 of this section shall be entitled to the writ of habeas corpus upon proper petition to the court that committed him or her. The issue of the mental fitness to proceed after commitment under subsection 9 of this section may also be raised by a motion filed by the director of the department of mental health or by the state, alleging the mental fitness of the accused to proceed. A report relating to the issue of the accused's mental fitness to proceed may be attached thereto. If the motion is not contested by the accused or his **or her** counsel or if after a hearing on a motion the court finds the accused mentally fit to proceed, or if he **or she** is ordered discharged from the director's custody upon a habeas corpus hearing, the criminal proceedings shall be resumed.

11. The following provisions shall apply after a commitment as provided in this section:

(1) Six months after such commitment, the court which ordered the accused committed shall order an examination by the head of the facility in which the accused is committed, or a qualified designee, to ascertain whether the accused is mentally fit to proceed and if not, whether there is a substantial probability that the accused will attain the mental fitness to proceed to trial in the foreseeable future. The order shall direct that written report or reports of the examination be filed with the clerk of the court within thirty days and the clerk shall deliver copies to the prosecuting attorney or circuit attorney and to the accused or his **or her** counsel. The report required by this subsection shall conform to the requirements under subsection 3 of this section with the additional requirement that it include an opinion, if the accused lacks mental fitness to proceed, as to whether there is a substantial probability that the accused will attain the mental fitness to proceed in the foreseeable future;

(2) Within ten days after the filing of the report, both the accused and the state shall, upon written request, be entitled to an order granting them an examination of the accused by a psychiatrist or psychologist, as defined in section 632.005, or a physician with a minimum of one year training or experience in providing treatment or services to persons with an intellectual disability or developmental disability or mental illness, of their own choosing and at their own expense. An examination performed pursuant to this subdivision shall be completed and filed with the court within thirty days unless the court, for good cause, orders otherwise. A copy shall be furnished to the opposing party;

(3) If neither the state nor the accused nor his **or her** counsel requests a second examination relative to fitness to proceed or contests the findings of the report referred to in subdivision (1) of this subsection, the court may make a determination and finding on the basis of the report filed, or may hold

a hearing on its own motion. If any such opinion is contested, the court shall hold a hearing on the issue. The report or reports may be received in evidence at any hearing on the issue but the party contesting any opinion therein relative to fitness to proceed shall have the right to summon and to cross-examine the examiner who rendered such opinion and to offer evidence upon the issue;

(4) If the accused is found mentally fit to proceed, the criminal proceedings shall be resumed;

(5) If it is found that the accused lacks mental fitness to proceed but there is a substantial probability the accused will be mentally fit to proceed in the reasonably foreseeable future, the court shall continue such commitment for a period not longer than six months, after which the court shall reinstitute the proceedings required under subdivision (1) of this subsection;

(6) If it is found that the accused lacks mental fitness to proceed and there is no substantial probability that the accused will be mentally fit to proceed in the reasonably foreseeable future, the court shall dismiss the charges without prejudice and the accused shall be discharged, but only if proper proceedings have been filed under chapter 632 or chapter 475, in which case those sections and no others will be applicable. The probate division of the circuit court shall have concurrent jurisdiction over the accused upon the filing of a proper pleading to determine if the accused shall be involuntarily detained under chapter 632, or to determine if the accused shall be declared incapacitated under chapter 475, and approved for admission by the guardian under section 632.120 or 633.120, to a mental health or developmental disability facility. When such proceedings are filed, the criminal charges shall be dismissed without prejudice if the court finds that the accused is mentally ill and should be committed or that he **or she** is incapacitated and should have a guardian appointed. The period of limitation on prosecuting any criminal offense shall be tolled during the period that the accused lacks mental fitness to proceed.

12. If the question of the accused's mental fitness to proceed was raised after a jury was impaneled to try the issues raised by a plea of not guilty and the court determines that the accused lacks the mental fitness to proceed or orders the accused committed for an examination pursuant to this section, the court may declare a mistrial. Declaration of a mistrial under these circumstances, or dismissal of the charges pursuant to subsection 11 of this section, does not constitute jeopardy, nor does it prohibit the trial, sentencing or execution of the accused for the same offense after he **or she** has been found restored to competency.

13. The result of any examinations made pursuant to this section shall not be a public record or open to the public.

14. No statement made by the accused in the course of any examination or treatment pursuant to this section and no information received by any examiner or other person in the course thereof, whether such examination or treatment was made with or without the consent of the accused or upon his **or her** motion or upon that of others, shall be admitted in evidence against the accused on the issue of guilt in any criminal proceeding then or thereafter pending in any court, state or federal. A finding by the court that the accused is mentally fit to proceed shall in no way prejudice the accused in a defense to the crime charged on the ground that at the time thereof he **or she** was afflicted with a mental disease or defect excluding responsibility, nor shall such finding by the court be introduced in evidence on that issue nor otherwise be brought to the notice of the jury.

557.035. 1. For all violations of **section 565.054 or 565.090**, subdivision (1) of subsection 1 of

2. In addition to other terms and conditions imposed on a person who has been found guilty of driving while intoxicated under section 577.010, such person shall complete a victim impact program approved by the court. 577.037. 1. Upon the trial of any person for any criminal offense or violations of county or municipal ordinances, or in any license suspension or revocation proceeding pursuant to the provisions of chapter 302, arising out of acts alleged to have been committed by any person while operating a vehicle, vessel, or aircraft, or acting as a flight crew member of any aircraft, while in an intoxicated condition or with an excessive blood alcohol content, the amount of alcohol in the person’s blood at the time of the act, as shown by any chemical analysis of the person’s blood, breath, saliva, or urine, is

admissible in evidence and the provisions of subdivision (5) of section 491.060 shall not prevent the admissibility or introduction of such evidence if otherwise admissible.

2. If a chemical analysis of the defendant's breath, blood, saliva, or urine demonstrates there was eight-hundredths of one percent or more by weight of alcohol in the person's blood, this shall be prima facie evidence that the person was intoxicated at the time the specimen was taken. If a chemical analysis of the defendant's breath, blood, saliva, or urine demonstrates that there was less than eight-hundredths of one percent of alcohol in the defendant's blood, any charge alleging a criminal offense related to the operation of a vehicle, vessel, or aircraft while in an intoxicated condition shall be dismissed with prejudice unless one or more of the following considerations cause the court to find a dismissal unwarranted:

(1) There is evidence that the chemical analysis is unreliable as evidence of the defendant's intoxication at the time of the alleged violation due to the lapse of time between the alleged violation and the obtaining of the specimen;

(2) There is evidence that the defendant was under the influence of a controlled substance, or drug, or a combination of either or both with or without alcohol; or

(3) There is substantial evidence of intoxication from physical observations of witnesses or admissions of the defendant.

3. Percent by weight of alcohol in the blood shall be based upon grams of alcohol per one hundred milliliters of blood or grams of alcohol per two hundred ten liters of breath.

4. The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question of whether the person was intoxicated.

5. A chemical analysis of a person's breath, blood, saliva or urine, in order to give rise to the presumption or to have the effect provided for in subsection 2 of this section, shall have been performed as provided in sections 577.020 to 577.041 and in accordance with methods and standards approved by the state department of health and senior services.

6. For any criminal offense, violation of a county or municipal ordinance, or in any license suspension or revocation proceeding under the provisions of chapter 302 arising out of acts alleged to have been committed by any person while operating a vehicle, vessel, or aircraft, or acting as a flight crew member of any aircraft, while in an intoxicated condition or with an excessive blood alcohol content occurring on or between the dates of December 30, 2012, and April 4, 2014, notwithstanding any other provision of law or regulation, a relevant chemical analysis of a person's breath shall be admissible in all proceedings after the effective date of this section if the standard simulator solutions used to verify and calibrate evidential breath analyzers had a vapor concentration within five percent of the following values:

(1) One-tenth of one percent;

(2) Eight-hundredths of one percent; or

(3) Four-hundredths of one percent;

and otherwise were in accordance with methods and standards approved by the department of health and senior services. This provision is a procedural rule and applies to all actions in

progress whether commenced before or after the effective date of this section. Such chemical breath analysis shall be admissible in all proceedings after the effective date of this section even if the offense occurred before the effective date of this section.

7. It is the intent of the legislature to reverse, overturn, and abrogate earlier case law interpretations related to the admissibility of chemical breath analyses to include, but not be limited to, holdings in *Stiers v. Dir. of Revenue*, 477 S.W.3d 611, (Mo. 2016); and *Stiers v. Dir. of Revenue*, ED 101407, 2015 WL 343310 (Mo.App. E.D. Jan. 27, 2015).

577.060. 1. A person commits the offense of leaving the scene of an accident when:

(1) Being the operator of a vehicle or a vessel involved in an accident resulting in injury or death or damage to property of another person; and

(2) Having knowledge of such accident he or she leaves the place of the injury, damage or accident without stopping and giving the following information to the other party or to a law enforcement officer, or if no law enforcement officer is in the vicinity, then to the nearest law enforcement agency:

(a) His or her name;

(b) His or her residence, including city and street number;

(c) The registration or license number for his or her vehicle or vessel; and

(d) His or her operator's license number, if any.

2. For the purposes of this section, all law enforcement officers shall have jurisdiction, when invited by an injured person, to enter the premises of any privately owned property for the purpose of investigating an accident and performing all necessary duties regarding such accident.

3. The offense of leaving the scene of an accident is:

(1) A class A misdemeanor; [or]

(2) A class E felony if:

(a) Physical injury was caused to another party; or

(b) Damage in excess of one thousand dollars was caused to the property of another person; or

(c) The defendant has previously been found guilty of any offense in violation of this section; or committed in another jurisdiction which, if committed in this state, would be a violation of an offense of this section; **or**

(3) A class D felony if a death has occurred as a result of the accident.

4. A law enforcement officer who investigates or receives information of an accident involving an all-terrain vehicle and also involving the loss of life or serious physical injury shall make a written report of the investigation or information received and such additional facts relating to the accident as may come to his or her knowledge, mail the information to the department of public safety, and keep a record thereof in his or her office.

5. The provisions of this section shall not apply to the operation of all-terrain vehicles when property damage is sustained in sanctioned all-terrain vehicle races, derbies and rallies.

589.664. 1. If an individual is a participant in the Address Confidentiality Program pursuant to section 589.663, no person or entity shall be compelled to disclose the participant's actual address during the discovery phase of or during a proceeding before a court or other tribunal unless the court or tribunal first finds, on the record, that:

(1) There is a reasonable belief that the address is needed to obtain information or evidence without which the investigation, prosecution, or litigation cannot proceed; and

(2) There is no other practicable way of obtaining the information or evidence.

2. The court must first provide the program participant and the secretary of state notice that address disclosure is sought.

3. The program participant shall have an opportunity to present evidence regarding the potential harm to the safety of the program participant if the address is disclosed. In determining whether to compel disclosure, the court must consider whether the potential harm to the safety of the participant is outweighed by the interest in disclosure.

4. Notwithstanding any other provision in law, no court shall order an individual who has had his or her application accepted by the secretary to disclose his or her actual address or location of his or her residence without giving the secretary proper notice. The secretary shall have the right to intervene in any civil proceeding in which a court is considering a participant to disclose their actual address.

5. Disclosure of a participant's actual address under this section shall be limited under the terms of the order to ensure that the disclosure and dissemination of the actual address will be no wider than necessary for the purposes of the investigation, prosecution, or litigation.

6. Nothing in this section prevents the court or other tribunal from issuing a protective order to prevent disclosure of information other than the participant's actual address that could reasonably lead to the discovery of the program participant's location.

589.675. If the secretary deems it appropriate, the secretary [shall] **may make a program participant's address and mailing address available for inspection or copying [under the following circumstances:**

(1)] to a person identified in a court order, upon the secretary's receipt of such court order that **complies with section 559.664 [specifically orders the disclosure of a particular program participant's address and mailing address and the reasons stated for the disclosure; or**

(2) If the certification has been cancelled because the applicant or program participant violated subdivision (2) of section 589.663].

595.045. 1. There is established in the state treasury the "Crime Victims' Compensation Fund". A surcharge of seven dollars and fifty cents shall be assessed as costs in each court proceeding filed in any court in the state in all criminal cases including violations of any county ordinance or any violation of criminal or traffic laws of the state, including an infraction and violation of a municipal ordinance; except that no such fee shall be collected in any proceeding in any court when the proceeding or the defendant has been dismissed by the court or when costs are to be paid by the state, county, or municipality. A surcharge of seven dollars and fifty cents shall be assessed as costs in a juvenile court proceeding in which a child is found by the court to come within the applicable provisions of

subdivision (3) of subsection 1 of section 211.031.

2. Notwithstanding any other provision of law to the contrary, the moneys collected by clerks of the courts pursuant to the provisions of subsection 1 of this section shall be collected and disbursed in accordance with sections 488.010 to 488.020 and shall be payable to the director of the department of revenue.

3. The director of revenue shall deposit annually the amount of two hundred fifty thousand dollars to the state forensic laboratory account administered by the department of public safety to provide financial assistance to defray expenses of crime laboratories if such analytical laboratories are registered with the federal Drug Enforcement Agency or the Missouri department of health and senior services. Subject to appropriations made therefor, such funds shall be distributed by the department of public safety to the crime laboratories serving the courts of this state making analysis of a controlled substance or analysis of blood, breath or urine in relation to a court proceeding.

4. The remaining funds collected under subsection 1 of this section shall be denoted to the payment of an annual appropriation for the administrative and operational costs of the office for victims of crime and, if a statewide automated crime victim notification system is established pursuant to section 650.310, to the monthly payment of expenditures actually incurred in the operation of such system. Additional remaining funds shall be subject to the following provisions:

(1) On the first of every month, the director of revenue or the director's designee shall determine the balance of the funds in the crime victims' compensation fund available to satisfy the amount of compensation payable pursuant to sections 595.010 to 595.075, excluding sections 595.050 and 595.055;

(2) Beginning on September 1, 2004, and on the first of each month, the director of revenue or the director's designee shall deposit fifty percent of the balance of funds available to the credit of the crime victims' compensation fund and fifty percent to the services to victims' fund established in section 595.100.

5. The director of revenue or such director's designee shall at least monthly report the moneys paid pursuant to this section into the crime victims' compensation fund and the services to victims fund to the department of public safety.

6. The moneys collected by clerks of municipal courts pursuant to subsection 1 of this section shall be collected and disbursed as provided by sections 488.010 to 488.020. Five percent of such moneys shall be payable to the city treasury of the city from which such funds were collected. The remaining ninety-five percent of such moneys shall be payable to the director of revenue. The funds received by the director of revenue pursuant to this subsection shall be distributed as follows:

(1) On the first of every month, the director of revenue or the director's designee shall determine the balance of the funds in the crime victims' compensation fund available to satisfy the amount of compensation payable pursuant to sections 595.010 to 595.075, excluding sections 595.050 and 595.055;

(2) Beginning on September 1, 2004, and on the first of each month the director of revenue or the director's designee shall deposit fifty percent of the balance of funds available to the credit of the crime victims' compensation fund and fifty percent to the services to victims' fund established in section

595.100.

7. These funds shall be subject to a biennial audit by the Missouri state auditor. Such audit shall include all records associated with crime victims' compensation funds collected, held or disbursed by any state agency.

8. In addition to the moneys collected pursuant to subsection 1 of this section, the court shall enter a judgment in favor of the state of Missouri, payable to the crime victims' compensation fund, of sixty-eight dollars upon a plea of guilty or a finding of guilt for a class A or B felony; forty-six dollars upon a plea of guilty or finding of guilt for a class C [or], D, **or** E felony; and ten dollars upon a plea of guilty or a finding of guilt for any misdemeanor under Missouri law except for those in chapter 252 relating to fish and game, chapter 302 relating to drivers' and commercial drivers' license, chapter 303 relating to motor vehicle financial responsibility, chapter 304 relating to traffic regulations, chapter 306 relating to watercraft regulation and licensing, and chapter 307 relating to vehicle equipment regulations. Any clerk of the court receiving moneys pursuant to such judgments shall collect and disburse such crime victims' compensation judgments in the manner provided by sections 488.010 to 488.020. Such funds shall be payable to the state treasury and deposited to the credit of the crime victims' compensation fund.

9. The clerk of the court processing such funds shall maintain records of all dispositions described in subsection 1 of this section and all dispositions where a judgment has been entered against a defendant in favor of the state of Missouri in accordance with this section; all payments made on judgments for alcohol-related traffic offenses; and any judgment or portion of a judgment entered but not collected. These records shall be subject to audit by the state auditor. The clerk of each court transmitting such funds shall report separately the amount of dollars collected on judgments entered for alcohol-related traffic offenses from other crime victims' compensation collections or services to victims collections.

10. The department of revenue shall maintain records of funds transmitted to the crime victims' compensation fund by each reporting court and collections pursuant to subsection 16 of this section and shall maintain separate records of collection for alcohol-related offenses.

11. The state courts administrator shall include in the annual report required by section 476.350 the circuit court caseloads and the number of crime victims' compensation judgments entered.

12. All awards made to injured victims under sections 595.010 to 595.105 and all appropriations for administration of sections 595.010 to 595.105, except sections 595.050 and 595.055, shall be made from the crime victims' compensation fund. Any unexpended balance remaining in the crime victims' compensation fund at the end of each biennium shall not be subject to the provision of section 33.080 requiring the transfer of such unexpended balance to the ordinary revenue fund of the state, but shall remain in the crime victims' compensation fund. In the event that there are insufficient funds in the crime victims' compensation fund to pay all claims in full, all claims shall be paid on a pro rata basis. If there are no funds in the crime victims' compensation fund, then no claim shall be paid until funds have again accumulated in the crime victims' compensation fund. When sufficient funds become available from the fund, awards which have not been paid shall be paid in chronological order with the oldest paid first. In the event an award was to be paid in installments and some remaining installments have not been paid due to a lack of funds, then when funds do become available that award shall be paid in full. All such awards on which installments remain due shall be paid in full in chronological order before any other postdated award shall be paid. Any award pursuant to this subsection is specifically not a claim

against the state, if it cannot be paid due to a lack of funds in the crime victims' compensation fund.

13. When judgment is entered against a defendant as provided in this section and such sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Missouri to such defendant an amount equal to the unpaid amount of such judgment. Such amount shall be paid forthwith to the crime victims' compensation fund and satisfaction of such judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for such judgment. The director of the department of corrections shall have the authority to pay into the crime victims' compensation fund from an offender's compensation or account the amount owed by the offender to the crime victims' compensation fund, provided that the offender has failed to pay the amount owed to the fund prior to entering a correctional facility of the department of corrections.

14. All interest earned as a result of investing funds in the crime victims' compensation fund shall be paid into the crime victims' compensation fund and not into the general revenue of this state.

15. Any person who knowingly makes a fraudulent claim or false statement in connection with any claim hereunder is guilty of a class A misdemeanor.

16. The department may receive gifts and contributions for the benefit of crime victims. Such gifts and contributions shall be credited to the crime victims' compensation fund as used solely for compensating victims under the provisions of sections 595.010 to 595.075.

595.219. 1. In addition to the court's authority to order a defendant to make restitution for the damage or loss caused by his or her offense as provided in section 559.105, the court may enter a judgment of restitution against the offenders convicted of official misconduct in the first or second degrees pursuant to the provisions of this section.

2. The court may order the defendant to make restitution to:

(1) The victim;

(2) Any governmental entity; or

(3) A third-party payor, including an insurer that has made payment to the victim to compensate the victim for a property loss or a pecuniary loss.

3. Restitution payments to the victim have priority over restitution payments to a third-party payor. If the victim has been compensated for the victim's loss by a third-party payor, the court may order restitution payments to the third-party payor in the amount that the third-party payor compensated the victim.

4. Payment of restitution to a victim under this section has priority over payment of restitution to any governmental entity.

5. A restitution hearing to determine the liability of the defendant shall be held not later than thirty days after final disposition of the case and may be extended by the court for good cause. In the restitution hearing, a written statement or bill for medical, dental, hospital, funeral, or burial expenses shall be prima facie evidence that the amount indicated on the written statement or bill represents a fair and reasonable charge for the services or materials provided. The burden of proving that the amount indicated on the written statement or bill is not fair and reasonable shall

be on the person challenging the fairness and reasonableness of the amount.

6. A judgment of restitution against a defendant may not be entered unless the defendant has been afforded a reasonable opportunity to be heard and to present appropriate evidence in his or her behalf. The defendant shall be advised of his or her right to obtain counsel for representation at the hearing. A hearing under this section may be held as part of a final disposition hearing for the case.

7. The judgment may be enforced in the same manner as enforcing monetary judgments by the prosecuting attorney on behalf of the victim.

8. A judgment of restitution ordered pursuant to this section against a defendant shall not be a bar to a proceeding against the defendant pursuant to section 537.045 or section 8.150 for the balance of the damages not paid pursuant to this section.

650.520. 1. There is hereby created a statewide program called the “Blue Alert System” referred to in this section as the “system” to aid in the identification, location, and apprehension of any individual or individuals suspected of killing or seriously wounding any local, state, or federal law enforcement officer.

2. For the purposes of this section, “law enforcement officer” means any public servant having both the power and duty to make arrests for violations of the laws of this state, and federal law enforcement officers authorized to carry firearms and to make arrests for violations of the laws of the United States.

3. The department of public safety shall develop regions to provide the system. The department of public safety shall coordinate local law enforcement agencies and public commercial television and radio broadcasters to provide an effective system. In the event that a local law enforcement agency opts not to set up a system and a killing or serious wounding of a law enforcement officer occurs within the jurisdiction, it shall notify the department of public safety who will notify local media in the region.

4. The blue alert system shall include all state agencies capable of providing urgent and timely information to the public together with broadcasters and other private entities that volunteer to participate in the dissemination of urgent public information. At a minimum, the blue alert system shall include the department of public safety, highway patrol, department of transportation, and Missouri lottery.

5. The department of public safety shall have the authority to develop, implement, and manage the blue alert system.

6. Participation in the blue alert system is entirely at the option of local law enforcement agencies, federally licensed radio and television broadcasters, and other private entities that volunteer to participate in the dissemination of urgent public information.

7. Any person who knowingly makes a false report that triggers an alert pursuant to this section is guilty of a class A misdemeanor.”; and

(c) would be a permissible distributee if the trust terminated on that date;

[(21)] (22) “Record” means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form;

[(23)] (24) “Settlor” means a person, including a testator, who creates, or contributes property to, a trust. 456.4-420. 1. If a trust instrument containing a no-contest clause is or has become irrevocable, an interested person may file a petition to the court for an interlocutory determination whether a particular motion, petition, or other claim for relief by the interested person would trigger application of the no-contest clause or would otherwise trigger a forfeiture that is enforceable under applicable law and public policy.

2. The petition described in subsection 1 of this section shall be verified under oath. The petition may be filed by an interested person either as a separate judicial proceeding, or brought with other claims for relief in a single judicial proceeding, all in the manner prescribed generally for such proceedings under this chapter. If a petition is joined with other claims for relief, the court shall enter its order or judgment on the petition before proceeding any further with any other claim for relief joined therein. In ruling on such a petition, the court shall consider the text of the clause, the context to the terms of the trust instrument as a whole, and in the context of the verified factual allegations in the petition. No evidence beyond the pleadings and the trust instrument shall be taken except as required to resolve an ambiguity in the no-contest clause.

3. An order or judgment determining a petition described in subsection 1 of this section shall have the effect set forth in subsections 4 and 5 of this section, and shall be subject to appeal as with other final judgments. If the order disposes of fewer than all claims for relief in a judicial proceeding, that order is subject to interlocutory appeal in accordance with the applicable rules for taking such an appeal. If an interlocutory appeal is taken, the court may stay the pending judicial proceeding until final disposition of said appeal on such terms and conditions as the court deems reasonable and proper under the circumstances. A final ruling on the applicability of a no-contest clause shall not preclude any later filing and adjudication of other claims related to the trust.

4. An order or judgment, in whole or in part, on a petition described in subsection 1 of this section shall result in the no-contest clause being enforceable to the extent of the court’s ruling, and shall

govern application of the no-contest clause to the extent that the interested person then proceeds forward with the claims described therein. In the event such an interlocutory order or judgment is vacated, reversed, or otherwise modified on appeal, no interested person shall be prejudiced by any reliance, through action, inaction, or otherwise, on the order or judgment prior to final disposition of the appeal.

5. An order or judgment shall have effect only as to the specific trust terms and factual basis recited in the petition. If claims are later filed that are materially different than those upon which the order or judgment is based, then to the extent such new claims are raised, the party in whose favor the order or judgment was entered shall have no protection from enforcement of the no-contest clause otherwise afforded by the order and judgment entered under this section.

6. For purposes of this section, a “no-contest clause” shall mean a provision in a trust instrument purporting to rescind a donative transfer to, or a fiduciary appointment of, any person, or that otherwise effects a forfeiture of some or all of an interested person’s beneficial interest in a trust estate as a result of some action taken by the beneficiary. This definition shall not be construed in any way as determining whether a no-contest clause is enforceable under applicable law and public policy in a particular factual situation. As used in this section, the term “no-contest clause” shall also mean an “in terrorem clause”.

7. A no-contest clause is not enforceable against an interested person in, but not limited to, the following circumstances:

(1) Filing a motion, petition, or other claim for relief objecting to the jurisdiction or venue of the court over a proceeding concerning a trust, or over any person joined, or attempted to be joined, in such a proceeding;

(2) Filing a motion, petition, or other claim for relief concerning an accounting, report, or notice that has or should have been made by a trustee, provided the interested person otherwise has standing to do so under applicable law, including, but not limited to, section 456.6-603;

(3) Filing a motion, petition, or other claim for relief under chapter 475 concerning the appointment of a guardian or conservator for the settlor;

(4) Filing a motion, petition, or other claim for relief under chapter 404 concerning the settlor;

(5) Disclosure to any person of information concerning a trust instrument or that is relevant to a proceeding before the court concerning the trust instrument or property of the trust estate, unless such disclosure is otherwise prohibited by law;

(6) Filing a motion, pleading, or other claim for relief seeking approval of a nonjudicial settlement agreement concerning a trust instrument, as set forth in section 456.1-111;

(7) Filing a motion, pleading, or other claim for relief concerning a breach of trust by a trustee including, but not limited to, a claim under section 456.10-1001. For purposes of this subdivision, “breach of trust” means a trustee’s violation of the terms of a trust instrument, a violation of the trustee’s general fiduciary obligations, or a trustee’s violation of a duty that equity imposes on a trustee;

(8) Filing a motion, pleading, or other claim for relief concerning removal of a trustee including, but not limited to, a claim for removal under section 456.7-706;

(9) To the extent a petition under subsection 1 of this section is limited to the procedure and purpose described therein.

8. In any proceeding brought under this section, the court may award costs, expenses, and attorneys' fees to any party, as provided in section 456.10-1004.

456.8-808. 1. While a trust is revocable, the trustee may follow a direction of the settlor that is contrary to the terms of the trust.

2. A trust instrument may provide for [the appointment of a trust protector. For purposes of this section, a "trust protector", whether referred to in the trust instrument by that name or by some other name, is a person, other than the settlor, a trustee, or a beneficiary, who is expressly granted in the trust instrument one or more powers over the trust] **one or more persons, not then serving as a trustee and not the settlor or a beneficiary, to be given any powers over the trust as expressly granted in the trust instrument. Any such person may be identified and appointed as a trust protector or similar term. Whenever a trust instrument names, appoints, authorizes, or otherwise designates a trust protector, the trust shall be deemed a directed trust.**

3. A trust protector appointed in the trust instrument shall have only the powers granted to the trust protector by the express terms of the trust instrument, and a trust protector is only authorized to act within the scope of the authority expressly granted in the trust instrument. Without limiting the authority of the settlor to grant powers to a trust protector, the express powers that may be granted include, but are not limited to, the following:

(1) Remove and appoint a trustee **or a trust protector** or name a successor trustee or trust protector;

(2) Modify or amend the trust instrument to:

(a) Achieve favorable tax status or respond to changes in the Internal Revenue Code or state law, or the rulings and regulations under such code or law;

(b) Reflect legal changes that affect trust administration;

(c) Correct errors or ambiguities that might otherwise require court construction; or

(d) Correct a drafting error that defeats a grantor's intent;

(3) Increase, decrease, modify, or restrict the interests of the beneficiary or beneficiaries of the trust;

(4) Terminate the trust in favor of the beneficiary or beneficiaries of the trust;

(5) Change the applicable law governing the trust and the trust situs; or

(6) Such other powers as are expressly granted to the trust protector in the trust instrument.

4. Notwithstanding any provision in the trust instrument to the contrary, a trust protector shall have no power to modify a trust to:

(1) Remove a requirement from a trust created to meet the requirements of 42 U.S.C. Section 1396p(d)(4) to pay back a governmental entity for benefits provided to the permissible beneficiary of the trust at the death of that beneficiary; or

(2) Reduce or eliminate an income interest of the income beneficiary of any of the following types

of trusts:

(a) A trust for which a marital deduction has been taken for federal tax purposes under Section 2056 or 2523 of the Internal Revenue Code or for state tax purposes under any comparable provision of applicable state law, during the life of the settlor's spouse;

(b) A charitable remainder trust under Section 664 of the Internal Revenue Code, during the life of the noncharitable beneficiary;

(c) A grantor retained annuity trust under Section 2702 of the Internal Revenue Code, during any period in which the settlor is a beneficiary; or

(d) A trust for which an election as a qualified Sub-Chapter S Trust under Section 1361(d) of the Internal Revenue Code is currently in place.

5. Except to the extent otherwise provided in a trust instrument specifically referring to this subsection, the trust protector shall not exercise a power in a way that would result in a taxable gift for federal gift tax purposes or cause the inclusion of any assets of the trust in the trust protector's gross estate for federal estate tax purposes.

6. Except to the extent otherwise provided in the trust instrument and in subsection 7 of this section, and notwithstanding any provision of sections 456.1-101 to 456.11-1106 to the contrary:

(1) A trust protector shall act in a fiduciary capacity in carrying out the powers granted to the trust protector in the trust instrument, and shall have such duties to the beneficiaries, the settlor, or the trust as set forth in the trust instrument; **provided, however, that the trust instrument may provide that the trust protector shall act in a nonfiduciary capacity.** A trust protector is not a trustee, and is not liable or accountable as a trustee when performing or declining to perform the express powers given to the trust protector in the trust instrument. A trust protector is not liable for the acts or omissions of any fiduciary or beneficiary under the trust instrument;

(2) A trust protector is exonerated from any and all liability for the trust protector's acts or omissions, or arising from any exercise or nonexercise of the powers expressly conferred on the trust protector in the trust instrument, unless it is established by a preponderance of the evidence that the acts or omissions of the trust protector were done or omitted in breach of the trust protector's duty, in bad faith or with reckless indifference;

(3) A trust protector is authorized to exercise the express powers granted in the trust instrument at any time and from time to time after the trust protector acquires knowledge of their appointment as trust protector and of the powers granted. **The trust protector may take any action, judicial or otherwise, necessary to carry out the duties given to the trust protector in the trust instrument;**

(4) A trust protector is entitled to receive, from the assets of the trust for which the trust protector is acting, reasonable compensation, and reimbursement of the reasonable costs and expenses incurred, in determining whether to carry out, and in carrying out, the express powers given to the trust protector in the trust instrument;

(5) A trust protector is entitled to receive, from the assets of the trust for which the trust protector is acting, reimbursement of the reasonable costs and expenses, including attorney's fees, of defending any claim made against the trust protector arising from the acts or omissions of the trust protector acting in

that capacity unless it is established by clear and convincing evidence that the trust protector was acting in bad faith or with reckless indifference; and

(6) The express powers granted in the trust instrument shall not be exercised by the trust protector for the trust protector's own personal benefit.

7. If a trust protector is granted a power in the trust instrument to direct, consent to, or disapprove a trustee's actual or proposed investment decision, distribution decision, or other decision of the trustee required to be performed under applicable trust law in carrying out the duties of the trustee in administering the trust, then only with respect to such power, excluding the powers identified in subsection 3 of this section, the trust protector shall have the same duties and liabilities as if serving as a trustee under the trust instrument **unless the trust instrument expressly provides otherwise. In carrying out any written directions given to the trustee by the trust protector concerning actual or proposed investment decisions, the trustee shall not be subject to the provisions of sections 469.900 to 469.913. For purposes of this subsection, "investment decisions" means, with respect to any investment, decisions to retain, purchase, sell, exchange, tender, or otherwise engage in transactions affecting the ownership of investments or rights therein, and, with respect to nonpublicly traded investments, the valuation thereof.**

8. **Any trustee of a directed trust shall not be accountable under the law or equity for any act or omission of a trust protector and shall stand absolved from liability for executing the decisions or instructions from a trust protector, or for monitoring the actions or inactions of a trust protector. A trustee shall take reasonable steps to facilitate the activity of a trust protector in a directed trust.** A trustee shall carry out the written directions given to the trustee by a trust protector acting within the scope of the powers expressly granted to the trust protector in the trust instrument. Except [in cases of bad faith or reckless indifference on the part of the trustee, or] as otherwise provided in the trust instrument, the trustee shall not be liable for any loss resulting directly or indirectly from any act taken or omitted as a result of the written direction of the trust protector or the failure of the trust protector to provide consent. Except as otherwise provided in the trust instrument, the trustee shall have no duty to monitor the conduct of the trust protector, provide advice to or consult with the trust protector, or communicate with or warn or apprise any beneficiary concerning instances in which the trustee would or might have exercised the trustee's own discretion in a manner different from the manner directed by the trust protector. **Except as otherwise provided in the trust instrument, any actions taken by the trustee at the trust protector's direction shall be deemed to be administrative actions taken by the trustee solely to allow the trustee to carry out the instructions of the trust protector, and shall not be deemed to constitute an act by the trustee to monitor the trust protector or otherwise participate in actions within the scope of the trust protector's authority.**

9. Except to the extent otherwise expressly provided in the trust instrument, the trust protector shall be entitled to receive information regarding the administration of the trust as follows:

(1) Upon the request of the trust protector, unless unreasonable under the circumstances, the trustee shall promptly provide to the trust protector any and all information related to the trust that may relate to the exercise or nonexercise of a power expressly granted to the trust protector in the trust instrument. The trustee has no obligation to provide any information to the trust protector except to the extent a trust protector requests information under this section;

(2) The request of the trust protector for information under this section shall be with respect to a single trust that is sufficiently identified to enable the trustee to locate the records of the trust; and

(3) If the trustee is bound by any confidentiality restrictions with respect to an asset of a trust, a trust protector who requests information under this section about such asset shall agree to be bound by the confidentiality restrictions that bind the trustee before receiving such information from the trustee.

10. A trust protector may resign by giving thirty days' written notice to the trustee and any successor trust protector. A successor trust protector, if any, shall have all the powers expressly granted in the trust instrument to the resigning trust protector unless such powers are expressly modified for the successor trust protector.

11. A trust protector of a trust having its principal place of administration in this state submits personally to the jurisdiction of the courts of this state during any period that the principal place of administration of the trust is located in this state and the trust protector is serving in such capacity. **The trust instrument may also provide that a trust protector is subject to the personal jurisdiction of the courts of this state as a condition of appointment.**”; and”; and

Any city, town or village, including those operating under a constitutional or special charter, may, and cities with a population of four hundred thousand or more shall, provide by ordinance or charter for the selection, tenure and compensation of a municipal judge or judges consistent with the provisions of this chapter who shall have original jurisdiction to hear and determine all violations against the ordinances of the municipality. The method of selection of municipal judges shall be provided by charter or ordinance. Each municipal judge shall be selected for a term of not less than two years as provided by charter or ordinance.

2. Except where prohibited by charter or ordinance, the municipal judge may be a part-time judge and may serve as municipal judge in more than one municipality.

3. No person shall serve as a municipal judge of any municipality with a population of seven thousand five hundred or more or of any municipality in a county of the first class with a charter form of government unless the person is licensed to practice law in this state unless, prior to January 2, 1979, such person has served as municipal judge of that same municipality for at least two years.

4. Notwithstanding any other statute, a municipal judge need not be a resident of the municipality or of the circuit in which the municipal judge serves except where ordinance or charter provides otherwise. Municipal judges shall be residents of Missouri.

5. Judges selected under the provisions of this section shall be municipal judges of the circuit court and shall be divisions of the circuit court of the circuit in which the municipality, or major geographical portion thereof, is located. The judges of these municipal divisions shall be subject to the rules of the circuit court which are not inconsistent with the rules of the supreme court. The presiding judge of the circuit shall have general administrative authority over the judges and court personnel of the municipal divisions within the circuit.

6. No municipal judge shall hold any other office in the municipality which the municipal judge serves as judge. The compensation of any municipal judge and other court personnel shall not be dependent in any way upon the number of cases tried, the number of guilty verdicts reached or the amount of fines imposed or collected.

7. Municipal judges shall be at least twenty-one years of age. No person shall serve as municipal judge after that person has reached that person's seventy-fifth birthday.

8. Within six months after selection for the position, each municipal judge who is not licensed to practice law in this state shall satisfactorily complete the course of instruction for municipal judges prescribed by the supreme court. The state courts administrator shall certify to the supreme court the names of those judges who satisfactorily complete the prescribed course. If a municipal judge fails to complete satisfactorily the prescribed course within six months after the municipal judge's selection as municipal judge, the municipal judge's office shall be deemed vacant and such person shall not thereafter be permitted to serve as a municipal judge, nor shall any compensation thereafter be paid to such person for serving as municipal judge.

9. No municipal judge shall serve as a municipal judge in more than five municipalities at one time. **A court that serves more than one municipality shall be treated as a single municipality for the purposes of this subsection.**

479.353. **1.** Notwithstanding any provisions to the contrary, the following conditions shall apply to minor traffic violations and municipal ordinance violations:

(1) The court shall not assess a fine, if combined with the amount of court costs, totaling in excess of:

(a) Two hundred twenty-five dollars for minor traffic violations; and

(b) For municipal ordinance violations committed within a twelve-month period beginning with the first violation: two hundred dollars for the first municipal ordinance violation, two hundred seventy-five dollars for the second municipal ordinance violation, three hundred fifty dollars for the third municipal ordinance violation, and four hundred fifty dollars for the fourth and any subsequent municipal ordinance violations;

(2) The court shall not sentence a person to confinement, except the court may sentence a person to confinement for any violation involving alcohol or controlled substances, violations endangering the health or welfare of others, or eluding or giving false information to a law enforcement officer;

(3) A person shall not be placed in confinement for failure to pay a fine unless such nonpayment violates terms of probation or unless the due process procedures mandated by Missouri supreme court rule 37.65 or its successor rule are strictly followed by the court;

(4) Court costs that apply shall be assessed against the defendant unless the court finds that the defendant is indigent based on standards set forth in determining such by the presiding judge of the circuit. Such standards shall reflect model rules and requirements to be developed by the supreme court; and

(5) No court costs shall be assessed if the defendant is found to be indigent under subdivision (4) of this section or if the case is dismissed.

2. When an individual has been held in custody on a notice to show cause warrant for an underlying minor traffic violation, the court, on its own motion or on the motion of any interested party, may review the original fine and sentence and waive or reduce such fine or sentence when the court finds it reasonable given the circumstances of the case.

479.354. For any notice to appear in court, citation, or summons on a minor traffic violation, the date and time the defendant is to appear in court shall be given when such notice to appear in court, citation, or summons is first provided to the defendant. Failure to provide such date and time shall render such notice to appear in court, citation, or summons void.”; and

2. As used in this section, the following terms shall mean:

(1) “AIM zone”, an area identified through a resolution passed by the port authority board of commissioners appointed under section 68.045 that is being developed or redeveloped for any purpose so long as any infrastructure and building built or improved is in the development area. The port authority board of commissioners shall file an annual report indicating the established AIM zones with the department of revenue;

(2) “County average wage”, the average wages in each county as determined by the Missouri department of economic development for the most recently completed full calendar year. However, if the computed county average wage is above the statewide average wage, the statewide average wage shall be deemed the county average wage for such county for the purpose of

determining eligibility;

(3) “New job”, the number of full-time employees located at the project facility that exceeds the project facility base employment less any decrease in the number of full-time employees at related facilities below the related facility base employment. No job that was created prior to the date of the notice of intent shall be deemed a new job. An employee that spends less than fifty percent of the employee’s work time at the facility is still considered to be located at a facility if the employee receives his or her directions and control from that facility, is on the facility’s payroll, one hundred percent of the employee’s income from such employment is Missouri income, and the employee is paid at or above the [state] **county** average wage.

3. Any port authority located in this state may establish an AIM zone. Such zone may only include the area within the port authority’s jurisdiction, **ownership, or control**, and may include any such area. The port authority shall determine the boundaries for each AIM zone, and more than one AIM zone may exist within the port authority’s jurisdiction **or under the port authority’s ownership or control, and may be expanded or contracted by resolution of the port authority board of commissioners.**

4. Fifty percent of the state tax withholdings imposed by sections 143.191 to 143.265 on new jobs within such zone after development or redevelopment has commenced shall not be remitted to the general **revenue** fund of the state of Missouri. Such moneys shall be deposited into the port authority AIM zone fund established under subsection 5 of this section for the purpose of continuing to expand, develop, and redevelop AIM zones identified by the port authority board of commissioners and may be used for managerial, engineering, legal, research, promotion, planning, satisfaction of bonds issued under section 68.040, and any other expenses.

5. There is hereby created in the state treasury the “Port Authority AIM Zone Fund”, which shall consist of money collected under this section. The state treasurer shall be custodian of the fund and shall approve disbursements from the fund in accordance with sections 30.170 and 30.180 to the port authorities from which the funds were collected, less the pro-rata portion appropriated by the general assembly to be used solely for the administration of this section which shall not exceed ten percent of the total amount collected within the zones of a port authority. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

6. The port authority shall approve any projects that begin construction and disperse any money collected under this section. The port authority shall submit an annual budget for the funds to the department of economic development explaining how and when such money will be spent.

7. The provision of section 23.253 notwithstanding, no AIM zone may be established after August 28, 2023. Any AIM zone created prior to that date shall continue to exist and be coterminous with the retirement of all debts incurred under subsection 4 of this section. No debts may be incurred or reauthorized using AIM zone revenue after August 28, 2023.”; and

(3) Provide for service of adequate notice of the declaration of nuisance, which notice shall specify that the nuisance is to be abated, listing a reasonable time for commencement, and may provide that such notice be served either by personal service or by certified mail, return receipt requested, but if service cannot be had by either of these modes of service, then service may be had by publication. The ordinances shall further provide that the owner, occupant, lessee, mortgagee, agent, and all other persons having an interest in the property as shown by the land records of the recorder of deeds of the county wherein the property is located shall be made parties;

(4) Provide that upon failure to commence work of abating the nuisance within the time specified or upon failure to proceed continuously with the work without unnecessary delay, the building commissioner or designated officer or officers shall call and have a full and adequate hearing upon the matter before the county commission, giving the affected parties at least ten days' written notice of the hearing. Any party may be represented by counsel, and all parties shall have an opportunity to be heard. After the hearings, if evidence supports a finding that the property is a nuisance or detrimental to the health, safety, or welfare of the residents of the county, the county commission shall issue an order making specific findings of fact, based upon competent and substantial evidence, which shows the property to be a nuisance and detrimental to the health, safety, or welfare of the residents of the county and ordering the nuisance abated. If the evidence does not support a finding that the property is a nuisance or detrimental to the health, safety, or welfare of the residents of the county, no order shall be issued.

4. Any ordinance authorized by this section may provide that if the owner fails to begin abating the nuisance within a specific time which shall not be longer than seven days of receiving notice that the nuisance has been ordered removed, the building commissioner or designated officer shall cause the condition which constitutes the nuisance to be removed. If the building commissioner or designated officer causes such condition to be removed or abated, the cost of such removal shall be certified to the county clerk or officer in charge of finance who shall cause the certified cost to be included in a special

tax bill or added to the annual real estate tax bill, at the county collector's option, for the property and the certified cost shall be collected by the county collector in the same manner and procedure for collecting real estate taxes. If the certified cost is not paid, the tax bill shall be considered delinquent, and the collection of the delinquent bill shall be governed by the laws governing delinquent and back taxes. The tax bill from the date of its issuance shall be deemed a personal debt against the owner and shall also be a lien on the property until paid.

5. Nothing in this section authorizes any county to enact nuisance abatement ordinances that provide for the abatement of any condition relating to agricultural structures or agricultural operations, including but not limited to the raising of livestock or row crops.

6. No county of the first, second, third, or fourth classification shall have the power to adopt any ordinance, resolution, or regulation under this section governing any railroad company regulated by the Federal Railroad Administration.”; and

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the county of (county’s name) impose a countywide sales tax of (insert amount) and reduce its total property tax levy annually by (insert amount) percent of the total amount of sales tax revenue collected in the same tax year?

☐ YES

☐ NO

If you are in favor of the question, place an “X” in the box opposite “YES”. If you are opposed to the question, place an “X” in the box opposite “NO”.

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the county shall have no power to impose the sales tax and reduce the property tax as herein authorized unless and until the governing body of the county shall again have submitted another proposal to authorize the governing body of the county to impose the sales tax and reduce the property tax under the provisions of sections 67.500 to 67.545 and such proposal is approved by a majority of the qualified voters voting thereon.

3. The sales tax may be imposed at a rate of one-fourth of one percent, three-eighths of one percent or one-half of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within any county adopting such tax, if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525. Each year in which a sales tax is imposed under the provisions of sections 67.500 to 67.545, the county shall, after

determining its budget, excluding funds required to be set aside and placed to the credit of special road districts, within the limits set by the constitution and laws of this state for the following calendar year and the total property tax levy needed to raise the revenues required by such budget, reduce that total property tax levy in an amount sufficient to decrease the total property taxes it will collect by an amount equal to one of the following:

(1) Fifty percent of the sales tax revenue collected in the tax year for which the property taxes are being levied;

4. No county in this state shall impose a tax under this section for the purpose of funding in whole or in part the construction, operation, or maintenance of any zoological activities, zoological facilities, zoological organizations, the metropolitan zoological park and museum district as created under section 184.350, or any zoological boards.

67.547. 1. In addition to the tax authorized by section 67.505, any county **as defined in section 67.750** may, by a majority vote of its governing body, impose an additional county sales tax on all sales which are subject to taxation under the provisions of sections 144.010 to 144.525. The tax authorized by this section shall be in addition to any and all other sales tax allowed by law; except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose such tax.

2. The ballot of submission shall contain, but need not be limited to the following language:

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the

proposal, then the ordinance or order and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the county shall have no power to impose the sales tax as herein authorized unless and until the governing body of the county submits another proposal to authorize the governing body of the county to impose the sales tax under the provisions of this section and such proposal is approved by a majority of the qualified voters voting thereon. **A county shall not submit to the voters a proposed sales tax under this section for a period of two years from the date of an election in which the county previously submitted to the voters a proposed sales tax under this section, regardless of whether the initial proposed sales tax was approved or disapproved by the voters. The revenue collected from the sales tax authorized under this section shall only be used for the purpose approved by voters of the county.**

3. The sales tax may be imposed at a rate of one-eighth of one percent, one-fourth of one percent, three-eighths of one percent, or one-half of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within any county adopting such tax[,] if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525. **In any city not within a county or any county described in subsection 5 of this section, no sales tax for the purpose of funding zoological activities and zoological facilities as those terms are defined in section 184.500 shall exceed a rate of one-eighth of one percent unless the sales tax was levied and collected before August 28, 2017. 6. **Except as prohibited under section 184.353, residents of any county that does not adopt a sales tax under this section for the purpose of supporting zoological activities may be charged an admission fee for zoological facilities, programs, or events that are not part of the zoological subdistrict defined under subsection 15 of section 184.352 as of August 28, 2017.**

7. In any county of the second classification with more than nineteen thousand seven hundred but fewer than nineteen thousand eight hundred inhabitants, the proceeds of the sales tax authorized by this section shall be distributed so that an amount equal to three-fourths of the proceeds of the tax shall be distributed to the county and the remaining one-fourth shall be distributed equally among the

[8.] **9.** No county in this state, other than a county with a charter form of government and with more than nine hundred fifty thousand inhabitants and a city not within a county, shall impose a tax under this section for the purpose of funding in whole or in part the construction, operation, or maintenance of any zoological activities, zoological facilities, zoological organizations, the metropolitan zoological park and museum district as created under section 184.350, or any zoological boards.

10. 2. The sales tax may be imposed at a rate of one-half of one percent, seven-eighths of one percent or one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within any city adopting such tax, if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525; except that, each city not within a county may impose such tax at a rate not to exceed one and three-eighths percent. **Beginning August 28, 2017, no city shall submit to the voters any proposal that results in a combined rate of sales taxes adopted under this section in excess of two percent.**

HOUSE AMENDMENT NO. 6

Amend House Committee Substitute for Senate Bill No. 30, Page 1, Section A, Line 2, by inserting the following after all of said line:

“59.800. 1. Beginning on July 1, 2001, notwithstanding any other condition precedent required by law to the recording of any instrument specified in subdivisions (1) and (2) **of subsection 1** of section 59.330, an additional fee of [five] **six** dollars shall be charged and collected by every recorder of deeds

in this state on each instrument recorded. The additional fee shall be distributed as follows:

(1) One dollar and twenty-five cents to the recorder's fund established pursuant to subsection 1 of section 59.319, provided, however, that all funds received pursuant to this section shall be used exclusively for the purchase, installation, upgrade and maintenance of modern technology necessary to operate the recorder's office in an efficient manner;

(2) One dollar and seventy-five cents to the county general revenue fund; and

(3) [Two] **Three** dollars to the fund established in subsection 2 of this section.

2. **(1)** There is hereby established a revolving fund known as the "Statutory County Recorder's Fund", which shall receive funds paid to the recorders of deeds of the counties of this state pursuant to subdivision (3) of subsection 1 of this section. The director of the department of revenue shall be custodian of the fund and shall make disbursements from the fund for the purpose of subsidizing the fees collected by counties that hereafter elect or have heretofore elected to separate the offices of clerk of the circuit court and recorder. The subsidy shall consist of the total amount of moneys collected pursuant to subdivisions (1) and (2) of subsection 1 of this section subtracted from fifty-five thousand dollars, **except if the annual average of funds collected under subsection 1 over the previous three-year period is insufficient to meet all obligations calculated in this subdivision and in which case the provisions of subdivision (2) of this subsection shall apply.** The moneys paid to qualifying counties pursuant to this subsection shall be deposited in the county general revenue fund. For purposes of this section a "qualified county" is a county that hereafter elects or has heretofore elected to separate the offices of clerk of the circuit court and recorder and in which the office of the recorder of deeds collects less than fifty-five thousand dollars in fees pursuant to subdivisions (1) and (2) of subsection 1 of this section, on an annual basis. Moneys in the statutory county recorder's fund shall not be considered state funds and shall be deemed nonstate funds.

(2) If funds collected under subdivision (3) of subsection 1 of this section are insufficient to meet obligations set out in subsection 1 of this section, the department of revenue shall calculate the projected shortfall that would otherwise be incurred using the formula set out above. If the fund balance is greater than the annual average disbursement of the previous three years, then up to thirty-three percent of such excess may be used to meet the obligation. If this amount is insufficient or unavailable, the director of the department of revenue shall set a new requisite amount to determine a qualified county under subdivision (1) of this subsection other than fifty-five thousand dollars, which reflects the revenue collected under subdivision (3) of subsection 1 of this section plus an additional thirty-three percent should the balance exist in the statutory recorder's fund."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 7

Amend House Committee Substitute for Senate Bill No. 30, Page 2, Section 88.770, Line 41, by inserting the following after all of said section and line:

3. Road damage or obstruction shall not constitute violations under this section when farming or ranching lands have been improved using soil and water conservation practices implemented in conformance with the Missouri soil and water conservation program or natural resources conservation service technical standards.

4. The road overseer of any district, or county highway engineer, who finds any road **damaged or** obstructed as above specified, [shall] **may** notify the [person] **landowner** violating the provisions of this section, [verbally or] in writing, **using any mail service with delivery tracking**, to remove such obstruction, **to repair such damage in a manner approved by the road overseer or county highway engineer making the request, or to pay the reasonable cost of such removal or repair.** [Within ten days after being notified, he shall pay the sum of five dollars for each and every day after the tenth day if such obstruction is maintained or permitted to remain; such fine to be recovered by suit brought by the road overseer, in the name of the road district, in any court of competent jurisdiction] **If the landowner fails to remove any obstruction, make any repairs, or remit any payment of costs as requested within thirty days of the tracked delivery date, the road overseer or county highway engineer may petition the associate circuit court of the county in which the land is located to authorize the overseer or engineer or an agent or employee thereof, to enter the landowner's land to remove the obstruction or to repair the damage, in order to restore the roadway or drainage ditch to a condition substantially the same as the adjacent roadways and drainage ditches. Such entry on the landowner's lands shall be limited to the extent necessary to repair the roadway or drainage ditch, and shall constitute no cause of action for trespass. Such authorization and entry shall not be granted until the opportunity for a hearing has been completed and the petition has been granted. The petition shall include an estimate of the costs.**

5. If the court enters a judgment granting the petition and authorizing the actions requested therein, the judgment shall include an award for the reasonable cost of removal or repair, court costs, and reasonable attorney's fees, and shall become a lien on such lands, and shall be collected as state and county taxes are collected by law. If the court denies the petition, the county shall be responsible for the landowner's court costs and reasonable attorney's fees."; and

The commission shall on or before November 1, 2018, divide the school district into five subdistricts, all subdistricts being of compact and contiguous territory and as nearly equal in the number of inhabitants as practicable and thereafter the board shall redistrict the district into subdivisions as soon as practicable after each United States decennial census. In establishing the subdistricts each member shall have one vote and a majority vote of the total membership of the commission is required to make effective any action of the commission.

2. School elections for the election of directors shall be held on municipal election days in 2014 and 2016. At the election in 2014, directors shall be elected to hold office until 2019 and until their successors are elected and qualified. At the election in 2016, directors shall be elected until 2019 and until their successors are elected and qualified. Beginning in 2019, school elections for the election of directors shall be held on the local election date as specified in the charter of a home rule city with more than four hundred thousand inhabitants and located in more than one county. Beginning at the election for school directors in 2019, the number of directors on the board shall be reduced from nine to seven. Two directors shall be at-large directors and five directors shall represent the subdistricts, with one director from each of the subdistricts. [Directors shall serve a four-year term] **At the 2019 election, one of the at-large directors and the directors from subdistricts one, three, and five shall be elected for a two-year term, and the other at-large director and the directors from subdistricts two and four shall be elected for a four-year term. Thereafter, all seven directors shall serve a four-year term.** Directors shall serve until the next election and until their successors, then elected, are duly qualified as provided in this section. In addition to other qualifications prescribed by law, each member elected from a subdistrict shall be a resident of the subdistrict from which he or she is elected. The name of no candidate for nomination shall be printed on the ballot unless the candidate has at least sixty days prior to the election filed a declaration of candidacy with the secretary of the board of directors containing the signatures of at least two hundred fifty registered voters who are residents of the subdistrict within which the candidate for nomination to a subdistrict office resides, and in case of at-large candidates the signatures of at least five hundred registered voters. The election authority shall determine the validity of all signatures on declarations of candidacy.

4. In any election either for at-large candidates or candidates elected by the voters of subdistricts, if there are more than two candidates, a majority of the votes are not required to elect but the candidate having a plurality of the votes [if there is only one office to be filled and the candidates having the highest number of votes, if more than one office is to be filled,] shall be elected.

5. The names of all candidates shall appear upon the ballot without party designation and in the order of the priority of the times of filing their petitions of nomination. No candidate may file both at large and from a subdistrict and the names of all candidates shall appear only once on the ballot, nor may any candidate file more than one declaration of candidacy. The state board of education shall order a special election to fill such a vacancy. A letter from the commissioner of education, delivered by certified mail to the election authority or authorities that would normally conduct an election for school board members shall be the authority for the election authority or authorities to proceed with election procedures. If a vacancy occurs less than six months prior to the time of holding an election as provided in subsection 2 of this section, no special election shall occur and the vacancy shall be filled at the next election day on which local elections are held as specified in the charter of any home rule city with more than four hundred thousand inhabitants and located in more than one county.”; and

In any fiscal year no member of the governing body of any political subdivision of the state shall receive any compensation or payment of expenses after the end of the time within which the financial statement of the political subdivision is required to be filed with the state auditor and until such time as the notice from the state auditor of the filing of the annual financial report for the fiscal year has been received.

6. The state auditor shall prepare sample forms for financial reports and shall mail the same to the political subdivisions of the state. Failure of the auditor to supply such forms shall not in any way excuse any person from the performance of any duty imposed by this section.

“115.124. 1. Notwithstanding any other law to the contrary, in a nonpartisan election in any political subdivision or special district including municipal elections in any city, town, or village with [one] **two** thousand or fewer inhabitants that have adopted a proposal pursuant to subsection 3 of this section but excluding municipal elections in any city, town, or village with more than [one] **two** thousand inhabitants, if the notice provided for in subsection 5 of section 115.127 has been published in at least one newspaper of general circulation as defined in section 493.050 in the district, and [if the number of candidates who have filed for a particular office is equal to the number of positions in that office to be filled by the election, no election shall be held for such office] **if the number of candidates for each office in a particular political subdivision, special district, or municipality is equal to the number of positions for each office within the political subdivision, special district, or municipality to be filled by the election and no ballot measure is placed on the ballot such that a particular political subdivision will owe no proportional election costs if an election is not held, then no election shall be held**, and the candidates shall assume the responsibilities of their offices at the same time and in the same manner as if they had been elected. If no election is held for [such office] **a particular political subdivision, special district, or municipality** as provided in this section, the election authority shall publish a notice containing the names of the candidates that shall assume the responsibilities of office under this section. Such notice shall be published in at least one newspaper of general circulation as defined in section 493.050 in such political subdivision or district by the first of the month in which the election would have occurred, had it been contested. Notwithstanding any other provision of law to the contrary, if at any election the number of candidates filing for a particular office exceeds the number of positions to be filled at such election, the election authority shall hold the election as scheduled, even if a sufficient number of candidates withdraw from such contest for that office so that the number of candidates remaining after the filing deadline is equal to the number of positions to be filled.

2. The election authority or political subdivision responsible for the oversight of the filing of candidates in any nonpartisan election in any political subdivision or special district shall clearly designate where candidates shall form a line to effectuate such filings and determine the order of such filings; except that, in the case of candidates who file a declaration of candidacy with the election authority or political subdivision prior to 5:00 p.m. on the first day for filing, the election authority or political subdivision may determine by random drawing the order in which such candidates' names shall appear on the ballot. If a drawing is conducted pursuant to this subsection, it shall be conducted so that each candidate, or candidate's representative if the candidate filed under subsection 2 of section 115.355, may draw a number at random at the time of filing. If such drawing is conducted, the election authority or political subdivision shall record the number drawn with the candidate's declaration of candidacy. If such drawing is conducted, the names of candidates filing on the first day of filing for each office on each ballot shall be listed in ascending order of the numbers so drawn.

3. The governing body of any city, town, or village with [one] **two** thousand or fewer inhabitants may submit to the voters at any available election, a question to adopt the provisions of subsection 1 of this section for municipal elections. If a majority of the votes cast by the qualified voters voting thereon are in favor of the question, then the city, town, or village shall conduct nonpartisan municipal elections as provided in subsection 1 of this section for all nonpartisan elections remaining in the year in which the proposal was adopted and for the six calendar years immediately following such approval. At the end of such six-year period, each such city, town, or village shall be prohibited from conducting such elections in such a manner unless such a question is again adopted by the majority of qualified voters as provided in this subsection.”; and

2. As used in this section, the following terms shall mean:

(1) “AIM zone”, an area identified through a resolution passed by the port authority board of commissioners appointed under section 68.045 that is being developed or redeveloped for any purpose so long as any infrastructure and building built or improved is in the development area. The port authority board of commissioners shall file an annual report indicating the established AIM zones with the department of revenue;

(2) “County average wage”, the average wages in each county as determined by the Missouri department of economic development for the most recently completed full calendar year. However, if the computed county average wage is above the statewide average wage, the statewide average wage shall be deemed the county average wage for such county for the purpose of determining eligibility;

(3) “New job”, the number of full-time employees located at the project facility that exceeds the project facility base employment less any decrease in the number of full-time employees at related

facilities below the related facility base employment. No job that was created prior to the date of the notice of intent shall be deemed a new job. An employee that spends less than fifty percent of the employee's work time at the facility is still considered to be located at a facility if the employee receives his or her directions and control from that facility, is on the facility's payroll, one hundred percent of the employee's income from such employment is Missouri income, and the employee is paid at or above the [state] **county** average wage.

3. Any port authority located in this state may establish an AIM zone. Such zone may only include the area within the port authority's jurisdiction, **ownership, or control**, and may include any such area. The port authority shall determine the boundaries for each AIM zone, and more than one AIM zone may exist within the port authority's jurisdiction **or under the port authority's ownership or control, and may be expanded or contracted by resolution of the port authority board of commissioners.**

4. Fifty percent of the state tax withholdings imposed by sections 143.191 to 143.265 on new jobs within such zone after development or redevelopment has commenced shall not be remitted to the general **revenue** fund of the state of Missouri. Such moneys shall be deposited into the port authority AIM zone fund established under subsection 5 of this section for the purpose of continuing to expand, develop, and redevelop AIM zones identified by the port authority board of commissioners and may be used for managerial, engineering, legal, research, promotion, planning, satisfaction of bonds issued under section 68.040, and any other expenses.

5. There is hereby created in the state treasury the "Port Authority AIM Zone Fund", which shall consist of money collected under this section. The state treasurer shall be custodian of the fund and shall approve disbursements from the fund in accordance with sections 30.170 and 30.180 to the port authorities from which the funds were collected, less the pro-rata portion appropriated by the general assembly to be used solely for the administration of this section which shall not exceed ten percent of the total amount collected within the zones of a port authority. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

6. The port authority shall approve any projects that begin construction and disperse any money collected under this section. The port authority shall submit an annual budget for the funds to the department of economic development explaining how and when such money will be spent.

7. The provision of section 23.253 notwithstanding, no AIM zone may be established after August 28, 2023. Any AIM zone created prior to that date shall continue to exist and be coterminous with the retirement of all debts incurred under subsection 4 of this section. No debts may be incurred or reauthorized using AIM zone revenue after August 28, 2023."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

162.492. 1. In all urban districts containing the greater part of the population of a city which has

more than three hundred thousand inhabitants, the election authority of the city in which the greater portion of the school district lies, and of the county if the district includes territory not within the city limits, shall serve ex officio as a redistricting commission. The commission shall on or before November 1, 2018, divide the school district into five subdistricts, all subdistricts being of compact and contiguous territory and as nearly equal in the number of inhabitants as practicable and thereafter the board shall redistrict the district into subdivisions as soon as practicable after each United States decennial census. In establishing the subdistricts each member shall have one vote and a majority vote of the total membership of the commission is required to make effective any action of the commission.

2. School elections for the election of directors shall be held on municipal election days in 2014 and 2016. At the election in 2014, directors shall be elected to hold office until 2019 and until their successors are elected and qualified. At the election in 2016, directors shall be elected until 2019 and until their successors are elected and qualified. Beginning in 2019, school elections for the election of directors shall be held on the local election date as specified in the charter of a home rule city with more than four hundred thousand inhabitants and located in more than one county. Beginning at the election for school directors in 2019, the number of directors on the board shall be reduced from nine to seven. Two directors shall be at-large directors and five directors shall represent the subdistricts, with one director from each of the subdistricts. [Directors shall serve a four-year term] **At the 2019 election, one of the at-large directors and the directors from subdistricts one, three, and five shall be elected for a two-year term, and the other at-large director and the directors from subdistricts two and four shall be elected for a four-year term. Thereafter, all seven directors shall serve a four-year term.** Directors shall serve until the next election and until their successors, then elected, are duly qualified as provided in this section. In addition to other qualifications prescribed by law, each member elected from a subdistrict shall be a resident of the subdistrict from which he or she is elected. The subdistricts shall be numbered from one to five. [Each voter may vote for two candidates for at-large director and the two receiving the largest number of votes cast shall be elected.]

3. The five candidates, one from each of the subdistricts, who receive a plurality of the votes cast by the voters of that subdistrict and the at-large candidates receiving a plurality of the at-large votes shall be elected. The name of no candidate for nomination shall be printed on the ballot unless the candidate has at least sixty days prior to the election filed a declaration of candidacy with the secretary of the board of directors containing the signatures of at least two hundred fifty registered voters who are residents of the subdistrict within which the candidate for nomination to a subdistrict office resides, and in case of at-large candidates the signatures of at least five hundred registered voters. The election authority shall determine the validity of all signatures on declarations of candidacy.

4. In any election either for at-large candidates or candidates elected by the voters of subdistricts, if there are more than two candidates, a majority of the votes are not required to elect but the candidate having a plurality of the votes [if there is only one office to be filled and the candidates having the highest number of votes, if more than one office is to be filled,] shall be elected.

No candidate may file both at large and from a subdistrict and the names of all candidates shall appear only once on the ballot, nor may any candidate file more than one declaration of candidacy. All declarations shall designate the candidate's residence and whether the candidate is filing at large or from a subdistrict and the numerical designation of the subdistrict or at-large area.

6. The provisions of all sections relating to seven-director school districts shall also apply to and govern urban districts in cities of more than three hundred thousand inhabitants, to the extent applicable and not in conflict with the provisions of those sections specifically relating to such urban districts.

7. Vacancies which occur on the school board between the dates of election shall be filled by special election if such vacancy happens more than six months prior to the time of holding an election as provided in subsection 2 of this section. The state board of education shall order a special election to fill such a vacancy. A letter from the commissioner of education, delivered by certified mail to the election authority or authorities that would normally conduct an election for school board members shall be the authority for the election authority or authorities to proceed with election procedures. If a vacancy occurs less than six months prior to the time of holding an election as provided in subsection 2 of this section, no special election shall occur and the vacancy shall be filled at the next election day on which local elections are held as specified in the charter of any home rule city with more than four hundred thousand inhabitants and located in more than one county.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 5

Amend House Committee Substitute for Senate Bill No. 114, Page 20, Section 140.100, Line 12, by inserting immediately after said lines the following:

“160.415. 1. For the purposes of calculation and distribution of state school aid under section 163.031, pupils enrolled in a charter school shall be included in the pupil enrollment of the school district within which each pupil resides. Each charter school shall report the names, addresses, and eligibility for free and reduced price lunch, special education, or limited English proficiency status, as well as eligibility for categorical aid, of pupils resident in a school district who are enrolled in the charter school to the school district in which those pupils reside. The charter school shall report the average daily attendance data, free and reduced price lunch count, special education pupil count, and limited English proficiency pupil count to the state department of elementary and secondary education. Each charter school shall promptly notify the state department of elementary and secondary education and the pupil’s school district when a student discontinues enrollment at a charter school.

2. Except as provided in subsections 3 and 4 of this section, the aid payments for charter schools shall be as described in this subsection.

(1) A school district having one or more resident pupils attending a charter school shall pay to the charter school an annual amount equal to the product of the charter school’s weighted average daily attendance and the state adequacy target, multiplied by the dollar value modifier for the district, plus local tax revenues per weighted average daily attendance from the incidental and teachers’ funds in excess of the performance levy as defined in section 163.011 plus all other state aid attributable to such pupils.

(2) The district of residence of a pupil attending a charter school shall also pay to the charter school any other federal or state aid that the district receives on account of such child.

(3) If the department overpays or underpays the amount due to the charter school, such overpayment or underpayment shall be repaid by the public charter school or credited to the public charter school in twelve equal payments in the next fiscal year.

(4) The amounts provided pursuant to this subsection shall be prorated for partial year enrollment for a pupil.

(5) A school district shall pay the amounts due pursuant to this subsection as the disbursal agent and no later than twenty days following the receipt of any such funds. The department of elementary and secondary education shall pay the amounts due when it acts as the disbursal agent within five days of the required due date.

3. A workplace charter school shall receive payment for each eligible pupil as provided under subsection 2 of this section, except that if the student is not a resident of the district and is participating in a voluntary interdistrict transfer program, the payment for such pupils shall be the same as provided under section 162.1060.

4. A charter school that has declared itself as a local educational agency shall receive from the department of elementary and secondary education an annual amount equal to the product of the charter school's weighted average daily attendance and the state adequacy target, multiplied by the dollar value modifier for the district, plus local tax revenues per weighted average daily attendance from the incidental and teachers funds in excess of the performance levy as defined in section 163.011 **except those funds designated by taxpayers in an urban district as early childhood education funds**, plus all other state aid attributable to such pupils. If a charter school declares itself as a local educational agency, the department of elementary and secondary education shall, upon notice of the declaration, reduce the payment made to the school district by the amount specified in this subsection and pay directly to the charter school the annual amount reduced from the school district's payment.

5. If a school district fails to make timely payments of any amount for which it is the disbursal agent, the state department of elementary and secondary education shall authorize payment to the charter school of the amount due pursuant to subsection 2 of this section and shall deduct the same amount from the next state school aid apportionment to the owing school district. If a charter school is paid more or less than the amounts due pursuant to this section, the amount of overpayment or underpayment shall be adjusted equally in the next twelve payments by the school district or the department of elementary and secondary education, as appropriate. Any dispute between the school district and a charter school as to the amount owing to the charter school shall be resolved by the department of elementary and secondary education, and the department's decision shall be the final administrative action for the purposes of review pursuant to chapter 536. During the period of dispute, the department of elementary and secondary education shall make every administrative and statutory effort to allow the continued education of children in their current public charter school setting.

HOUSE AMENDMENT NO. 6

Amend House Committee Substitute for Senate Bill No. 114, Page 3, Section 50.1190, Lines 1-9, by removing all of said section and lines; and

Further amend said bill, Page 4, Section 52.290, Line 27, by inserting immediately after all of said section and line the following:

“59.800. 1. Beginning on July 1, 2001, notwithstanding any other condition precedent required by law to the recording of any instrument specified in subdivisions (1) and (2) **of subsection 1** of section 59.330, an additional fee of [five] **six** dollars shall be charged and collected by every recorder of deeds in this state on each instrument recorded. The additional fee shall be distributed as follows:

(1) One dollar and twenty-five cents to the recorder’s fund established pursuant to subsection 1 of section 59.319, provided, however, that all funds received pursuant to this section shall be used exclusively for the purchase, installation, upgrade and maintenance of modern technology necessary to operate the recorder’s office in an efficient manner;

(2) One dollar and seventy-five cents to the county general revenue fund; and

(3) [Two] **Three** dollars to the fund established in subsection 2 of this section.

2. **(1)** There is hereby established a revolving fund known as the “Statutory County Recorder’s Fund”, which shall receive funds paid to the recorders of deeds of the counties of this state pursuant to subdivision (3) of subsection 1 of this section. The director of the department of revenue shall be custodian of the fund and shall make disbursements from the fund for the purpose of subsidizing the fees collected by counties that hereafter elect or have heretofore elected to separate the offices of clerk of the circuit court and recorder. The subsidy shall consist of the total amount of moneys collected pursuant to subdivisions (1) and (2) of subsection 1 of this section subtracted from fifty-five thousand dollars, **except if the annual average of funds collected under subsection 1 over the previous three-year period is insufficient to meet all obligations calculated in this subdivision and in which case the provisions of subdivision (2) of this subsection shall apply.** The moneys paid to qualifying counties pursuant to this subsection shall be deposited in the county general revenue fund. For purposes

of this section a “qualified county” is a county that hereafter elects or has heretofore elected to separate the offices of clerk of the circuit court and recorder and in which the office of the recorder of deeds collects less than fifty-five thousand dollars in fees pursuant to subdivisions (1) and (2) of subsection 1 of this section, on an annual basis. Moneys in the statutory county recorder’s fund shall not be considered state funds and shall be deemed nonstate funds.

(2) If funds collected under subdivision (3) of subsection 1 of this section are insufficient to meet obligations set out in subsection 1 of this section, the department of revenue shall calculate the projected shortfall that would otherwise be incurred using the formula set out above. If the fund balance is greater than the annual average disbursement of the previous three years, then up to thirty-three percent of such excess may be used to meet the obligation. If this amount is insufficient or unavailable, the director of the department of revenue shall set a new requisite amount to determine a qualified county under subdivision (1) of this subsection other than fifty-five thousand dollars, which reflects the revenue collected under subdivision (3) of subsection 1 of this section plus an additional thirty-three percent should the balance exist in the statutory recorder’s fund.”; and

Further amend said bill, Pages 18 and 19, Section 137.280, Lines 49-56, by deleting all of said lines and inserting in lieu thereof the following:

“4. If annual waivers exceed forty percent then by February first of each year the assessor shall transmit to the county employees’ retirement fund an electronic or paper copy of the log maintained under subsection 3 of section 50.1020 for the prior calendar year.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Journal of the Senate

FIRST REGULAR SESSION

SEVENTIETH DAY—THURSDAY, MAY 11, 2017

The Senate met pursuant to adjournment.

President Parson in the Chair.

Reverend Carl Gauck offered the following prayer:

“Let your steadfast love, O Lord, be upon us, even as we hope in you.” (Psalm 33:22)

Gracious God, our souls hunger for You to be with us this day, for it will be filled with tension and stress. But we know that You willingly provide us hope and love for our lives. We ask that you bring us a sense of joy in Your presence so we can convey with our lives and decisions that we trust in You and desire always to do that which pleases You. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Senator Kehoe announced photographers from St. Louis Public Radio, Associated Press, KMIZ-TV and KSDK-TV were given permission to take pictures in the Senate Chamber.

The following Senators were present during the day’s proceedings:

The Lieutenant Governor was present.

RESOLUTIONS

Senator Libla offered Senate Resolution No. 1007, regarding OAKS Senior Nutrition Center, Kennett, which was adopted.

Senator Hummel offered Senate Resolution No. 1008, regarding Ryan Michael Jones, Kearney, which was adopted.

Senator Munzlinger offered Senate Resolution No. 1009, regarding the Fiftieth Anniversary of Public Water Supply District #1, Macon County, which was adopted.

REMONSTRANCES

Senator Wallingford offered the following remonstrance:

SENATE REMONSTRANCE NO. 1

Whereas, the \$2.5 million reduction in state funding has the potential of devastating the operations of Centers for Independent Living (CIL), causing layoffs, reduction in services and possible closure of some CILs; and

Whereas, CILs are the most cost efficient, effective, and prudent providers of opportunities and services to people with disabilities. They offer a range of services to anyone regardless of disability and help encourage and develop in Missouri citizens with disability a sense of identity, independence, and initiative; and

Whereas, CILs provide training, socialization, employment, and other services based on five core services upon which the IL grant is based. By so severely cutting those funds, we put at risk these unique opportunities for people with disabilities which are all too rare and often unavailable any where else; and

Whereas, there is great misunderstanding concerning these organizations and that ignorance has led to CILs being taken for granted. The IL grant is wholly different and completely separate from any contract services (such as Medicaid home and community based services) or other grants for which a CIL may qualify. CILs are nonprofits whose primary concern is mission not money; and

Whereas, last year CILs served 25,118 and were already extremely underfunded. The current cut will mean a 41% cut in services offered by CILs with only 14,820 being served next year; and

Whereas, CILs across the state are at risk of closing; and

Whereas, the 22 CILs in Missouri employ 245 staff. This \$2.5 million dollar cut may result in approximately a 37% reduction in staff or 90 people losing their jobs; and

Whereas, the average funding level for each CIL will decrease from \$203,897 to \$120,059; and

Whereas, because the progress which resulted in the establishment of Centers for Independent Living was the result of protracted struggle, self-sacrifice, patient negotiation, and the hope of building more equitable communities is now at risk, it should be understood in no uncertain terms what is at risk in our state because of the impact of these cuts:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-ninth General Assembly, First Regular Session, hereby remonstrate against cutting CIL funding.

CONCURRENT RESOLUTIONS

Senator Kehoe moved that **HCR 28** be taken up for adoption, which motion prevailed.

On motion of Senator Kehoe, **HCR 28** was adopted by the following vote:

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Bill No. 95, Page 5, Section 108.170, Line 132, by inserting after said section and line the following:

“110.010. 1. The public funds of every county, township, city, town, village, school district of every character, road district, sewer district, fire protection district, **ambulance district**, water supply district, drainage or levee district, state hospital, state schools for the mentally deficient, Missouri School for the Deaf, Missouri School for the Blind, Missouri Training School for Boys, training school for girls, Missouri Veterans’ Home, Missouri State Chest Hospital, state university, Missouri state teachers’ colleges, Lincoln University, which are deposited in any banking institution acting as a legal depositary of the funds under the statutes of Missouri requiring the letting and deposit of the same and the furnishing of security therefor, shall be secured by the deposit of securities of the character prescribed by section 30.270 for the security of funds deposited by the state treasurer.

2. The securities shall, at the option of the depositary banking institution, be delivered either to the fiscal

officer or the governing body of the municipal corporation or other depositor of the funds, or by depositing the securities with another banking institution or safe depository as trustee satisfactory to both parties to the depository agreement. The trustee may be a bank owned or controlled by the same bank holding company as the depository banking institution.

3. The rights and duties of the several parties to the depository contract shall be the same as those of the state and the depository banking institution respectively under section 30.270. If a depository banking institution deposits the bonds or securities with a trustee as above provided, and the municipal corporation or other depositor of funds gives notice in writing to the trustee that there has been a breach of the depository contract and makes demand in writing on the trustee for the securities, or any part thereof, then the trustee shall forthwith surrender to the municipal corporation or other depositor of funds a sufficient amount of the securities to fully protect the depositor from loss and the trustee shall thereby be discharged of all further responsibility in respect to the securities so surrendered.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 2

Amend House Committee Substitute for Senate Bill No. 95, Page 2, Section 50.622, Line 22, by inserting the following after all of said line:

“59.800. 1. Beginning on July 1, 2001, notwithstanding any other condition precedent required by law to the recording of any instrument specified in subdivisions (1) and (2) **of subsection 1** of section 59.330, an additional fee of [five] ~~six~~ dollars shall be charged and collected by every recorder of deeds in this state on each instrument recorded. The additional fee shall be distributed as follows:

(1) One dollar and twenty-five cents to the recorder’s fund established pursuant to subsection 1 of section 59.319, provided, however, that all funds received pursuant to this section shall be used exclusively for the purchase, installation, upgrade and maintenance of modern technology necessary to operate the recorder’s office in an efficient manner;

(2) One dollar and seventy-five cents to the county general revenue fund; and

(3) [Two] **Three** dollars to the fund established in subsection 2 of this section.

2. (1) There is hereby established a revolving fund known as the “Statutory County Recorder’s Fund”, which shall receive funds paid to the recorders of deeds of the counties of this state pursuant to subdivision (3) of subsection 1 of this section. The director of the department of revenue shall be custodian of the fund and shall make disbursements from the fund for the purpose of subsidizing the fees collected by counties that hereafter elect or have heretofore elected to separate the offices of clerk of the circuit court and recorder. The subsidy shall consist of the total amount of moneys collected pursuant to subdivisions (1) and (2) of subsection 1 of this section subtracted from fifty-five thousand dollars, **except if the annual average of funds collected under subsection 1 over the previous three-year period is insufficient to meet all obligations calculated in this subdivision and in which case the provisions of subdivision (2) of this subsection shall apply.** The moneys paid to qualifying counties pursuant to this subsection shall be deposited in the county general revenue fund. For purposes of this section a “qualified county” is a county that hereafter elects or has heretofore elected to separate the offices of clerk of the circuit court and recorder and in which the office of the recorder of deeds collects less than fifty-five thousand dollars in fees pursuant to subdivisions (1) and (2) of subsection 1 of this section, on an annual basis. Moneys in the statutory county

recorder's fund shall not be considered state funds and shall be deemed nonstate funds.

(2) If funds collected under subdivision (3) of subsection 1 of this section are insufficient to meet obligations set out in subsection 1 of this section, the department of revenue shall calculate the projected shortfall that would otherwise be incurred using the formula set out above. If the fund balance is greater than the annual average disbursement of the previous three years, then up to thirty-three percent of such excess may be used to meet the obligation. If this amount is insufficient or unavailable, the director of the department of revenue shall set a new requisite amount to determine a qualified county under subdivision (1) of this subsection other than fifty-five thousand dollars, which reflects the revenue collected under subdivision (3) of subsection 1 of this section plus an additional thirty-three percent should the balance exist in the statutory recorder's fund.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 2

Amend House Committee Substitute for Senate Bill No. 478, Pages 1 to 4, Section 161.670, Lines 1 to 95, by removing all of said section and lines from the bill and inserting in lieu thereof the following:

“161.670. 1. Notwithstanding any other law, prior to July 1, 2007, the state board of education shall establish [a virtual public school] **the “Missouri Course Access and Virtual School Program”** to serve school-age students residing in the state. The [virtual public school] **Missouri course access and virtual school program** shall offer instruction in a virtual setting using technology, intranet, and/or internet methods of communication. Any student under the age of twenty-one in grades kindergarten through twelve who resides in this state shall be eligible to enroll in the [virtual public school regardless of the student’s physical location] **Missouri course access and virtual school program under to subsection 3 of this section.**

2. For purposes of calculation and distribution of state school aid, students enrolled in [a virtual public school] **the Missouri course access and virtual school program** shall be included[, at the choice of the student’s parent or guardian,] in the student enrollment of the school district in which the student physically [resides] **is enrolled under subsection 3 of this section.** The [virtual public school] **Missouri course access and virtual school program** shall report to the district of residence the following information about each student served by the [virtual public school] **Missouri course access and virtual school program**: name, address, eligibility for free or reduced-price lunch, limited English proficiency status, special education needs, and the number of courses in which the student is enrolled. The [virtual public school] **Missouri course access and virtual school program** shall promptly notify the resident district when a student discontinues enrollment. A “full-time equivalent student” is a student who successfully has completed the instructional equivalent of six credits per regular term. Each [virtual] **Missouri course access program** course shall count as one class and shall generate that portion of a full-time equivalent that a comparable course offered by the school district would generate. In no case shall more than the full-time equivalency of a regular term of attendance for a single student be used to claim state aid. Full-time equivalent student credit completed shall be reported to the department of elementary and secondary education in the manner prescribed by the department. Nothing in this section shall prohibit students from enrolling in additional courses under a separate agreement that includes terms for paying tuition or course fees.

3. [When a school district has one or more resident students enrolled in a virtual public school program authorized by this section, whose parent or guardian has chosen to include such student in the district’s enrollment, the department of elementary and secondary education shall disburse an amount corresponding to fifteen percent of the state aid under sections 163.031 and 163.043 attributable to such student to the resident district. Subject to an annual appropriation by the general assembly, the department shall disburse an amount corresponding to eighty-five percent of the state adequacy target attributable to such student to the virtual public school.

4.] **(1) A school district or charter school shall allow any eligible student who resides in such district to enroll in Missouri course access program courses of his or her choice as a part of the student’s annual course load each school year or a full-time virtual school option, with any costs associated with such course or courses to be paid by the school district or charter school if:**

(a) The student is enrolled full-time in and has attended, for at least one semester immediately prior to enrolling in the Missouri course access program, a public school, including any public charter school; and

(b) Prior to enrolling in any Missouri course access program course, a student has received approval from his or her school principal through the procedure described under subdivision (2) of this subsection.

(2) School districts and charter schools, through the school principal and in cooperation with the school's counselor or a person designated by the district or charter school, shall approve or disapprove a student's request to enroll in a Missouri course access program course or full-time virtual school. The school counselor or a person designated by the district or charter school shall advise any student who requests to enroll in a Missouri course access program course or a full-time virtual school and submit a recommendation to the school principal for final approval. The advice of the school counselor or the person designated by the district or charter school shall be based on his or her assessment of whether participation in the program and enrollment in a particular course are in the student's best interest and shall be done in consultation with the student's parent or legal guardian. Each school district and charter school shall develop a procedure under which a student may appeal the decision made under the provisions of this subdivision. In cases of denial of a request, the school district or charter school shall inform students and parents of the reason for denial and inform them of their right to appeal any enrollment denials in state course access program courses or full-time virtual school to the department of elementary and secondary education, which shall provide a final enrollment decision within seven calendar days. The state board of education shall establish guidelines governing the appeals process.

(3) For students enrolled in any Missouri course access program course in which costs associated with such course are to be paid by the school district or charter school as described under subdivision (1) of this subsection, the school district or charter school shall pay the content provider directly on a pro rata monthly basis based on a student's completion of assignments and assessments. If a student discontinues enrollment, the district or charter school may stop making monthly payments to the content provider. No school district or charter school shall pay, for any one course for a student, more than the market necessary costs but in no case shall pay more than fourteen percent of the state adequacy target, as defined under section 163.011, as calculated at the end of the most recent school year for any single, year-long course and no more than seven percent of the state adequacy target as described above for any single semester equivalent course. Payment for a full-time virtual school student shall not exceed the state adequacy target, unless the student receives additional federal or state aid. Nothing in this subdivision shall prohibit a school district or charter school from negotiating lower costs directly with course or full-time virtual school providers, particularly in cases where several students enroll in a single course or full-time virtual school.

(4) In the case of a student who is a candidate for A+ tuition reimbursement and taking a virtual course under this section, the school shall attribute no less than ninety-five percent attendance to any such student who has completed such virtual course.

(5) The Missouri course access program shall ensure that individual learning plans designed by certified teachers and professional staff are developed for all students enrolled in more than two full-time course access program courses or a full-time virtual school.

(6) Providers shall monitor student success and engagement of students enrolled in their program and report the information to the school district or charter school. Providers may make recommendations to the school district or charter school regarding the student's continued

enrollment in the program. The school district or charter school shall consider recommendations from providers and monitor the progress and success of enrolled students that are enrolled in any course or full-time virtual school offered under this section and may terminate or alter the course offering if it is found the course or full-time virtual school is not meeting the educational needs of the students enrolled in the course.

(7) School districts and charter schools shall monitor student progress and success, and course or full-time virtual school quality, and annually provide feedback to the department of elementary and secondary education regarding course quality.

(8) Pursuant to rules to be adopted by the department of elementary and secondary education, when a student transfers into a school district or charter school, credits previously gained through successful passage of approved courses under the Missouri course access program shall be accepted by the school district or charter school.

(9) Nothing in this section shall prohibit home school students, private school students, or students wishing to take additional courses beyond their regular course load from enrolling in Missouri course access program courses under an agreement that includes terms for paying tuition or course fees.

(10) Nothing in this subsection shall require any school district, charter school, or the state to provide computers, equipment, or internet access to any student unless required by an eligible student with a disability to comply with federal law.

(11) The authorization process shall provide for continuous monitoring of approved providers and courses. The department shall revoke or suspend or take other corrective action regarding the authorization of any course or provider no longer meeting the requirements of the program. Unless immediate action is necessary, prior to revocation or suspension, the department shall notify the provider and give the provider a reasonable time period to take corrective action to avoid revocation or suspension. The process shall provide for periodic renewal of authorization no less frequently than once every three years.

(12) Courses approved as of January 1, 2018, by the department to participate in the Missouri virtual instruction program shall be automatically approved to participate in the state course access and virtual school program, but shall be subject to periodic renewal.

4. School districts or charter schools shall inform parents of their child's right to participate in the program. Availability of the program shall be made clear in the parent handbook, registration documents, and featured on the home page of the school district or charter school's website.

5. The department shall:

(1) Establish an authorization process for course or full-time virtual school providers that includes multiple opportunities for submission each year;

(2) Pursuant to the timeline established by the department, authorize course or full-time virtual school providers that submit all necessary information pursuant to the requirements of the process;

(3) Review, pursuant to the authorization process, proposals from providers to provide individual courses or a comprehensive, full-time equivalent course of study for students through the Missouri course access and virtual school program. The department shall ensure that these comprehensive

courses of study align with state academic standards and that there is consistency and compatibility in the curriculum used by all providers from one grade level to the next grade level; and

(4) Within thirty days of any denial, provide a written explanation to any course providers or full-time virtual school providers that are denied authorization.

6. If a course or full-time virtual school provider is denied authorization, the course provider may reapply at any point in the future.

7. The department shall publish the process established under this section, including any deadlines and any guidelines applicable to the submission and authorization process for course or full-time virtual school providers on its website.

8. If the department determines that there are insufficient funds available for evaluating and authorizing course or full-time virtual school providers, the department may charge applicant course or full-time virtual school providers a fee up to, but no greater than, the amount of the costs in order to ensure that evaluation occurs. The department shall establish and publish a fee schedule for purposes of this subsection.

9. Except as specified in this section and as may be specified by rule of the state board of education, the [virtual public school] **Missouri course access and virtual school program shall comply with all state laws and regulations applicable to school districts, including but not limited to the Missouri school improvement program (MSIP), [adequate yearly progress (AYP),] annual performance report (APR), teacher certification, and curriculum standards.**

[5.] 10. The state board of education through the rulemaking process and the department of elementary and secondary education in its policies and procedures shall ensure that multiple content providers are allowed, ensure digital content conforms to accessibility requirements, provide an easily accessible link for providers to submit courses or full-time virtual schools on the Missouri course access and virtual school program website, and allow any person, organization, or entity to submit courses or full-time virtual schools for approval. No content provider shall be allowed that is unwilling to accept payments in the amount and manner as described under subdivision (3) of subsection 3 of this section or does not meet performance or quality standards adopted by the state board of education.

[6.] 11. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2006, shall be invalid and void.”; and

Further amend said bill, Pages 6 and 7, Section 167.121, Lines 1 to 42, by removing all of said section from the bill and inserting in lieu thereof the following:

“167.121. [1.] If the residence of a pupil is so located that attendance in the district of residence constitutes an unusual or unreasonable transportation hardship because of natural barriers, travel time, or distance, the commissioner of education or his designee may assign the pupil to another district. Subject to the provisions of this section, all existing assignments shall be reviewed prior to July 1, 1984, and from time

to time thereafter, and may be continued or rescinded. The board of education of the district in which the pupil lives shall pay the tuition of the pupil assigned. The tuition shall not exceed the pro rata cost of instruction.

[2. (1) For the school year beginning July 1, 2008, and each succeeding school year, a parent or guardian residing in a lapsed public school district or a district that has scored either unaccredited or provisionally accredited, or a combination thereof, on two consecutive annual performance reports may enroll the parent's or guardian's child in the Missouri virtual school created in section 161.670 provided the pupil first enrolls in the school district of residence. The school district of residence shall include the pupil's enrollment in the virtual school created in section 161.670 in determining the district's average daily attendance. Full-time enrollment in the virtual school shall constitute one average daily attendance equivalent in the school district of residence. Average daily attendance for part-time enrollment in the virtual school shall be calculated as a percentage of the total number of virtual courses enrolled in divided by the number of courses required for full-time attendance in the school district of residence.

(2) A pupil's residence, for purposes of this section, means residency established under section 167.020. Except for students residing in a K-8 district attending high school in a district under section 167.131, the board of the home district shall pay to the virtual school the amount required under section 161.670.

(3) Nothing in this section shall require any school district or the state to provide computers, equipment, internet or other access, supplies, materials or funding, except as provided in this section, as may be deemed necessary for a pupil to participate in the virtual school created in section 161.670.

(4) Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.]

Section B. Sections 161.670 and 167.121 of this act shall become effective July 1, 2018.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

- (8) The curriculum is available in a self-paced format over the internet, allowing access to students through individual student accounts anywhere that the student can access the internet;**
- (9) The curriculum includes a narrative soundtrack accompanying and matching all instructional text to assist students in developing reading skills in the context of STEM careers;**
- (10) The program has a validation from a national, third-party nonprofit organization that the program increases STEM career awareness and interest;**

The fund shall consist of any appropriations, gifts, bequests, or public or private donations to such fund. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements of public moneys in accordance with distribution requirements and procedures developed by the department of elementary and secondary education. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely for the administration of this section.

(2) Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

(3) The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

6. The department of elementary and secondary education may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. MESSAGES FROM THE HOUSE

The following message was received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and passed **SS** for **SB 124**.

With House Amendment No. 1.

HOUSE AMENDMENT NO. 1

Amend Senate Substitute for Senate Bill No. 124, Page 1, In the Title, Line 3, by deleting all of said line and inserting in lieu thereof the following:

“to regulatory authority.”; and

Further amend said bill, Page 2, Section 1.100, Line 26, by inserting immediately after all of said section and line the following:

“393.355. 1. As used in this section, the following terms shall mean:

(1) **“Aluminum smelting facility”, a facility whose primary industry is the smelting of aluminum and primary metals, Standard Industrial Classification Code 3334, is located in a county of the third classification, and has had electrical service provided to said facility in the past, in part or whole, by a municipally-owned utility and, in part or whole, by an electric generating cooperative owned by rural electric cooperatives;**

(2) **“Electrical corporation”, as defined in section 386.020, but shall not include an electrical corporation as defined and set forth in subsection 2 of section 393.110;**

(3) **“Steel works facility”, a facility whose primary industry is the production or fabrication of steel, North American Industrial Classification System 331110, and is located in a county of the third classification.**

2. Notwithstanding section 393.130 or any other provision of law to the contrary, the public service commission shall have the authority to approve a special rate that is not based on the electrical corporation's cost of service for an aluminum smelting facility or a steel works facility if the commission:

(1) Determines the special rate is in the interest of the state of Missouri when considering the collective interests of the customers of the electrical corporation serving the facility and the interests of the citizens of the state generally in promoting economic development, improving the tax base, providing employment opportunities in the state, and promoting such other benefits to the state as the commission may determine are created by approval of the special rate;

(2) In each general rate proceeding of the electrical corporation serving the facility, allocates the reduced revenues from the special rate as compared to the revenues that would have been generated at the rate the facility would have paid without the special rate to the electrical corporation's other customers through a uniform percentage adjustment to all components of the base rates of all customer classes; and

(3) Approves a tracking mechanism meeting the requirements of subsection 3 of this section.

3. Any commission order approving a special rate authorized by this section to provide service to an aluminum smelting facility or steel works facility in the manner specified in subsection 4 of this section shall establish a tracking mechanism to track changes in the net margin experienced by the electrical corporation serving the facility with the tracker to apply retroactively to the date the electrical corporation's base rates were last set in its last general rate proceeding concluded prior to the effective date of this section. The commission shall ensure that the changes in net margin experienced by the electrical corporation are calculated in such a manner that the electrical corporation's net income is neither increased nor decreased. The changes in net margin shall be deferred to a regulatory liability or regulatory asset, as applicable, with the balance of such regulatory asset or liability to be included in the revenue requirement of the electrical corporation in each of its general rate proceedings through an amortization of the balance over a reasonable period until fully returned to or collected from the electrical corporation's customers.

4. An electrical corporation is authorized to provide electric service to an aluminum smelting facility or steel works facility at a special rate authorized by this section in one of two ways, as follows:

(1) Under a rate schedule reflecting the special rate if the facility is located within the electrical corporation's certificated service territory; or

(2) Notwithstanding section 393.170, under a contract reflecting the special rate approved by the commission under the terms and conditions of this section.

In any case where the electric service is provided under contract referenced in subdivision (2) of this subsection, the facility shall be a commission-regulated retail electric customer of the electrical corporation and the rates, charges, and revenues under the contract shall, for ratemaking purposes, be treated by the commission as if the rates, charges, and revenues arise under the electrical corporation's tariff.

5. To receive a special rate, the facility shall file a written application with the commission specifying the requested special rate, any terms or conditions proposed by the facility respecting the

requested special rate, and provide information regarding how the requested special rate meets the criteria specified in subdivision (1) of subsection 2 of this section. A special rate provided for by this section shall not continue beyond December 31, 2027. The commission may impose such conditions on the special rate as it deems appropriate so long as it otherwise complies with the provisions of this section.

393.356. Electrical corporations may file proposed rate or regulatory mechanisms or plans with the commission for the commission's approval. If such a mechanism or plan is approved by the commission as filed or is approved by the commission with modifications acceptable to the electrical corporation, or if the commission approves a special rate under section 393.355, the commission shall lack the authority to modify or eliminate any such mechanism, plan, or special rate during the specified term.

393.1410. 1. It shall be the policy of the state of Missouri for the commission to support expenditures by electrical corporations that maintain or improve the reliability, safety, security, or automation of electric infrastructure, including through the use of the latest technologies to meet the needs and expectations of customers. It shall also be the policy of the state of Missouri for the commission to approve rates designed to allow electrical corporations to recover their full cost of service and provide a reasonable opportunity to earn a fair return.

2. The commission may utilize rate adjustment mechanisms not otherwise specifically authorized by statute including, but not limited to, mechanisms to promote modernization and replacement of an electrical corporation's infrastructure. The commission may also use partially forecasted test years, true-ups of retail revenue requirement components, tracking mechanisms, grid modernization incentive mechanisms, interim rates, performance-based ratemaking, revenue decoupling with regular adjustments, or decisional pre-approval with post construction review of construction projects. To the extent the commission's approval of a rate adjustment mechanism or other mechanism provided for by this section specifies a term over which the approval is to continue, the commission shall lack the authority to modify or eliminate the electrical corporation's use of the mechanism or tool during the specified term."'; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

In which the concurrence of the Senate is respectfully requested.

SENATE AMENDMENT NO. 3

Amend Senate Committee Substitute for House Committee Substitute for House Bill No. 831, Page 31, Section 169.715, Line 35, by inserting after all of said line the following:

“476.521. 1. Notwithstanding any provision of chapter 476 to the contrary, each person who first becomes a judge on or after January 1, 2011, and continues to be a judge may receive benefits as provided in sections [476.445 to 476.688] **476.450 to 476.690** subject to the provisions of this section. **However, any person who filed as a candidate in 2010 to become a judge, was ultimately elected in 2010 and became a judge in 2011 as a result of such election, was eligible in 2010 to receive a future annuity under section 104.1084, and is a judge on the effective date of this section, shall not be subject to the provisions of this section.**

2. Any person who is at least sixty-seven years of age, has served in this state an aggregate of at least twelve years, continuously or otherwise, as a judge, and ceases to hold office by reason of the expiration of the judge’s term, voluntary resignation, or retirement pursuant to the provisions of Subsection 2 of Section 24 of Article V of the Constitution of Missouri may receive benefits as provided in sections 476.515 to 476.565. The twelve-year requirement of this subsection may be fulfilled by service as judge in any of the courts covered, or by service in any combination as judge of such courts, totaling an aggregate of twelve years. Any judge who is at least sixty-seven years of age and who has served less than twelve years and is otherwise qualified under sections 476.515 to 476.565 may retire after reaching age sixty-seven, or thereafter, at a reduced retirement compensation in a sum equal to the proportion of the retirement compensation provided in section 476.530 that his or her period of judicial service bears to twelve years.

3. Any person who is at least sixty-two years of age or older, has served in this state an aggregate of at least twenty years, continuously or otherwise, as a judge, and ceases to hold office by reason of the expiration of the judge’s term, voluntary resignation, or retirement pursuant to the provisions of Subsection 2 of Section 24 of Article V of the Constitution of Missouri may receive benefits as provided in sections 476.515 to 476.565. The twenty-year requirement of this subsection may be fulfilled by service as a judge in any of the courts covered, or by service in any combination as judge of such courts, totaling an aggregate of twenty years. Any judge who is at least sixty-two years of age and who has served less than twenty years and is otherwise qualified under sections 476.515 to 476.565 may retire after reaching age sixty-two, at a reduced retirement compensation in a sum equal to the proportion of the retirement compensation provided in section 476.530 that his or her period of judicial service bears to twenty years.

4. All judges under this section required by the provisions of Section 26 of Article V of the Constitution of Missouri to retire at the age of seventy years shall retire upon reaching that age.

5. The provisions of sections 104.344, 476.524, and 476.690 shall not apply to judges covered by this section.

6. A judge shall be required to contribute four percent of the judge’s compensation to the retirement system, which shall stand to the judge’s credit in his or her individual account with the system, together with investment credits thereon, for purposes of funding retirement benefits payable as provided in sections 476.515 to 476.565, subject to the following provisions:

(1) The state of Missouri employer, pursuant to the provisions of 26 U.S.C. Section 414(h)(2), shall pick up and pay the contributions that would otherwise be payable by the judge under this section. The contributions so picked up shall be treated as employer contributions for purposes of determining the

judge's compensation that is includable in the judge's gross income for federal income tax purposes;

(2) Judge contributions picked up by the employer shall be paid from the same source of funds used for the payment of compensation to a judge. A deduction shall be made from each judge's compensation equal to the amount of the judge's contributions picked up by the employer. This deduction, however, shall not reduce the judge's compensation for purposes of computing benefits under the retirement system pursuant to this chapter;

(3) Judge contributions so picked up shall be credited to a separate account within the judge's individual account so that the amounts contributed pursuant to this section may be distinguished from the amounts contributed on an after-tax basis;

(4) The contributions, although designated as employee contributions, are being paid by the employer in lieu of the contributions by the judge. The judge shall not have the option of choosing to receive the contributed amounts directly instead of having them paid by the employer to the retirement system;

(5) Interest shall be credited annually on June thirtieth based on the value in the account as of July first of the immediately preceding year at a rate of four percent. Interest credits shall cease upon retirement of the judge;

(6) A judge whose employment is terminated may request a refund of his or her contributions and interest credited thereon. If such judge is married at the time of such request, such request shall not be processed without consent from the spouse. A judge is not eligible to request a refund if the judge's retirement benefit is subject to a division of benefit order pursuant to section 104.312. Such refund shall be paid by the system after ninety days from the date of termination of employment or the request, whichever is later and shall include all contributions made to any retirement plan administered by the system and interest credited thereon. A judge may not request a refund after such judge becomes eligible for retirement benefits under sections 476.515 to 476.565. A judge who receives a refund shall forfeit all the judge's service and future rights to receive benefits from the system and shall not be eligible to receive any long-term disability benefits; provided that any judge or former judge receiving long-term disability benefits shall not be eligible for a refund. If such judge subsequently becomes a judge and works continuously for at least one year, the service previously forfeited shall be restored if the judge returns to the system the amount previously refunded plus interest at a rate established by the board;

(7) The beneficiary of any judge who made contributions shall receive a refund upon the judge's death equal to the amount, if any, of such contributions less any retirement benefits received by the judge unless an annuity is payable to a survivor or beneficiary as a result of the judge's death. In that event, the beneficiary of the survivor or beneficiary who received the annuity shall receive a refund upon the survivor's or beneficiary's death equal to the amount, if any, of the judge's contributions less any annuity amounts received by the judge and the survivor or beneficiary.

7. The employee contribution rate, the benefits provided under sections 476.515 to 476.565 to judges covered under this section, and any other provision of sections 476.515 to 476.565 with regard to judges covered under this section may be altered, amended, increased, decreased, or repealed, but only with respect to services rendered by the judge after the effective date of such alteration, amendment, increase, decrease, or repeal, or, with respect to interest credits, for periods of time after the effective date of such alteration, amendment, increase, decrease, or repeal.

8. Any judge who is receiving retirement compensation under section 476.529 or 476.530 who becomes

employed as an employee eligible to participate in the closed plan or in the year 2000 plan under chapter 104, shall not receive such retirement compensation for any calendar month in which the retired judge is so employed. Any judge who is receiving retirement compensation under section 476.529 or section 476.530 who subsequently serves as a judge as defined pursuant to subdivision (4) of subsection 1 of section 476.515 shall not receive such retirement compensation for any calendar month in which the retired judge is serving as a judge; except that upon retirement such judge's annuity shall be recalculated to include any additional service or salary accrued based on the judge's subsequent service. A judge who is receiving compensation under section 476.529 or 476.530 may continue to receive such retirement compensation while serving as a senior judge or senior commissioner and shall receive additional credit and salary for such service pursuant to section 476.682.”; and

Journal of the Senate

FIRST REGULAR SESSION

SEVENTY-FIRST DAY—FRIDAY, MAY 12, 2017

The Senate met pursuant to adjournment.

President Parson in the Chair.

Reverend Carl Gauck offered the following prayer:

“The end of the matter; all has been heard. Fear God and keep his commandments; for that is the whole duty of everyone.” (Ecclesiastes 12:13)

Heavenly Father in a few short hours we will bring this session to its constitutional end. So we are thankful for all the blessings You have provided us throughout this session. We pray that we have not wasted our time here nor the use of the talents each has provided. Fill our hearts with the richness of Your grace so we rejoice in Your presence and promise and know that You will never let us go. And once again we ask that You watch our “going out and coming in” bringing us safely back to loved ones who so enrich our lives and share the joys You have provided. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

36.100. 1. The director shall ascertain the duties, authority and responsibilities of all positions subject to this chapter. After consultation with the appointing authorities, the director shall prepare and recommend to the board, and maintain on a continuing basis, a position classification plan, which shall group all positions in the classified service in classes, based on their duties, authority and responsibilities. Except as provided in subsection 2 of this section, The position classification plan shall set forth, for each class of positions, a class title and a statement of the duties, authority and responsibilities thereof, and the qualifications that are necessary or desirable for the satisfactory performance of the duties of the class; provided, that no plan shall be adopted which prohibits the substitution of experience for education for each class of positions, except that, the board may determine that there is no equivalent substitution in particular cases. Classifications should be sufficiently broad in scope to include as many comparable positions as possible both on an intra- and inter-departmental basis, including both merit and nonmerit agencies.

2. The classification plan may group [management] positions with similar levels of responsibility or

expertise into broad classification bands.

3. The director shall require an initial and ongoing review of the number of classifications in each division of service and shall, in consultation with the agencies, eliminate and combine classes when possible, taking into consideration the recruitment, examination, selection and compensation of personnel in the various classes.

36.120. 1. Before establishing a new position in divisions of the service subject to this chapter, or before making any permanent and substantial change of the duties, authority or responsibilities of a position subject to this chapter, an appointing authority shall notify the director in writing of the appointing authority's intention to do so, except where the positions may be allocated by the appointing authority.

2. The director may at any time allocate any new position to a class, or change the allocation of any position to a class, or recommend to the board changes in the classification plan. Any change in the classification plan recommended by the director shall take effect when approved by the board, or on the ninetieth day after it is recommended to the board if prior thereto the board has not approved it. In case of necessity requiring the immediate establishment of a new class, the director may establish such a class on an interim basis pending approval of the class by the board as recommended by the director.

3. When the allocation of a position to a class is changed, the director shall notify the appointing authority. If allocation authority is delegated, the appointing authority shall notify the director of any changes in the allocation. If the position is filled at the time of reallocation to a class, the appointing authority shall immediately notify the incumbent of the position regarding the allocation change. If the incumbent does not agree with the new allocation, the incumbent may, under conditions specified in the rules, submit to the director a request for a review of the allocation of the position.

4. If any change is made in the classification plan by which a class of positions is divided, altered, or abolished, or classes are combined, the director shall forthwith reallocate the positions affected to their appropriate classes in the amended classification plan. An employee who is occupying a position reallocated to a different class shall, subject to the regulations, be given the same status in the new class as previously held in the class from which his or her position is reallocated. [The director may require that the employee achieve a satisfactory grade on a noncompetitive test of fitness for the class to which his or her position has been reallocated.] **The employee shall possess the minimum qualifications for the class to which his or her position has been reallocated.**

5. After a class of positions has been approved by the board, the director is authorized to make such changes in the class title or in the statement of duties and qualifications for the class as the director finds necessary for current maintenance of the classification plan; provided, however, that changes which materially affect the nature and level of a class or which involve a change in salary range for the class shall be approved by the board.

36.140. 1. After consultation with appointing authorities and the state fiscal officers, and after a public hearing, the director shall prepare and recommend to the board a pay plan for all classes subject to this chapter. The pay plan shall include, for each class of positions, a minimum and a maximum rate, and such provision for intermediate rates as the director considers necessary or equitable. **The pay plan may also provide for the use of open, or stepless, pay ranges.** The pay plan may include provision for grouping of [management] positions with similar levels of responsibility or expertise into broad classification bands for purposes of determining compensation and for such salary differentials and other pay structures as the director considers necessary or equitable. In establishing the rates, the director shall give consideration to

the experience in recruiting for positions in the state service, the rates of pay prevailing in the state for the services performed, and for comparable services in public and private employment, living costs, maintenance, or other benefits received by employees, and the financial condition and policies of the state. These considerations shall be made on a statewide basis and shall not make any distinction based on geographical areas or urban and rural conditions. The pay plan shall take effect when approved by the board and the governor, and each employee appointed to a position subject to this chapter after the adoption of the pay plan shall be paid according to the provisions of the pay plan for the position in which he or she is employed; provided, that the commissioner of administration certifies that there are funds appropriated and available to pay the adopted pay plan. The pay plan shall also be used as the basis for preparing budget estimates for submission to the legislature insofar as such budget estimates concern payment for services performed in positions subject to this chapter. Amendments to the pay plan may be recommended by the director from time to time as circumstances require and such amendments shall take effect when approved as provided by this section. The conditions under which employees may be appointed at a rate above the minimum provided for the class, or advance from one rate to another within the rates applicable to their positions, shall be determined by the regulations.

2. Any change in the pay plan shall be made on a uniform statewide basis. No employee in a position subject to this chapter shall receive more or less compensation than another employee solely because of the geographical area in which the employee lives or works.

36.170. 1. The director [shall from time to time] **may** conduct such open competitive and promotional examinations as the director considers necessary. The examinations shall be of such character as to determine the [relative] qualifications, fitness and ability of the persons tested to perform the duties of the **position or** class for which a register is to be established. No question shall be so framed as to elicit information concerning the political or religious opinions or affiliations of an applicant.

2. Agencies may request authority from the director, **or the director may delegate authority to agencies**, to administer examinations for **some or** all positions[, in accordance with rules adopted by the board] **or job classes**. When such [a request is approved] **action is taken**, the director[, in accordance with rules established by the board,] shall establish standards and guidelines to be followed.

3. Pursuant to rules promulgated by the board, appointing authorities may request that the division of personnel administer promotional examinations limited to those already employed by the state or within the department or division of service involved.

4. All examinations **requiring an applicant's physical presence** conducted by the director shall be conducted in a location which is [fully] accessible to persons with disabilities or if such a facility is not available in a given location for such regular examinations, a special examination will be arranged upon request of an applicant with a disability in a facility which is [fully] accessible.

36.180. 1. The standards of education or experience in the classification plan for each class shall be established on the basis of specified knowledge, skills and abilities. Admission to examinations **or the opportunity to be considered for appointment** shall be open to all persons who possess the qualifications and who may be lawfully appointed to a position in the class for which a register is to be established. [The regulations may also require that applicants achieve at least a satisfactory grade in each progressive part of the examination in order to be admitted to subsequent parts of the examination or to receive a final passing score.]

2. [To ensure competitive equality between the hearing impaired or the blind and persons not so

disabled, the applicant may request from the director the furnishing of a certified interpreter for the hearing impaired or an amanuensis or a reader for the blind when necessary, and the furnishing of a place to take such examination, or such other similar prerequisites to ensure equality in such examination.] **An applicant may request a reasonable accommodation in order to have an opportunity to compete for positions subject to this chapter. The director and the appointing authority filling the particular position shall ensure that reasonable accommodations are granted to applicants to offer them an opportunity to compete for positions.**

3. The director may reject the application of any person for admission to an examination, strike the name of any person from the register, refuse to certify the name of any person, or withdraw the certification of a person if the director finds that the person lacks any of the qualifications, has been convicted of a crime which raises questions about his or her qualifications, has been dismissed from the public service for delinquency, has made a false statement of a material fact or practiced or attempted to practice any fraud or deception, in his or her application or examination or in attempting to secure appointment.

4. The director may take such action as is authorized in subsection 3 of this section if the director finds the person has a health condition or disability which would clearly prohibit the person from performing the duties required for the position for which the applicant has applied.

36.190. 1. [The director shall give] **Appropriate** public notice [of] **shall be given for** each open competitive [and promotional] examination **or when a job class is opened for recruitment** sufficiently in advance [of such examination] and sufficiently widespread in scope to afford persons who are interested [in participating in the examination] a reasonable opportunity to apply. [The time elapsing between the official announcement of an examination and the holding of such examination shall be not less than two calendar weeks, except that a lesser period of advance notice may be permissible under the regulations when the examination is conducted under the provisions of subsection 3 of section 36.320 or when the needs of the service pursuant to subsection 1 of section 36.260 require special notices.]

2. Each official notice of an examination **or of when a job class or position is opened for recruitment** shall state the title, duties, pay and qualifications of [positions for which the examination is to be held] **the job class or position**; the time, place and manner of making application [for admission to such examination;] and any other information which [the director consider] **may be considered** pertinent and useful.

3. The director shall ensure that the official announcement of an examination is given the widest distribution necessary to inform qualified persons that the examination is being given. The director may use any means that the director considers necessary to inform qualified persons about the examination. These include, but are not limited to, paid advertisements in newspapers, periodicals, electronic media and announcements to educational institutions. The director may also publish a periodic bulletin containing information about examinations to be sent to subscribers at a price approximating the cost of publication.

36.200. The methods for [rating the various parts of the examinations and the minimum satisfactory grade] **evaluating the qualifications of each applicant** shall be determined by the regulations. Each person who takes any examination shall be given written notice, **which may be by electronic means**, as to whether [he passed or failed the examination] **the applicant is eligible for a particular job class**, and [he] shall be entitled to inspect [his ratings and] **the applicant's** examination papers, but examination papers shall not be open to the general public. A manifest error in [rating an examination which affects the relative ranking of persons] **an eligibility determination** shall be corrected if called to the attention of the director within

thirty days after the [establishment of the register] **determination**, but such correction shall not invalidate any appointment previously made from such a register unless it is established that the error was made in bad faith and with intent to deprive a person of certification **or to gain certification for a person that does not meet the minimum qualifications for the class involved.**

36.210. Other provision of the law to the contrary notwithstanding, special procedures for the examination and selection of personnel are authorized as follows:

[(1) For positions involving unskilled or semiskilled labor, or domestic, attendant, custodial or comparable work, when the character or place of the work makes it impracticable to supply the needs of the service by appointments made in accordance with the procedure prescribed in other provisions of this chapter, the director, in accordance with the regulations, shall authorize the use of such other procedures as the director determines to be appropriate in order to meet the needs of the service, while assuring the selection of such employees on the basis of merit and fitness. Such procedures, subject to the regulations, may include the testing of applicants and maintenance of registers of eligibles by localities; the testing of applicants, singly or in groups, at periodic intervals, at the place of employment or elsewhere, after such notice as the director considers adequate; the registration of applicants who pass a noncompetitive examination or submit satisfactory evidence of their qualifications, and appointment of registered applicants; or any variation or combination of the foregoing or other suitable methods. When the director finds noncompetitive registration and selection procedures to be appropriate, the director is hereby authorized to delegate to each appointing authority the responsibility for such registration and for selection and appointment of registered applicants. When such delegation is made, the director shall establish the necessary guidelines and standards for appointing authorities and shall require such reports and perform such audits as the director deems necessary to ensure compliance with these guidelines and standards.]

[(2)] (1) The regulations may prescribe the conditions under which interns, trainees, and participants in special state or federal training, rehabilitation, and employment programs who successfully complete a period of internship or training may be appointed to a permanent position subject to this chapter after passing a noncompetitive qualifying examination.

[(3) The board may, in accordance with the regulations, waive competitive examinations for a class or position if it finds that the supply of qualified applicants is generally insufficient to justify competitive examinations and provide meaningful competition in the selection of employees. A request that competitive examination be waived for a particular class or position pursuant to this provision may be made to the board by the director or an appointing authority. The board shall review determinations pursuant to this provision at least annually. Upon waiving such examinations, the regulations of the board shall provide for the registration and appointment of applicants who present satisfactory evidence of their qualifications.]

[(4)] (2) Upon the approval of the director in accordance with the regulations of the board, appointing authorities may promote employees on the basis of a qualifying noncompetitive examination. Such noncompetitive promotions may be approved in, but are not necessarily limited to, situations in which the promotion represents a normal progression to the next higher level within an established occupational job series, or where the director determines that an employee has been an assistant, understudy or trainee for the position involved or otherwise has had such specific experience or training that a noncompetitive promotion to the position in question is to the best interests of the state service.

[(5)] (3) Appointing authorities may request, pursuant to regulations established by the board, to conduct alternative promotional procedures for positions and classes in their divisions of service. The board shall

approve such alternative procedures which it finds to be in keeping with merit principles and the best interest of the state service. Upon approval, the appointing authority shall be responsible to conduct promotional procedures in accordance with the board's approval and without favoritism, prejudice or discrimination. The board may withdraw approval pursuant to this provision if it finds that this responsibility has not been met.

[(6)] (4) Where appropriate, the director may establish registers by locality for selected classes.

36.220. 1. In any competitive examination given for the purpose of establishing a register of eligibles, veterans, disabled veterans, surviving spouses, and spouses of disabled veterans shall be given preference in appointment and examination [in the following manner:]. **For positions and classifications with unranked registers, a veteran, or the surviving spouse of a veteran, a disabled veteran, or the spouse of a disabled veteran shall be given preference in appointments over other eligibles if all other relevant job-related factors are equal. Applicants eligible for a veterans preference will be listed before other eligibles on each certificate. Applicants eligible for a veterans preference will also be identified on the certificate as eligible for the preference.**

[(1) A veteran, or the surviving spouse of any veteran whose name appears on a register of eligibles who made a passing grade, shall have five points added to his or her final grade, and his or her rank on the register shall be determined on the basis of this augmented grade.

(2) The spouse of a disabled veteran, whose name appears on a register of eligibles and who made a passing grade, shall have five points added to his or her final grade, and his or her rank on the register shall be determined on the basis of this augmented grade. This preference shall be given only if the veteran is not employed in the state service and the disability renders him or her unqualified for entrance into the state service.

(3) A disabled veteran, whose name appears on a register of eligibles and who made a passing grade, shall have ten points added to his or her final grade, and his or her rank on the register shall be determined on the basis of this augmented grade.]

2. Any person who has been honorably discharged from the Armed Forces of the United States shall receive appropriate credit for any training or experience gained therein in any examination if the training or experience is related to the duties of the class of positions for which the examination is given.

36.225. 1. In any competitive examination given for the purpose of establishing a register of eligibles, a parental preference shall be given to persons who were previously employed by the state but terminated such employment to care for young children. This preference shall be given only for persons who were full-time homemakers and caretakers of children under the age of ten and were not otherwise gainfully employed for a period of at least two years.

2. [If the name of a person eligible for a parental preference appears on a register of eligibles who made a passing grade, such person shall have five points added to the final grade, and the rank of such person on the register shall be determined on the basis of this augmented grade.] **For positions and classifications with unranked registers, applicants entitled to parental preference shall be given this preference in appointments over other eligibles, excluding applicants eligible for a veterans preference, if all other relevant job-related factors are equal.**

36.240. 1. Whenever an appointing authority proposes to fill one or more vacancies in a class of positions subject to this chapter, the appointing authority shall submit to the director, as far in advance of

the desired appointment date as possible, a requisition for the certification of eligible persons from an appropriate register. The requisition shall contain information as required by the director. The appointing authority, subject to conditions specified in the regulations, may also designate special requirements of domicile or the possession of special skills. If the director finds that such requirements would contribute substantially to effective performance of the duties involved, certification may be limited to persons on the register who meet such requirements.

2. When vacancies to be filled are in a class from which employees have been laid off, or demoted in lieu of layoff, certification shall be limited to previous employees until all employees of a division of service on the appropriate reinstatement register have been reinstated in order of rank on the register. Thereafter, certification from reinstatement and other registers shall be in accordance with the provisions of this section and the regulations of the board.

3. Upon a request for certification, the director shall certify for selection [the names of the top fifteen ranking available eligibles or] the names of available eligibles. [comprising the top ranking fifteen percent of available eligibles, whichever is greater, plus such additional eligibles as have a final rating equal to that of the last certified eligible. Upon request of the appointing authority, the director may also certify, for each additional vacancy to be filled from the same certification, the next five ranking available eligibles plus such additional eligibles as have a final rating equal to that of the last certified eligible.

4. If the director finds that the nature of the examination process and the type of positions involved justify alternative procedures for filling vacancies, the board may by rule prescribe such procedures which may include certification by broad category of examination rating or within a specified range of scores.]

[5] 4. When a position in divisions of the service subject to this chapter is limited in duration, certification may be limited to [the highest ranking eligible] **any eligible** who will accept employment under such conditions. A person appointed to a position under such conditions shall retain his or her [relative] position on the register and shall be eligible for certification to a permanent position [in the regular order] until the register itself has expired. If a temporary position is limited to less than ninety calendar days' duration, the appointing authority may fill the position by temporary appointment in the manner provided in section 36.270.

[6] 5. The rules shall prescribe the conditions under which the name of an eligible who has been certified to and considered for appointment by an appointing authority but has not been appointed may be withheld from further certification to such appointing authority. The eligible shall be entitled to retain his or her place on the eligible register during the life of the register, and shall be certified [in the order of his or her rank] to other vacancies in the class under other appointing authorities.

[7] 6. Eligibles who are not available for appointment when offered certification shall be granted a waiver of certification upon their request. Eligibles who do not respond within a reasonable period to a notice of certification may at the discretion of the director be dropped from the eligible register.

[8] 7. Any person who has obtained regular status in a class of positions subject to subsection 1 of section 36.030 and who has resigned from state service in good standing or who has accepted demotion or transfer for personal reasons may be reemployed without competitive certification in the same or comparable class at the discretion of the appointing authority and under conditions specified in the regulations. Any person who has successfully served at least one year in a position not subject to subsection 1 of section 36.030, but which is subject to section 36.031, and who has resigned from state service in good standing or who has accepted demotion or transfer for personal reasons, may be reemployed without

competitive certification in the same or comparable class at the discretion of the appointing authority and under conditions specified in the regulations, provided he or she possesses the qualifications [and has successfully completed a noncompetitive examination] for the class involved. No one shall be reemployed pursuant to this section until reinstatement has first been offered to all eligibles on the reinstatement register for the class and division of service involved.

[9] 8. Preference in certification and appointment from promotional registers or registers of eligibles under conditions specified in the regulations, may be given to employees of the division of service in which the vacancy occurs.

36.320. 1. The director shall establish and maintain such promotional registers and registers of eligibles for the various **positions or** classes of positions subject to this chapter as the director deems necessary or desirable to meet the needs of the service. On each promotional register and register of eligibles, the eligibles [shall] **may** be ranked in the order of their ratings given for the purpose of establishing or replenishing such a register **or may be unranked and placed on the register if the applicant meets the minimum criteria for the position or class.**

2. The time during which a promotional register or register of eligibles remains in force shall be [one year from the date on which it is officially established by the director; except that, before the expiration of a register, the director may by order extend the time during which such register remains in force when the needs of the service so require] **determined by the director so as to best meet the needs of the service.** In no event shall the total period during which a register is in force exceed three years from the date on which the register was originally established. The director may consolidate or cancel promotional registers and registers of eligibles as the needs of the service require[, and as authorized by the regulations].

3. In circumstances where there is a continuous need for substantial numbers of eligibles for a certain class of positions, the director may, after first establishing such a register, replenish the register from time to time by inserting the names of additional eligibles who are found to be qualified on the basis of determinations similar to those used as a basis for establishing the original register. The method for establishing, replenishing, and cancelling such a register shall be determined by the regulations.”; and

OBJECTIONS

Senators Emery, Eigel and Kraus submitted the following:

Ron Richard
President Pro Tem
Missouri State Senate
Room 326
Jefferson City, MO 65102

Dear Mr. President:

We hereby submit this objection to the signing of House Bill 151 pursuant to Article III, Section 30 of the Constitution of Missouri. Please print this letter in the Senate Journal and we ask that this objection accompany the bill when delivered to the Governor for signing.

This act runs contrary to the constitutional protections guaranteed in the Missouri and United States constitutions, and for this reason should not become the law of this state.

Article I, section 4 of the Missouri Constitution clearly states that Missouri is a free and independent state subject only to the United States Constitution. Additionally, the Tenth Amendment to the United States Constitution clearly states that powers not granted to the federal government are reserved for the States or the people. Nowhere in the United States Constitution is there a grant of authority to condition citizens' rights on participation in an identity database or to dictate standards for state-issued identification. In fact, quite the opposite is true, Article IV, Section 1 of the United States Constitution guarantees states the right that their acts, records, and proceedings shall be given full faith and credit by every other state in the union.

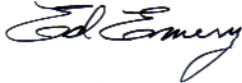

Provisions in the federal REAL ID Act of 2005 place an unnecessary burden on the right to petition one's government for redress of grievances under the First Amendment to the United States Constitution, freedom of movement throughout the United States under Substantive Due Process, and threaten the continued free exercise of our other constitutional rights. Access to federal courthouses and military bases are already denied to persons without access to REAL ID compliant identification, and due to the sheer size of our country, certain states and lands otherwise held by the United States are all but impossible for citizens of average means to reach without use of a federally-regulated airline flight. For a law burdening fundamental rights such as these to be constitutional, the government action undertaken must be necessary to further a compelling government interest. The REAL ID Act of 2005 intrudes on citizens' privacy beyond what is truly necessary to ensure aircraft and courthouse safety and security, and for that reason we must resist implementing it in our state system of identification.

Although the federal government has been granted the authority to regulate interstate commerce, such authority is not without limits. The federal government exceeds its constitutional authority when it attempts to commandeer or improperly coerce a state or states, or when it places an undue burden on the free exercise of the rights endowed to us by our creator. Reliance on the bare assertion that an action implicates interstate commerce and thus is appropriate for unbridled federal regulation does violence to the notion that we live in a free and independent state and sets a dangerous precedent with regard to federal overreach. Such a dismissive viewpoint disregards the existence of the Tenth Amendment and the discrete list of federal powers enumerated in Article I, Section 8 of the United States Constitution. Implementation of federal standards for identification issued by the several states directly infringes the rights of Missourians, and poses a threat to the full faith and credit that is already owed to state-issued identification irrespective of federal approval. It takes no imagination to envision that REAL ID compliant identification, and thus participation in a federally-approved database, will subsequently be required for exercise of other constitutional rights.

Our state cannot be complicit in allowing regulation of interstate commerce to extend to infringement of constitutional rights. Free exercise of the rights endowed to us by our creator cannot and shall not be subjugated to the discretion or approval of the federal government. Free exercise of the rights endowed to us by our creator does not mean free exercise conditioned on participation in a federally-approved identification program.

Because this proposed legislation poses a threat to the free exercise of constitutional rights that none but our creator is entitled to infringe, we ask the Governor to act for the good of the people of Missouri and veto House Bill 151.

Sincerely,

Senator Sifton submitted the following:

RE: Objection to the signing of SS#2/HCS/HB 1194 & 1193 by the President Pro-Tem

Dear Ms. Crouse:

Pursuant to the provisions Article III, § 30 of the Missouri Constitution and Senate Rule 68, please consider this correspondence as my objection to the signing of SS#2/HCS/HB 1194 & 1193 by the President Pro-Tem. In accordance with these provisions, please print this correspondence in the Senate Journal and annex it to the legislation to be considered by the Governor.

The legislation referenced above was 3d read in the Senate on the final day of session. Numerous procedural irregularities call into question whether it was validly adopted and thus whether it can therefore become law. The points raised below are supported by a review of the audio recordings of the proceedings.

During the proceedings on the final day, Senator Onder raised a point of order that the substitute motions that I was attempting to offer were out of order under Senate Rule 73. Senator Richard was then recognized by the presiding officer – while Senator Schaaf had possession of the floor – and ruled on the point of order. Senator Schaaf then appealed the ruling on the point of order. Pursuant to Senate Rule 10, rulings on points of order are subject to an appeal to the entire Senate. However, no vote or any other action was ever taken on Senator Schaaf's appeal of the ruling on the point of order.

The Senate also violated Rule 76 regarding standing at ease in multiple instances. The rule states, in pertinent part, "When a senator is engaged in debate or discussion and seeks to have the senate stand at ease, the senator must seek unanimous consent of the body."

While Senator Schaaf was speaking on a point of order raised by Senator Schatz, Senator Richard sought the recognition of the presiding officer – again despite Senator Schaaf having possession of the floor at that time. When asked by the presiding officer for what purpose he rose, Senator Richard replied "to stand at ease for five minutes to rule on the point of order." Both Senators Schaaf and Nasheed are heard on the audio to object to the Senate standing at ease. The presiding officer nevertheless put the Senate at ease.

Senator Richard was not engaged in debate or discussion and was therefore ineligible to ask the Senate to stand at ease. In addition, the request did not have the unanimous consent of the body as Senators Schaaf and Nasheed immediately objected. Finally, after the Senate had been at ease for well over five minutes, Senator Walsh sought recognition and pointed out that Rule 76 required unanimous consent, that she no longer gave it, and moved to adjourn. Senator Onder, who was then presiding, refused to recognize her in violation of Senate Rules.

The final procedural irregularity that I wish to address is that the third read motion on the bill was never properly put before the body. Rule 87 requires that when a motion is made it must be stated by the chair or, if the motion is written, it must be read by the secretary. Rule 88 provides that after the motion is stated by the chair, then it is before the body.

Immediately after the vote was taken to adopt Senate Substitute Number 2 of the bill, the presiding officer announced, "we are on the 3rd reading of HB 1194 and 1193." However, the Senate was not yet on that motion as Senator Hegeman had not yet made it. Senator Hegeman

initially moved the previous question despite the fact that he had not yet made the third read motion. Then, in recognition of the fact that the third read motion was not yet before the body, he withdrew the motion for the previous question and made the 3rd read motion. He then immediately moved for the call of the previous question on the third read motion. Following those actions, at no time was the 3rd read motion ever repeated by the chair. It also was neither written nor read.

As the third read motion was never stated by the presiding officer or read by the secretary, it was never before the body. The purported vote on the third read motion was a nullity that under Senate rules never occurred. The alleged passage of the bill violated Article III, § 21 of the Missouri Constitution insofar as it was never validly third read in the Senate.

Article III, § 21 of the Missouri Constitution grants the Senate the authority to determine the rules of its proceedings. Incumbent with this grant of authority is that the Senate actually follow its own rules. The Missouri Supreme Court has recognized that even the Lieutenant Governor – who is in a different branch of government – is required to follow the rules of the Senate when presiding over it. *State ex rel Danforth v. Cason*, 507 S.W.2d 405, 413-414 (Mo. 1974). Because of the Senate’s failure to follow its own rules – and particularly because the third read motion on the bill was never validly made – the bill’s adoption violates the Missouri Constitution and cannot be signed.

Sincerely,

SIGNING OF BILLS

The President Pro Tem announced that all other business would be suspended and **SS No. 2 for HCS for HB 151** and **SS No. 2 for HCS for HBs 1194 & 1193**, having passed both branches of the General Assembly, would be read at length by the Secretary and signed by the President Pro Tem to the end that they may become law. The bills were so read by the Secretary and signed by the President Pro Tem.

JOURNAL OF THE SENATE
NINETY-NINTH GENERAL ASSEMBLY
OF THE
STATE OF MISSOURI
FIRST EXTRA SESSION
OF THE
FIRST REGULAR SESSION

FIRST DAY—MONDAY, MAY 22, 2017

The Senate was called to order in Extra Session by Lieutenant Governor Mike Parson.

Senator Rowden offered the following prayer:

Father in Heaven, we thank you for another day of breath, life and hope — the hope that is only found in You.

As we come together today to begin this special session, may we be reminded of the burden of responsibility that is upon us. To make decisions that are in the best interest of this state and its citizens. And to treat each other with respect and civility as we deliberate on these decisions.

Today, we seek after the wisdom sought by King Solomon in Scripture. To have the insight to discern right from wrong and the foresight to see how decisions today impact realities tomorrow.

May we approach the business of these next days without a trace of pride or vengeance, because You have told us in the Proverbs that: “When pride comes, then comes disgrace. But with humility, comes wisdom.”

Give us patience, humility and wisdom as we do the work before us. This is our prayer. AMEN.

The Pledge of Allegiance to the Flag was recited.

**COMMUNICATIONS FROM THE
GOVERNOR**

The President laid before the Senate the following proclamation from the Governor, reading of which was waived:

PROCLAMATION

WHEREAS, the people of Missouri deserve more quality jobs; and

WHEREAS, the State of Missouri has a skilled workforce able to manufacture materials and products sold around the world; and

WHEREAS, government should not prevent businesses from coming and growing here; and

WHEREAS, one critical measure not addressed by the 2017 legislative session would have kept Missouri in the running for a steel mill and additional manufacturing jobs; and

WHEREAS, the top priority of Missouri’s elected leaders should be to fight for new jobs for Missourians; and

WHEREAS, in order to compete for new manufacturing jobs, utilities need additional flexibility; and

WHEREAS, Article IV, Section 9 of the Missouri Constitution authorizes the Governor on extraordinary occasions to convene the General Assembly by proclamation, wherein he shall state specifically each matter on which action is deemed necessary; and

WHEREAS, the need to provide the Public Service Commission with flexibility to approve special electricity rates for steel works,

aluminum smelting facilities, or other similar facilities, in order to attract new jobs to Missouri, is an extraordinary occasion envisioned by Article IV, Section 9 of the Missouri Constitution.

NOW THEREFORE, on the extraordinary occasion that exists in the State of Missouri:

I, ERIC R. GREITENS, GOVERNOR OF THE STATE OF MISSOURI, pursuant to the authority vested in me as Governor by the Constitution of the State of Missouri, do, by this Proclamation, convene the Ninety-Ninth General Assembly of the State of Missouri in the First Extra Session of the First Regular Session; and

I HEREBY call upon the Senators and Representatives of said General Assembly to meet in the State Capitol in the City of Jefferson at the hour of 4 p.m., Central Daylight Time, on May 22, 2017; and

I HEREBY state that the action of said General Assembly is deemed necessary concerning each matter specifically designated and limited hereinafter as follows:

1. To enact legislation authorizing the Public Service Commission to approve a special electricity rate for an aluminum smelting facility, a steel works facility, or other similar facility that is not based on the electrical corporation's cost of service, provided that the Public Service Commission (1) determines the special electricity rate for the facility is in the interest of the State of Missouri; (2) approves a uniform percentage adjustment in each general rate proceeding; (3) approves a tracking mechanism to track changes in the net margin experienced by the electrical corporation; and (4) approves either a rate schedule reflecting the special electricity rate if the facility is located within the electrical corporation's certificated service territory or a contract reflecting the special electricity rate, but neither the rate schedule nor the contract shall allow the special electricity rate to continue beyond ten years.
2. To enact legislation authorizing the Public Service Commission to allow electrical corporations a reasonable opportunity to earn a fair return, by methods such as rate adjustment mechanisms not otherwise statutorily authorized, which the commission shall lack authority to modify or eliminate during the specified term.
3. Such additional and other matters as may be recommended by the Governor by special message to the General Assembly after it shall have been convened.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 18th day of May, 2017.

Notice of Proposed Rule Change

Notice is hereby given by the Senator from the Third District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the Ninety-ninth General Assembly, First Extraordinary Session, that Senate Rules 44 and 50 be amended to read as follows:

“Rule 44. Beginning on July first of each year, members and members-elect may deposit bills and joint resolutions for the next regular session with the secretary of the senate at any time. The secretary shall hold the bills and joint resolutions so deposited in the order filed. After the close of business on December first, the secretary shall assign numbers to bills and joint resolutions deposited in that office by seniority of the member first signing the measure, with a limit of [three bills or joint resolutions] **one bill or joint resolution** per rotation of the seniority list from the total number of measures deposited. All measures deposited through December first shall stand as pre-filed without further action by the member or member-elect. At the close of business on each day thereafter until the opening day of the session, bills and joint resolutions received during the day shall be assigned numbers in the order in which the bill or joint resolution is filed with the secretary.

Once filed, bills and joint resolutions shall not be changed except to correct patent typographical, clerical or drafting errors that do not involve changes of substance, nor shall substitutions be made therefor. Any bill may be withdrawn but the number shall not be reassigned once a number has been given.

Seniority for the purposes of this rule shall be determined as follows:

- (1) Continuous senate service;
- (2) In the case of equal continuous senate service, majority party members shall have seniority over minority party members;
- (3) In the case of equal continuous senate service by members of the same party, prior non-continuous senate service;
- (4) In the case of equal continuous and prior non-continuous senate service by members of the same party, prior house service;
- (5) In the case of equal continuous and equal prior non-continuous senate service and equal prior house service by members of the same party, seniority shall be determined by the caucus of that party.

Rule 50. Referrals of bills and appointments to committee shall be made by the president pro tem; and no bill shall be considered for final passage unless it has been reported on by a committee and printed for the use of the senators. **Any of the first three senate bills or joint resolutions pre-filed under Senate Rule 44 by a senator that are reported to the senate from committee shall be placed on the calendar under the order of business of “senate bills for perfection” in numerical order above all other bills on that order of business regardless of the day in which the bill was reported to the senate.** A report of all bills recommended “do pass” by a committee shall be submitted to the senate by the chairman and all committee amendments accompanying the report shall be printed in the Journal.

After a bill has been referred to a committee, one-third of the senators elected has the power to relieve a committee of further consideration of a bill and place it on the calendar for consideration. In any case where a committee has been relieved of further consideration of a bill as herein provided, a majority of the senators present but not less than one-third of the senators elected, may, at any time before final passage thereof, again refer the bill to the same or some other committee for consideration. No bill or resolution shall be reported adversely by any committee until the author of the bill or resolution has been given an opportunity to appear and be heard before the committee to which it is referred.

One-third of the senators elected may relieve a committee of an appointment and a motion to grant advice and consent of the Senate to that appointment is then in order upon a vote of the majority of the Senate.”

Senator Schaaf offered the following resolution:

SENATE RESOLUTION NO. 4

FIRST REGULAR SESSION

FIRST EXTRA SESSION

THIRD DAY—THURSDAY, MAY 25, 2017

The Senate met pursuant to adjournment.

President Pro Tem Richard in the Chair.

Senator Emery offered the following prayer:

If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him. But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed. For let not that man think that he shall receive any thing of the Lord. A double minded man is unstable in all his ways.

Heavenly Father, I pray, keep us today from double-mindedness and grant us wisdom. I come to You this morning in the name and through the blood of the Lord Jesus Christ, thanking You for breath for life itself. Thank You for the opportunity You have given each of us today to serve You and the citizens of Missouri.

I believe it is with one voice, today that we bring before Your throne the names of all those in uniform whether at home or abroad who serve daily to protect our lives and our freedoms from enemies foreign or domestic.

We plead Your mercies and grace upon those whose lives were taken or violently disrupted this week by the terrorist attack in Manchester, England. Somehow bring divine comfort to survivors and healing to the wounded.

Father, as we go about our constitutional business today, may we be directed by the mind of Christ to seek peace and pursue it in every situation or conversation. Direct every outcome for the benefit of those we serve and for Your glory. I pray in the name of Your son and my Savior, Amen. (James 1:5-8)

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

WHEREAS, seventy years ago the United States government hired St. Louis based company Mallinckrodt Chemical Works to purify uranium for use in nuclear weapons during wartimes; and

WHEREAS, from 1946 until 1957, Mallinckrodt Chemical Works transported and dumped the radioactive chemical waste produced from the uranium purification process at Coldwater Creek near the St. Louis airport; and

WHEREAS, some of the radioactive chemical wastes were later trucked from Coldwater Creek to Latty Avenue in Hazelwood for drying and shipping to Colorado for reprocessing; and

WHEREAS, in 2012, an underground fire was discovered at the West Lake Landfill, and the fire has remained uncontrolled since that time; and

WHEREAS, the State should protect freedoms of speech, association, and religion and allow persons and institutions to follow their conscience with respect to abortion-related decisions; and

WHEREAS, Article IV, Section 9 of the Missouri Constitution authorizes the Governor to “[o]n extraordinary occasions . . . convene the

General Assembly by proclamation, wherein he shall state specifically each matter on which action is deemed necessary;" and

WHEREAS, the immediate danger to the public health, safety, and welfare due to the Court's ruling against health and safety regulations of abortion clinics is an extraordinary occasion as envisioned by Article IV, Section 9 of the Missouri Constitution; and

WHEREAS, the threat to pregnancy care centers and the State's "Alternatives to Abortion" program due to St. Louis City Ordinance 70459 likewise amounts to an extraordinary occasion as envisioned by Article IV, Section 9 of the Missouri Constitution.

RESOLUTIONS

Senator Kehoe offered the following resolution, which was adopted on a standing division vote:

SENATE RESOLUTION NO. 1

BE IT RESOLVED by the Senate of the Ninety-ninth General Assembly, First Regular Session, that the Secretary of Senate inform the House of Representatives that the Senate is duly convened in the Second Extra Session of the First Regular Session and is ready for consideration of its business.

Senator Kehoe offered the following resolution, which was adopted:

SENATE RESOLUTION NO. 2

BE IT RESOLVED by the Senate of the Ninety-ninth General Assembly, that the rules of the Senate, as adopted by the Ninety-ninth General Assembly, First Regular Session, be declared the rules of the Second Extra Session of the First Regular Session.

Senator Romine offered Senate Resolution No. 3, regarding Eagle Scout Jordan Ray Duncan, Farmington, which was adopted.

Senators Holsman, Dixon, Silvey, Libla, Schaaf and Sifton offered the following resolution, which was read:

SENATE RESOLUTION NO. 4

Whereas, Missouri public officials, including the Governor, should be held to the highest ethical standards; and

Whereas, the Missouri Ethics Commission investigated a complaint against the Governor and his candidate committee, hereafter "committee," called "Greitens for Missouri"; and

Whereas, based upon such investigation, the Commission determined that reasonable grounds existed to believe that the Governor and

his committee committed violations of ethics laws; and

Whereas, the Commission alleged that in early 2015 the committee received the benefit of a list of prospective donors for which the committee did not pay and which was not expressly contemplated in any contract executed by the committee; and

Whereas, the donor list came from The Mission Continues, a charity that the Governor co-founded; and

Whereas, the committee did not disclose the list as a contribution received on any disclosure report filed during the period in which the committee accepted the list; and

Whereas, it was only after a consent order was issued by the Commission that the committee finally filed an amended disclosure report that showed the list as an in-kind contribution with a value of \$600.00; and

Whereas, the committee has still not disclosed the name of the individual who provided the list to the committee; and

Whereas, this failure on the part of the Governor and his committee was a violation of Missouri law, specifically Section 130.041.1(3), RSMo, regarding a failure to report a contribution; and

Whereas, Section 130.058, RSMo, provides that the candidate is ultimately responsible for all reporting requirements for the candidate's committee; and

Whereas, as a result of this violation of law, the Commission issued a consent order in which a fee was imposed against the committee; and

Whereas, it is an untenable situation where the Governor of this state is the subject of consent order for unethical behavior; and

Whereas, the definition of a lobbyist under Section 105.470, RSMo, is an individual attempting to influence the state executive, state legislative, state judicial, or elected local government officials' actions; and

Whereas, the Governor's organization, A New Missouri, led by the Governor's senior adviser clearly and repeatedly meets this statutory definition but refuses to file as a lobbyist or lobbying organization; and

Whereas, because it's a nonprofit, A New Missouri can accept unlimited contributions and is not required to disclose contributors; and

Whereas, the Governor's senior adviser has made public statements admitting to coordinating the activities of Greitens for Missouri, A New Missouri, and the official Office of the Governor in its performance of official acts, an arrangement that, at best, circumvents current ethics law, and most likely constitutes illegal coordination between the Governor's office and A New Missouri; and

Whereas, because the Governor's use of a charity that he co-founded as a source of soliciting campaign contributions without being transparent about such activities raises questions that deserve investigation by a co-equal branch of state government; and

Whereas, the coordination between the governor's office and A New Missouri should also be investigated by a co-equal branch of state government; and

Now, Therefore, Be It Resolved that the members of the Missouri Senate, Ninety-ninth General Assembly, Second Extraordinary Session, hereby establish an investigative committee to be comprised of three Senators appointed by the President Pro Tempore of the Senate and two Senators appointed by the Senate Minority Leader; and

Be It Further Resolved that the committee shall hold such hearings, and subpoena such witnesses and documents under the hand of the President Pro Tempore of the Senate, as necessary to investigate any misconduct, crimes, corruption in office, or any offense involving moral turpitude or oppression in office committed by Governor Greitens in connection with his illegal use of a donor list from The Mission Continues, the failure of the Governor's lobbying organization to register as such, and the clear coordination of the Governor's official office, political campaign and lobbying organization; and

Be It Further Resolved that the committee shall begin work upon adoption of this resolution and may continue its investigation until December 31, 2018; and

Be It Further Resolved that the committee shall, at the conclusion of its investigation, issue a report on its findings to the full Senate and the Missouri House of Representatives and forward such findings to the appropriate state or federal law enforcement agency if needed.

FIRST REGULAR SESSION

SECOND EXTRA SESSION

THIRD DAY—WEDNESDAY, JUNE 14, 2017

The Senate met pursuant to adjournment.

President Pro Tem Richard in the Chair.

Senator Rowden offered the following prayer:

Father, we pause today to give thanks to You for Your goodness and Your grace. We are humbled by the opportunity to serve the people of this great state, but even more, we are humbled that we have the opportunity to be called Your children.

Today, we are saddened by the news from Arlington, Virginia, of senseless violence against Congressman Scalise and the others involved in this horrific incident. Our hearts are broken as we confront this startling new reality of rhetoric-driven hate and disrespect of our political opponents. In this chamber, as republicans and democrats in the Missouri Senate, may we lead the effort to push back against this extremism. To push back against the idea that if we disagree with someone politically, we are mortal enemies. And to work with diligence to restore civility and respect in our political discourse.

May we find our example of how to lead in the way You led and the way You loved. Driven by compassion, motivated by truth, and committed to serve the most vulnerable among us with love.

As we begin our debate today, we stand on the promise found in the 41st chapter of Isaiah where it says, “Do not fear, for I am with you; Do not anxiously look about you, for I am your God. I will strengthen you, surely I will help you, surely I will uphold you with my righteous right hand.”

Thank You for Your promises and for Your truth. They are our hope and will be our guide as we do the work of the people this evening. We ask these things in Jesus name. Amen.

OBJECTIONS

Senator Holsman submitted the following:

July 25, 2017

Adriane Crouse – Secretary of the Senate
State Capitol, Room 325
Jefferson City, Missouri 65101

RE: Objection to the signing of HCS/SS/SB 5 by the President Pro-Tem

Dear Ms. Crouse:

Pursuant to the provisions Article III, § 30 of the Missouri Constitution and Senate Rule 68, please consider this correspondence as my objection to the signing of House Committee Substitute for Senate Substitute for Senate Bill 5 by the President Pro-Tem. In accordance with these provisions, please print this correspondence in the Senate Journal and annex it to the legislation to be considered by the Governor.

My first objection is that the extra session that was called to convene the bill was, itself, unconstitutional. On June 7, 2017, Governor Eric Greitens issued a proclamation calling for the convening of an extra session of the Missouri General Assembly to address legislation relating to abortion laws. Such a convening of the Missouri General Assembly violates Article IV, Section 9 of the Missouri Constitution in that extra sessions called for by the Governor may only be done on “extraordinary occasions.”

Article II, Section 1 of the Missouri Constitution provides as follows,

The powers of government shall be divided into three distinct departments--the legislative, executive and judicial--each of which shall be confided to a separate magistracy, and no person, or collection of persons, charged with the exercise of powers properly belonging to one of those departments, shall exercise any power properly belonging to either of the others, except in the instances in this constitution expressly directed or permitted.

Article III, Section 1 confines the legislative power of state government to the General Assembly. A careful reading of the article shows that the constitution assigns the General Assembly the single power and sole responsibility to make, amend and repeal laws for Missouri and to

have the necessary power to accomplish its law-making responsibility. State Auditor v. Joint Committee on Legislative Research, 956 S.W.2d 228, 230-231 (Mo. 1997). “All the power to make laws in the name and with the authority of its constituent elements—its citizens en masse—is lodged in the temporary Legislature, subject only to the restraining clauses of the Constitutions of the state and nation.” Ludlow–Saylor Wire Co. v. Wollbrinck, 205 S.W. 196, 197 (Mo. 1918). Article IV, Section 1 confines the executive power of state government to the governor.

The governor may call an extra session of the Missouri General Assembly by proclamation wherein he shall specifically describe each matter on which action is necessary. Mo.Const. Art. IV, Sec. 9. However, he may do so only on “extraordinary occasions.” *Id.* No Missouri Court has undertaken the task of defining what constitutes an “extraordinary occasion” for the purposes of this constitutional provision. Words used in constitutional provisions are interpreted to give effect to their plain, ordinary, and natural meaning. Wright-Jones v. Nasheed, 368 S.W.3d 157, 159 (Mo. 2012). The dictionary defines “extraordinary” as “(1) not according to the usual custom or regular plan; (2) going far beyond the ordinary degree, measure, limit, etc.; very unusual; exceptional; remarkable.” WEBSTER’S NEW WORLD COLLEGE DICTIONARY 515 (5th ed. 2014).

As evidence that the subjects upon which the Governor has called an extra session do not constitute an extraordinary occasion, bills relating to the same subject matters were sponsored, debated and partially moved through the legislative process during the regular legislative session of 2017. However, the collective judgment of the General Assembly – sitting as the single power and sole responsibility to make, amend and repeal laws – was that these subjects were not extraordinary enough to truly agree and finally pass a bill on them during the regular session, much less during an extra session.

While the proclamation issued by the Governor cited the May 2, 2017 decision of Judge Sachs in the case of Comprehensive Health of Planned Parenthood, Great Plains vs. Randall Williams as one of the reasons for the special session, it should be noted that this litigation had been pending since November 30, 2016. Furthermore, the United States Supreme Court’s opinion in Whole Women’s Health vs. Hellerstedt – which Judge Sachs relied on in his order – was handed down on June 27, 2016. To summarize, the issues addressed in the Governor’s proclamation did not arise for the first time on May 2, 2017.

My second objection addresses the substance of the bill itself. In Planned Parenthood of Southeastern Pennsylvania vs. Casey, the United States Supreme Court held that where a state regulation imposes an undue burden on a woman’s ability to make the decision to terminate a pregnancy, the state reaches into the heart of a liberty protected by the Due Process Clause of the United States Constitution. 505 U.S. 833, 874, 112 S.Ct. 2791, 2819 (1992). The Court went on to state,

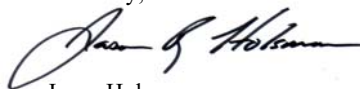

A statute which, while furthering the interest in potential life or some other valid state interest, has the effect of placing a substantial obstacle in the path of a woman’s choice cannot be considered a permissible means of serving its legitimate ends...An undue burden exists, and therefore a provision is invalid, if its purpose or effect is to place a substantial obstacle in the path of a woman seeking an abortion before the fetus attains viability.

Id. 505 U.S. at 877-878, 112 S.Ct. 2820-2821.

House Committee Substitute for Senate Substitute for Senate Bill 5 creates the types of substantial obstacles to women’s health choices that were prohibited by the Casey decision. The bill requires approval by the Department of Health and Senior Services for every chemically induced abortion. The bill also contains many of the same regulations that caused Missouri’s abortion laws to be invalidated in the recent judgment by Judge Sachs. The only change is that now the regulations are not called ambulatory surgical center regulations.

It is unfortunate that the obsession of this General Assembly continues to suppress the reproductive rights of Missouri women has yet again lead it to send to the Governor legislation that is unconstitutional. This not only hurts Missouri women, but wastes the tax dollars sent to Jefferson City by hard-working Missourians when it used to defend unconstitutional legislation. I hope in the future this obsession ceases.

Sincerely,

Jason Holsman.

The bill was so read by the Secretary and signed by the President Pro Tem.

SENATE RESOLUTION NO. 3

Whereas, it has been the tradition of the Missouri Senate to jealously guard the honor, integrity, and public standing of its membership, and the Missouri Senate has always been quick to defend against and quick to condemn any internal or external threat to that tradition; and

Whereas, on August 17, 2017, Senator Maria Chappelle-Nadal wrote the following on the social media website Facebook, "I hope Trump is Assassinated!"; and

Whereas, such expression also demonstrates a disrespect for the democratic process as enshrined in the United States and Missouri Constitutions; and

Whereas, pursuant to Article III, Section 18 of the Missouri Constitution, the Senate retains the sole right and responsibility to determine the qualifications of its members; and

Whereas, pursuant to Article III, Section 18 of the Missouri Constitution, the Senate may punish a member for disorderly conduct:

Now Therefore, Be It Resolved that the disorderly conduct of Senator Chappelle-Nadal, as put forth in this resolution, is of a type and of such magnitude to warrant a public censure; and

Be It Further Resolved that the members of the Missouri Senate, Ninety-ninth General Assembly, Veto Session of the First Regular Session, hereby find and conclude that Senator Maria Chappelle-Nadal engaged in disorderly conduct and is hereby immediately censured; and

Be It Further Resolved that the members of the Missouri Senate urge Senator Chappelle-Nadal to conduct herself in a manner that respects the longstanding traditions of the Missouri Senate; and

Be It Further Resolved that the members of the Missouri Senate urge Senator Chappelle-Nadal to respect her position as a Senator by refraining from action or words that incite or encourage violence; and

Be It Further Resolved that the members of the Missouri Senate urge Senator Chappelle-Nadal to resign or, upon failure to do so, she may be subject to potential expulsion at a future session of the Missouri Senate.

Senator Kehoe requested unanimous consent of the Senate that Senate Rule 71 be suspended for the purpose of taking **SR 3** up for adoption, which request was granted.

COMMUNICATIONS FROM THE GOVERNOR

The following communications, regarding vetoed Senate Bills were received by the Secretary of State, reading of which was waived:

GOVERNOR OF MISSOURI
JEFFERSON CITY
65102
July 14, 2017

TO THE SECRETARY OF THE SENATE
99th GENERAL ASSEMBLY
FIRST REGULAR SESSION
STATE OF MISSOURI

Herewith I return to you Senate Bill No. 65 entitled:

AN ACT

To repeal section 306.126, RSMo, and to enact in lieu thereof one new section relating to boat passengers.

I disapprove of Senate Bill No. 65. My reasons for disapproval are as follows:

Senate Bill No. 65 allows anyone, including children, to ride or sit on the gunwales, decking over the bow, top of the seat back, or decking over the back of a motorboat without adequate guards or railing.

To paint a picture, this bill would allow two children to ride on an open bow of a speedboat traveling in excess of 40 mph on any body of water, including the Lake of the Ozarks.

For almost 50 years, Missouri law has required the public safety measure that this law would overturn. According to data collected by the United States Coast Guard, falls overboard are the leading cause of death on Missouri waterways, and open motorboats—by far—cause the most injuries and deaths. From 2005 to 2016, 57 deaths and 95 injuries attributable to falls overboard occurred on Missouri waterways. Missouri's neighboring states have also put in place this commonsense protection. *See, e.g.*, 625 ILCS 45/5-21; Ark. Code Ann. § 27-101-202; 301 Ky. Admin. Regs. 6:030.

I respect the intentions of the sponsors of Senate Bill No. 65. Like them, I want to make Missouri a safe place for people to enjoy our many waterways and outdoor recreational activities. I also understand that one purpose of this bill may have been to exempt small boats that travel at low speeds on slow moving float streams from the provisions that prohibit passengers from riding on certain areas of the boat. The final language contained in this bill, however, may have unintended consequences.

Since this legislation passed, I have spoken with members of the Missouri State Highway Patrol responsible for public safety on Missouri's waterways. Last year, they issued more than 900 warnings or citations for the failure to comply with section 306.126, RSMo. The majority of the warnings or citations occurred at the Lake of the Ozarks, which the United States Coast Guard has consistently ranked as one of the most dangerous waterways in the country. Our State's law enforcement officers have expressed serious concerns that removing the common-sense safety measures contained in 306.126, RSMo. would directly lead to more injuries and deaths on Missouri's larger waterways where more boats operate in dangerous water conditions.

The legislature should have had—but did not have—the benefit of the testimony referenced above as this bill moved through the process, and I understand that many legislators were not made aware of these public safety concerns. I appreciate that on certain waterways we may want to revise current law, and I believe that we can do so in a way that enhances individual liberty and personal responsibility while still protecting public safety.

Going forward, I am committed to working with the sponsors of this legislation to achieve our mutual goals of enacting measures that provide common-sense protections for boaters, while at the same time maximizing enjoyment of our beautiful lakes and streams. I cannot, however, add my endorsement to this bill in its current form.

In accordance with the above stated reasons for disapproval, I am returning Senate Bill No. 65 without my approval.

Sincerely,
Eric R. Greitens
Governor

Herewith I return to you Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128 entitled:

AN ACT

To repeal sections 105.478, 144.026, 210.845, 302.441, 400.9-501, 452.370, 452.747, 454.500, 456.1-103, 456.4-414, 456.4-420, 456.8-808, 475.024, 478.463, 479.020, 479.170, 479.353, 488.029, 488.2206, 488.2250, 488.5050, 513.430, 513.440, 514.040, 515.575, 515.635, 552.020, 557.035, 565.076, 565.091, 566.010, 575.280, 577.001, 577.010, 577.037, 577.060, and 595.045, RSMo, and to enact in lieu thereof sixty-eight new sections relating to judicial proceedings, with penalty provisions.

I disapprove of Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128. My reasons for disapproval are as follows.

Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128 started as a one-page, 35-word bill that removed the division designations from the Jackson County courts. The final bill is no longer short or simple. Quite the opposite; now it spans 77 pages and impacts unrelated issues in 68 statutory sections.¹ This final bill violates the Missouri Constitution and contradicts other legislation passed this session and already signed.

Multiple constitutional issues plague Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128. The issues begin with the assortment of subjects covered by the bill. The Missouri Constitution requires that “[n]o bill shall contain more than one subject which shall be clearly expressed in its title, . . .” Article III, Section 23. “The test to determine if a bill contains more than one subject is whether all provisions of the bill fairly relate to the same subject, have a natural connection therewith or are incidents or means to accomplish its purpose.” *Hammerschmidt v. Boone County*, 877 S.W.2d 98, 102 (Mo. banc 1994) (internal quotation omitted).

Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128’s subject is “relating to judicial proceedings,” but many provisions are entirely non-judicial. Examples clutter the bill. For example, the bill prohibits the Department of Revenue from contacting taxpayers by mail about possible sales taxes owed. A different section authorizes conservation agents to write tickets for littering. Another portion requires the attorney general to report on claims that never reached the courthouse.² Elsewhere, the bill permits trustees to terminate up to \$250,000 trusts and allows parents to transfer their parental rights by signing a notarized form. The list could go on.

These parts of the bill cannot relate to judicial proceedings when they do not involve judicial proceedings. As evidenced by these examples and others, Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128 violates the Missouri Constitution’s single subject requirement. Moreover, any futile attempt to argue that every issue in the bill relates to a single subject would implicate the Missouri Constitution’s clear title requirement, because the broad and amorphous “judicial proceedings” title does not give notice of the wide range of unrelated issues actually covered. *See Home Builders Ass’n of Greater St. Louis v. State*, 75 S.W.3d 267, 270 (Mo. banc 2012).

Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128 compounds these constitutional concerns by undermining other legislation. One of this session’s important tort reform successes, Senate Substitute for Senate Bill No. 31, limited a party’s damages evidence to the actual cost of medical care. *See* Section 490.715.5. Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128 does the exact opposite by presuming that the bills for medical care are fair and reasonable. *See* Section 595.219.5. By allowing plaintiffs’ attorneys to argue conflicts with Senate Substitute for Senate Bill No. 31 or to seek potentially inconsistent outcomes, Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128 undercuts the hard-fought tort reform gains achieved this session.

¹ Ironically, the final bill does not even accomplish its original objective: instead of removing the Jackson County court division designations, the final bill preserves them.

² Monthly reports already published by the Attorney General prove this point. Through May 31, almost 100 claims had been settled in 2017 that were not subject to litigation.

Other inconsistencies exist. Conference Committee Substitute for House Committee Substitute for Senate Substitute for Senate Bill No. 34 helps protect the home addresses of victims of rape, human trafficking, and domestic violence. This bill contains a similar, but not identical, provision. Indeed, the language differs in a dozen different ways. I appreciate the good intentions of the legislators who worked on this important issue, but the inconsistency between the two bills can only negatively affect the protections provided by Conference Committee Substitute for House Committee Substitute for Senate Substitute for Senate Bill No. 34.

A separate and serious flaw in the bill concerns the fees charged by court reporters. The State of Missouri employs more than 140 court reporters, assigning one to each circuit judge. Each court reporter creates the courtroom's official transcript of proceedings. How much state-employed court reporters can charge is currently capped by statute. Any citizen or party seeking an official transcript of the proceedings must purchase the transcript from the court reporter. Since court reporters are the only official transcribers, they have a monopoly on courtroom transcripts.

Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128 would remove the price caps altogether.³ Under this bill, court reporters could charge any price they choose. A court reporter could, for example, charge \$100 per page. This is problematic because court reporters have a monopoly on producing these transcripts.

This change would limit citizen's access to justice and also negatively impact Missouri taxpayers. The Office of Administration's Budget & Planning Division estimates that the State of Missouri paid court reporters more than \$1 million for court transcripts last year. Removing the price caps would cost state government even more. For example, the Missouri State Public Defender predicts that Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128 would cost its office at least \$100,000 more per year, or the equivalent of two public defenders.

The myriad issues in Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128 raise serious constitutional, statutory, and policy concerns. Unfortunately, Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128 contained many provisions I support that were the product of the hard work of many legislators. I look forward to working with the legislature on many of these important policies next session, including improving the foster care system.

In accordance with the above stated reasons for disapproval, I am returning Conference Committee Substitute for Senate Committee Substitute No. 2 for Senate Bill No. 128 without my approval.

Sincerely,
Eric R. Greitens
Governor
